SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995: Forward-looking statements in this Quarterly Report on Form 10-Q including, without limitation, statements relating to our future revenue and cash flows, plans, strategies, objectives, expectations and intentions are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that such forward-looking statements are inherently subject to risks and uncertainties, many of which cannot be predicted with accuracy, and some of which might not be anticipated, including, without limitation, the following: (i) our plans, strategies, objectives, expectations and intentions are subject to change at any time at our discretion; (ii) we may be considered to be highly leveraged, and we use a significant portion of our cash flows to service our indebtedness, as a result of which we might not have sufficient funds to operate our businesses in the manner we intend or have operated in the past; (iii) the levels of sales of our apparel, footwear and related products, both to our wholesale customers and in our retail stores, the levels of sales of our licensees at wholesale and retail, and the extent of discounts and promotional pricing in which we and our licensees and other business partners are required to engage, all of which can be affected by weather conditions, changes in the economy, fuel prices, reductions in travel, fashion trends, consolidations, repositionings and bankruptcies in the retail industries, repositionings of brands by our licensors and other factors; (iv) our plans and results of operations will be affected by our ability to manage our growth and inventory, including our ability to realize benefits from our acquisition of The Warnaco Group, Inc. ("Warnaco"); (v) our operations and results could be affected by quota restrictions and the imposition of safeguard controls (which, among other things, could limit our ability to produce products in cost-effective countries that have the labor and technical expertise needed), the availability and cost of raw materials, our ability to adjust timely to changes in trade regulations and the migration and development of manufacturers (which can affect where our products can best be produced), changes in available factory and shipping capacity, wage and shipping cost escalation, and civil conflict, war or terrorist acts, the threat of any of the foregoing, or political and labor instability in any of the countries where our or our licensees' or other business partners' products are sold, produced or are planned to be sold or produced; (vi) disease epidemics and health related concerns, which could result in closed factories, reduced workforces, scarcity of raw materials and scrutiny or embargoing of goods produced in infected areas, as well as reduced consumer traffic and purchasing, as consumers become ill or limit or cease shopping in order to avoid exposure; (vii) acquisitions and issues arising with acquisitions and proposed transactions, including, without limitation, the ability to integrate an acquired entity, such as Warnaco, into us with no substantial adverse effect on the acquired entity's or our existing operations, employee relationships, vendor relationships, customer relationships or financial performance; (viii) the failure of our licensees to market successfully licensed products or to preserve the value of our brands, or their misuse of our brands; and (ix) other risks and uncertainties indicated from time to time in our filings with the Securities and Exchange Commission.

We do not undertake any obligation to update publicly any forward-looking statement, including, without limitation, any estimate regarding revenue or cash flows, whether as a result of the receipt of new information, future events or otherwise.

1. GENERAL

PVH Corp. and its consolidated subsidiaries (collectively, the “Company”) constitute a global apparel company whose brand portfolio consists of nationally and internationally recognized brand names, including *Calvin Klein*, *Tommy Hilfiger*, *Van Heusen*, *IZOD*, *ARROW*, *Warner’s* and *Olga*, which are owned, and *Speedo*, which is licensed in perpetuity, as well as various other owned, licensed and private label brands. In addition, through the end of the third quarter of 2013, the Company owned, and operated businesses under, the *G.H. Bass & Co.* and *Bass* trademarks. The Company designs and markets branded dress shirts, neckwear, sportswear, jeanswear, underwear, intimate apparel, swim products and, to a lesser extent, handbags, footwear and other related products and licenses its owned brands over a broad range of products. References to the aforementioned and other brand names are to registered trademarks owned by the Company or licensed to the Company by third parties and are identified by italicizing the brand name.

The consolidated financial statements include the accounts of the Company. Intercompany accounts and transactions have been eliminated in consolidation. Investments in entities that the Company does not control but has the ability to exercise significant influence over are accounted for using the equity method of accounting. The Company’s Consolidated Income Statements include its proportionate share of the net income or loss of these entities. Please see Note 4, “Investments in Unconsolidated Affiliates,” for a further discussion. As a result of the acquisition of The Warnaco Group, Inc. (“Warnaco”), the Company acquired a majority interest in a joint venture in India that was consolidated and accounted for as a redeemable non-controlling interest during 2013. The redeemable non-controlling interest represented the minority shareholders’ proportionate share (49%) of the equity in that entity. During the first quarter of 2014, in connection with the sale of the minority shareholders’ interests to a third party, the Company and the new shareholder entered into a shareholder agreement with different governing arrangements between the Company and the new shareholder as compared to the arrangements with the prior minority shareholders. Based on the new arrangements, the joint venture was deconsolidated and is now accounted for using the equity method of accounting. Please see Note 5, “Redeemable Non-Controlling Interest,” for a further discussion.

The Company’s fiscal years are based on the 52-53 week period ending on the Sunday closest to February 1 and are designated by the calendar year in which the fiscal year commences. References to a year are to the Company’s fiscal year, unless the context requires otherwise.

The accompanying unaudited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States for interim financial information. Accordingly, they do not contain all disclosures required by accounting principles generally accepted in the United States for complete financial statements. Reference should be made to the audited consolidated financial statements, including the notes thereto, included in the Company’s Annual Report on Form 10-K for the year ended February 2, 2014.

The preparation of interim financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ materially from these estimates.

The results of operations for the thirteen weeks ended May 4, 2014 and May 5, 2013 are not necessarily indicative of those for a full fiscal year due, in part, to seasonal factors. The data contained in these financial statements are unaudited and are subject to year-end adjustments. However, in the opinion of management, all known adjustments (which consist only of normal recurring accruals) have been made to present fairly the consolidated operating results for the unaudited periods.

Certain reclassifications have been made to the consolidated financial statements for the prior year periods to present that information on a basis consistent with the current year.

2. INVENTORIES

Inventories are comprised principally of finished goods and are stated at the lower of cost or market.

3. ACQUISITIONS AND DIVESTITURES

Acquisition of Warnaco

The Company acquired on February 13, 2013 all of the outstanding equity interests in Warnaco. The results of Warnaco's operations since that date are included in the Company's consolidated financial statements. Warnaco designs, sources, markets and distributes a broad line of intimate apparel, underwear, jeanswear and swim products worldwide. Warnaco's products are sold under the *Calvin Klein*, *Speedo*, *Warner's* and *Olga* brand names and were also previously sold under the *Chaps* brand name. Ralph Lauren Corporation reacquired the *Chaps* license effective contemporaneously with the Company's acquisition of Warnaco.

The Warnaco acquisition provided the Company with complete direct global control of the *Calvin Klein* brand image and commercial decisions for the two largest *Calvin Klein* apparel categories — jeanswear and underwear. In addition, the Company believes the acquisition takes advantage of its and Warnaco's complementary geographic platforms. Warnaco's operations in Asia and Latin America should enhance the Company's opportunities in those high-growth regions, and the Company has the ability to leverage its expertise and infrastructure in North America and Europe to enhance the growth and profitability of the *Calvin Klein* Jeans and *Calvin Klein* Underwear businesses in those regions.

Fair Value of the Acquisition Consideration

The acquisition date fair value of the acquisition consideration paid at closing totaled \$3,137.1 million, which consisted of the following:

(In millions, except per share data)	
Cash	\$ 2,180.0
Common stock (7.7 shares, par value \$1.00 per share)	926.5
Warnaco employee replacement stock awards	39.8
Elimination of pre-acquisition liability to Warnaco	(9.2)
Total fair value of the acquisition consideration	\$ 3,137.1

The fair value of the 7.7 million common shares issued was equal to the aggregate value of the shares at the closing market price of the Company's common stock on February 12, 2013, the day prior to the closing. The value of the replacement stock awards was determined by multiplying the estimated fair value of the Warnaco awards outstanding at the time of the acquisition, reduced by an estimated value of awards to be forfeited, by the proportionate amount of the vesting period that had lapsed as of the acquisition date. Also included in the acquisition consideration was the elimination of a \$9.2 million pre-acquisition liability to Warnaco.

The Company funded the cash portion and related costs of the Warnaco acquisition, repaid all outstanding borrowings under its previously outstanding senior secured credit facilities and repaid all of Warnaco's previously outstanding long-term debt with the net proceeds of (i) the issuance of \$700.0 million of 4 1/2% senior notes due 2022; and (ii) the borrowing of \$3,075.0 million of term loans under new senior secured credit facilities.

Please see Note 8, "Debt," Note 12, "Stock-Based Compensation," and Note 14, "Stockholders' Equity," for a further discussion of these aspects of the acquisition.

The Company incurred certain pre-tax costs in 2012 and 2013 directly associated with the acquisition, including short-lived non cash valuation adjustments and amortization, totaling approximately \$170.0 million, of which approximately \$65.0 million was recorded during the thirteen weeks ended May 5, 2013. Please see Note 15, "Activity Exit Costs," for a discussion of restructuring costs incurred during the thirteen weeks ended May 4, 2014 associated with the acquisition.

The operations acquired with Warnaco had total revenue of \$516.6 million and a net loss, after non cash valuation adjustments and amortization and integration costs, of \$(22.3) million for the period from the date of acquisition through May 5, 2013. These amounts were included in the Company's results of operations for the thirteen week period then ended.

Pro Forma Impact of the Transaction

The following table presents the Company's pro forma consolidated results of operations for the thirteen weeks ended May 5, 2013, as if the acquisition and the related financing transactions had occurred at the beginning of the year prior to the acquisition date. The pro forma results were calculated applying the Company's accounting policies and reflect (i) the impact on revenue, cost of goods sold and selling, general and administrative expenses resulting from the elimination of intercompany transactions; (ii) the impact on depreciation and amortization expense based on fair value adjustments to Warnaco's property, plant and equipment and intangible assets recorded in connection with the acquisition; (iii) the impact on interest expense resulting from changes to the Company's capital structure in connection with the acquisition; (iv) the impact on cost of goods sold resulting from acquisition date adjustments to the fair value of inventory; (v) the elimination of transaction costs related to the acquisition that were included in the Company's results of operations for the thirteen weeks ended May 5, 2013; and (vi) the tax effects of the above adjustments. The pro forma results do not include any anticipated cost synergies or other effects of the planned integration of Warnaco. Accordingly, such pro forma amounts are not indicative of the results that actually would have occurred had the acquisition been completed at the beginning of the year prior to the acquisition date, nor are they indicative of the future operating results of the combined company.

The Company finalized the purchase price allocation during the fourth quarter of 2013 and applied applicable measurement period adjustments retrospectively in accordance with Financial Accounting Standards Board (“FASB”) guidance for business combinations.

During the process of finalizing the purchase price allocation in the fourth quarter of 2013, the Company received additional information about facts and circumstances that existed as of the Warnaco acquisition date. As a result of the receipt of new information, which was included in the final valuation report received from a third-party valuation firm, and considering the results of that report, the Company estimated the fair value of the order backlog acquired as part of the Warnaco acquisition to be \$24.1 million lower than the estimated provisional amount. As a result of this adjustment to fair value, the carrying amount of the order backlog (which was being amortized principally over six months) was retrospectively decreased as of February 13, 2013, with a corresponding increase to goodwill and other intangible assets (net of related deferred taxes), and the related order backlog amortization expense for the first quarter of 2013 was reduced by \$11.6 million. The Company recorded these measurement period adjustments in the fourth quarter of 2013 and applied the adjustments retrospectively to the first quarter of 2013. The measurement period adjustments were included in the results of the Calvin Klein International segment.

In connection with the acquisition, the Company recorded goodwill of \$1,513.2 million, which was assigned to the Company’s Calvin Klein North America, Calvin Klein International, Tommy Hilfiger North America, Tommy Hilfiger International, Heritage Brands Wholesale and Heritage Brands Retail segments in the amounts of \$456.0 million, \$658.6 million, \$5.9 million, \$296.5 million, \$84.3 million and \$11.9 million, respectively. In accordance with FASB guidance, the goodwill acquired in the Warnaco acquisition was assigned as of the acquisition date to the Company’s reporting units that are expected to benefit from the synergies of the combination. For those reporting units that had not been assigned any of the assets acquired or liabilities assumed in the acquisition, the amount of goodwill assigned was determined by calculating the estimated fair value of such reporting units before the acquisition and their estimated fair values after the acquisition. None of the goodwill is expected to be deductible for tax purposes.

The Company also recorded other intangible assets of \$1,628.3 million, which included reacquired license rights of \$593.3 million, order backlog of \$73.0 million and customer relationships of \$149.8 million, which are all amortizable, as well as tradenames of \$604.6 million and perpetual license rights of \$207.6 million, which have indefinite lives.

Sale of Chaps Sportswear Assets

Contemporaneously with the Company’s acquisition of Warnaco, Ralph Lauren Corporation reacquired the license for *Chaps* men’s sportswear that Warnaco held from affiliates of Ralph Lauren Corporation. The Chaps sportswear business was previously operated by Warnaco under such license. In connection with this transaction, the Company sold all of the assets of the Chaps sportswear business, which consisted principally of inventory, to Ralph Lauren Corporation for gross proceeds of \$18.3 million.

Acquisition of Russia Franchisee

The Company acquired three *Tommy Hilfiger* stores in Russia during the fourth quarter of 2013 and two additional stores during the first quarter of 2014 from a former franchisee. The Company paid \$6.0 million during the fourth quarter of 2013 for the first three stores and \$4.3 million during the first quarter of 2014 for the other two. These transactions were accounted for as business combinations.

Acquisition of Ireland Franchisee

During the first quarter of 2014, the Company acquired six *Tommy Hilfiger* stores in Ireland from a former *Tommy Hilfiger* franchisee. The Company paid \$3.1 million as consideration for this transaction. This transaction was accounted for as a business combination.

4. INVESTMENTS IN UNCONSOLIDATED AFFILIATES

Karl Lagerfeld

The Company acquired a 10% economic interest in Karl Lagerfeld B.V., the parent company of the *Karl Lagerfeld* brand, during the thirteen weeks ended May 4, 2014 for \$18.9 million. One of the Company’s executive officers indirectly owns approximately 35% of Karl Lagerfeld B.V. The Company has significant influence as defined under FASB guidance with respect to its investment in Karl Lagerfeld B.V., therefore, this investment is being accounted for under the equity method of accounting.

Calvin Klein Australia

The Company formed a joint venture, PVH Brands Australia Pty. Limited (“PVH Australia”), in 2013 in which the Company owns a 50% economic interest. The joint venture licenses from a Company subsidiary the rights to distribute and sell certain *Calvin Klein* brand products in Australia, New Zealand and other island nations in the South Pacific. As part of the transaction, the Company contributed to the joint venture its subsidiaries that were operating the Calvin Klein Jeans businesses in Australia and New Zealand. In connection with this contribution, which took place on the first day of 2014, the Company deconsolidated these subsidiaries and recognized a net gain of \$2.1 million during the thirteen weeks ended May 4, 2014, which was recorded in selling, general and administrative expenses. The gain was measured as the difference between the fair value of the Company’s 50% interest as determined by a third-party valuation firm and the carrying value of the net assets and cash contributed. The Company made a net payment of \$7.3 million to PVH Australia during the thirteen weeks ended May 4, 2014, representing its 50% share of funding. This investment is being accounted for under the equity method of accounting.

Calvin Klein India

As a result of the Warnaco acquisition, the Company acquired a 51% economic interest in a Calvin Klein joint venture in India, Premium Garments Wholesale Trading Private Limited (“CK India”). The joint venture licenses from a Company subsidiary the rights to the *Calvin Klein* trademark in India. Beginning in the first quarter of 2014, this investment is being accounted for under the equity method of accounting. Please see Note 5, “Redeemable Non-Controlling Interest,” for a further discussion.

Tommy Hilfiger Brazil

The Company formed a joint venture, Tommy Hilfiger do Brasil S.A., in Brazil in 2012, in which the Company owns a 40% economic interest. The joint venture licenses from a Company subsidiary the rights to the *Tommy Hilfiger* trademarks in Brazil. This investment is being accounted for under the equity method of accounting.

Tommy Hilfiger China

The Company formed a joint venture, TH Asia Ltd., in China in 2010, in which the Company owns a 45% economic interest. The joint venture assumed direct control of the Tommy Hilfiger wholesale and retail distribution businesses in China from the prior licensee on August 1, 2011. The joint venture licenses from a Company subsidiary the rights to these businesses. This investment is being accounted for under the equity method of accounting.

Tommy Hilfiger India

The Company acquired in 2011 a 50% economic interest in a company that has since been renamed Tommy Hilfiger Arvind Fashion Private Limited (“TH India”). TH India licenses from a Company subsidiary the rights to the *Tommy Hilfiger* trademarks in India for all categories (other than fragrance), operates a wholesale apparel, footwear and handbags business in connection with its license, and sublicenses the trademarks for certain other product categories. This investment is being accounted for under the equity method of accounting.

Included in other assets in the Company’s Consolidated Balance Sheets as of May 4, 2014, February 2, 2014 and May 5, 2013 is \$113.0 million, \$71.3 million and \$63.3 million, respectively, related to these investments in unconsolidated affiliates.

5. REDEEMABLE NON-CONTROLLING INTEREST

As a result of the acquisition of Warnaco, the Company acquired a 51% interest in a joint venture, CK India, that was consolidated in the Company’s financial statements during 2013.

The fair value of the non-controlling interest as of the date of the Warnaco acquisition was \$5.6 million. During 2013, subsequent changes in the fair value of the redeemable non-controlling interest were recognized immediately as they occurred and the carrying amount of the redeemable non-controlling interest was adjusted to equal the fair value at the end of each reporting period, provided that this amount at the end of each reporting period was not lower than the initial fair value. Any fair value adjustment to the carrying amount of the redeemable non-controlling interest was recognized immediately in retained earnings of the Company. No fair value adjustments to the carrying amount recorded as of the acquisition date were made during the thirteen weeks ended May 5, 2013, but the carrying amount was adjusted for net income and other comprehensive income during the thirteen weeks ended May 5, 2013. As of May 5, 2013, the carrying value of the redeemable non-controlling interest was \$5.7 million.

During the first quarter of 2014, Arvind Limited purchased the Company's prior joint venture partners' shares in CK India and, as a result of the entry into a shareholder agreement with different governing arrangements between the Company and the new shareholder as compared to the arrangements with the prior minority shareholders, the Company no longer holds a controlling interest in the joint venture. CK India was deconsolidated, as a result, and the Company began reporting its 51% interest as an equity method investment in the first quarter of 2014. The Company recognized a net gain of \$5.9 million in connection with the deconsolidation of CK India during the thirteen weeks ended May 4, 2014, which was recorded in selling, general and administrative expenses. The gain was measured as the difference between the fair value of the Company's 51% interest as determined by a third-party valuation firm and the carrying value.

6. GOODWILL

The changes in the carrying amount of goodwill for the thirteen weeks ended May 4, 2014, by segment, were as follows:

The Company is required to make contingent purchase price payments to Mr. Calvin Klein in connection with the Company's acquisition in 2003 of all of the issued and outstanding stock of Calvin Klein, Inc. and certain affiliated companies (collectively, "Calvin Klein"). Such payments are based on 1.15% of total worldwide net sales, as defined in the acquisition agreement (as amended), of products bearing any of the *Calvin Klein* brands and are required to be made with respect to sales made through February 12, 2018. A significant portion of the sales on which the payments to Mr. Klein are made are wholesale sales by the Company and its licensees and other partners to retailers.

7. RETIREMENT AND BENEFIT PLANS

The Company has five noncontributory defined benefit pension plans as of May 4, 2014 covering substantially all employees resident in the United States who meet certain age and service requirements. As part of the Warnaco acquisition, the Company acquired a frozen noncontributory defined benefit pension plan. Such plan was merged with an existing plan of the Company's during 2013. For those vested (after five years of service), the plans provide monthly benefits upon retirement based on career compensation and years of credited service. The Company refers to these five plans as its "Pension Plans."

The Company also has for certain members of Tommy Hilfiger's domestic senior management a supplemental executive retirement plan, which is an unfunded non-qualified supplemental defined benefit pension plan. Such plan is frozen and, as a result, participants do not accrue additional benefits. In addition, the Company has a capital accumulation plan, which is an unfunded non-qualified supplemental defined benefit plan, covering two current and 15 retired executives as of May 4, 2014. Under the individual participants' agreements, the participants in this plan will receive a predetermined amount during the 10 years following the attainment of age 65, provided that prior to the termination of employment with the Company, the

participant has been in the plan for at least 10 years and has attained age 55. The Company also has for certain employees resident in the United States who meet certain age and service requirements an unfunded non-qualified supplemental defined benefit pension plan, which provides benefits for compensation in excess of Internal Revenue Service earnings limits and requires payments to vested employees upon, or shortly after, employment termination or retirement. The Company refers to these three plans as its “SERP Plans.”

The Company also provides certain postretirement health care and life insurance benefits to certain retirees resident in the United States. Retirees contribute to the cost of this plan, which is unfunded. During 2002, the postretirement plan was amended to eliminate the Company contribution, which partially subsidized benefits, for active participants who, as of January 1, 2003, had not attained age 55 and 10 years of service. As a result of the Company’s acquisition of Warnaco, the Company also provides certain postretirement health care and life insurance benefits to certain Warnaco retirees resident in the United States. Retirees contribute to the cost of this plan, which is unfunded. This plan was frozen on January 1, 2014. The Company refers to these two plans as its “Postretirement Plans.”

Net benefit cost was recognized in selling, general and administrative expenses as follows:

(In millions)	<u>Pension Plans</u>		<u>SERP Plans</u>		<u>Postretirement Plans</u>	
	<u>Thirteen Weeks Ended</u>		<u>Thirteen Weeks Ended</u>		<u>Thirteen Weeks Ended</u>	
	<u>5/4/14</u>	<u>5/5/13</u>	<u>5/4/14</u>	<u>5/5/13</u>	<u>5/4/14</u>	<u>5/5/13</u>

Total	\$ 1.2	\$ 1.3	\$ 2.0	\$ 1.9	\$ 0.0	\$ 0.0

Currently, the Company expects to make a contribution of approximately \$2.5 million to its Pension Plans in 2014. The Company’s actual contributions may differ from planned contributions due to many factors including changes in tax and other benefit laws, or significant differences between expected and actual pension asset performance or interest rates.

As of May 4, 2014, after taking into account the effect of the interest rate swap agreements discussed in the section entitled "2014 Senior Secured Credit Facilities" below, which were in effect as of such date, approximately 55% of the Company's long-term debt was at a fixed rate, with the remainder at variable rates.

2013 Senior Secured Credit Facilities

On February 13, 2013, simultaneously with and related to the closing of the Warnaco acquisition, the Company entered into senior secured credit facilities (the "2013 facilities"), the proceeds of which were used to fund a portion of the acquisition, repay all outstanding borrowings under prior facilities that were amended and restated during 2011 (the "2011 facilities") and repay all of Warnaco's previously outstanding long-term debt. The 2013 facilities consisted of a \$1,700.0 million United States dollar-denominated Term Loan A facility (recorded net of an original issue discount of \$7.3 million as of the acquisition date), a \$1,375.0 million United States dollar-denominated Term Loan B facility (recorded net of an original issue discount of \$6.9 million as of the acquisition date) and senior secured revolving credit facilities in an aggregate principal amount of \$750.0 million (based on the applicable exchange rates on February 13, 2013), consisting of (a) a \$475.0 million United States dollar-denominated revolving credit facility, (b) a \$25.0 million United States dollar-denominated revolving credit facility available in United States dollars or Canadian dollars and (c) a €185.9 million Euro-denominated revolving credit facility available in Euro, Pounds Sterling, Japanese Yen and Swiss Francs. In connection with entering into the 2013 facilities and repaying all outstanding borrowings under the 2011 facilities and all of Warnaco's previously outstanding long-term debt, the Company paid debt issuance costs of \$67.4 million (of which \$34.6 million was expensed as debt modification and extinguishment costs and \$32.8 million is being amortized over the term of the related debt agreement) and recorded additional debt modification and extinguishment costs of \$5.8 million to write-off previously capitalized debt issuance costs.

On March 21, 2014, the Company amended and restated the 2013 facilities, as discussed in the section entitled “2014 Senior Secured Credit Facilities” below.

2014 Senior Secured Credit Facilities

On March 21, 2014 (the “Restatement Date”), the Company entered into an amendment (the “Amendment”) to the 2013 facilities (as amended by the Amendment, the “2014 facilities”). The Amendment provided for an additional \$350.0 million principal amount of loans under the Term Loan A facility and an additional \$250.0 million principal amount of loans under the Term Loan B facility and extended the maturity of the Term Loan A and the revolving credit facilities from February 13, 2018 to February 13, 2019. The maturity of the Term Loan B facility remains February 13, 2020. On the Restatement Date, the Company borrowed the additional principal amounts described above and used the proceeds to redeem all of its outstanding 7 3/8% senior notes, as discussed in the section entitled “7 3/8% Senior Notes Due 2020” below. In connection with entering into the Amendment, the Company paid debt issuance costs of \$13.3 million (of which \$8.0 million was expensed as debt modification and extinguishment costs and \$5.3 million is being amortized over the term of the related debt agreement) and recorded additional debt modification and extinguishment costs of \$3.2 million to write-off previously capitalized debt issuance costs.

The 2014 facilities consist of a \$1,986.3 million United States dollar-denominated Term Loan A facility (recorded net of an original issue discount of \$7.8 million), a \$1,188.6 million United States dollar-denominated Term Loan B facility (recorded net of an original issue discount of \$5.7 million) and senior secured revolving credit facilities consisting of (a) a \$475.0 million United States dollar-denominated revolving credit facility, (b) a \$25.0 million United States dollar-denominated revolving credit facility available in United States dollars or Canadian dollars and (c) a €185.9 million Euro-denominated revolving credit facility available in Euro, Pounds Sterling, Japanese Yen and Swiss Francs.

The Company has fully drawn the term loans under the 2014 facilities. The revolving credit facilities also include amounts available for letters of credit. As of May 4, 2014, the Company had drawn \$135.0 million of revolving credit borrowings and approximately \$56.9 million of letters of credit. A portion of each of the United States dollar-denominated revolving credit facilities is also available for the making of swingline loans. The issuance of such letters of credit and the making of any swingline loan reduces the amount available under the applicable revolving credit facility. So long as certain conditions are satisfied, the Company may add one or more term loan facilities or increase the commitments under the revolving credit facilities by an aggregate amount not to exceed the sum of (1) the sum of (x) \$1,350.0 million plus (y) the aggregate amount of all voluntary prepayments of term loans under the facilities and the revolving credit facilities (to the extent, in the case of voluntary prepayments of loans under the revolving credit facilities, there is an equivalent permanent reduction of the revolving commitments) plus (z) an amount equal to the aggregate revolving commitments of any defaulting lender (to the extent the commitments with respect thereto have been terminated) and (2) an additional unlimited amount as long as the ratio of the Company’s senior secured net debt to consolidated adjusted earnings before interest, taxes, depreciation and amortization (in each case calculated as set forth in the documentation relating to the 2014 facilities) would not exceed 3 to 1 after giving pro forma effect to the incurrence of such increase. The lenders under the 2014 facilities are not required to provide commitments with respect to such additional facilities or increased commitments.

Obligations of the Company under the 2014 facilities are guaranteed by substantially all of the Company’s existing and future direct and indirect United States subsidiaries, with certain exceptions. Obligations of the European Borrower under the 2014 facilities are guaranteed by the Company, substantially all of its existing and future direct and indirect United States subsidiaries (with certain exceptions) and Tommy Hilfiger Europe B.V., a wholly owned subsidiary of the Company. The Company and its domestic subsidiary guarantors have pledged certain of their assets as security for the obligations under the 2014 facilities.

The outstanding borrowings under the 2014 facilities are prepayable at any time without penalty (other than customary breakage costs and, solely with respect to the Term Loan B facility, any prepayment in connection with a Repricing Event (as defined in the 2014 facilities) that is consummated on or prior to the six-month anniversary of the Restatement Date). The terms of the 2014 facilities require the Company to repay certain amounts outstanding thereunder with (a) net cash proceeds of the incurrence of certain indebtedness, (b) net cash proceeds of certain asset sales or other dispositions (including as a result of casualty or condemnation) that exceed certain thresholds, to the extent such proceeds are not reinvested or committed to be reinvested in the business in accordance with customary reinvestment provisions, and (c) a percentage of excess cash flow, which percentage is based upon the Company’s net leverage ratio during the relevant fiscal period.

The United States dollar-denominated borrowings under the 2014 facilities bear interest at a rate equal to an applicable margin plus, as determined at the Company’s option, either (a) a base rate determined by reference to the greater of (i) the prime rate,

(ii) the United States federal funds rate plus 1/2 of 1.00% and (iii) a one-month adjusted Eurocurrency rate plus 1.00% (provided, that, with respect to the Term Loan B facility, in no event will the base rate be deemed to be less than 1.75%) or (b) an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities (provided, that, with respect to the Term Loan B facility, in no event will the adjusted Eurocurrency rate be deemed to be less than 0.75%).

Canadian dollar-denominated borrowings under the 2014 facilities bear interest at a rate equal to an applicable margin plus, as determined at the Company's option, either (a) a Canadian prime rate determined by reference to the greater of (i) the rate of interest per annum that Royal Bank of Canada establishes at its main office in Toronto, Ontario as the reference rate of interest in order to determine interest rates for loans in Canadian dollars to its Canadian borrowers and (ii) the sum of (x) the average of the rates per annum for Canadian dollar bankers' acceptances having a term of one month that appears on the display referred to as "CDOR Page" of Reuters Monitor Money Rate Services as of 10:00 a.m. (Toronto time) on the date of determination, as reported by the administrative agent (and if such screen is not available, any successor or similar service as may be selected by the administrative agent), and (y) 0.75%, or (b) an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities.

The borrowings under the 2014 facilities in currencies other than United States dollars or Canadian dollars bear interest at a rate equal to an applicable margin plus an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities.

The current applicable margin with respect to the Term Loan A facility and each revolving credit facility is 1.75% for adjusted Eurocurrency rate loans and 0.75% for base rate loans, respectively. The current applicable margin with respect to the Term Loan B facility is 2.50% for adjusted Eurocurrency rate loans and 1.50% for base rate loans, respectively. After the date of delivery of the compliance certificate and financial statements with respect to the Company's fiscal quarter ending May 4, 2014, the applicable margin for borrowings under the Term Loan A facility, the Term Loan B facility and the revolving credit facilities is subject to adjustment based upon the Company's net leverage ratio.

The 2014 facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; certain events related to the Employee Retirement Income Security Act of 1974, as amended; certain events related to certain of the guarantees by the Company and certain of its subsidiaries, and certain pledges of its assets and those of certain of its subsidiaries, as security for the obligations under the 2014 facilities; and a change in control (as defined in the 2014 facilities).

During the second quarter of 2013, the Company entered into an interest rate swap agreement for a three-year term commencing on August 19, 2013. The agreement was designed with the intended effect of converting an initial notional amount of \$1,228.8 million of the Company's variable rate debt obligation under its previously outstanding United States dollar-denominated senior secured Term Loan A facility under the 2013 facilities, or any replacement facility with similar terms, to fixed rate debt. Such agreement remains outstanding with a notional amount of \$1,164.8 million as of May 4, 2014, and is now converting a portion of the Company's variable rate debt obligation under its new Term Loan A facility in the 2014 facilities to fixed rate debt. Under the terms of the agreement for the then-outstanding notional amount, the Company's exposure to fluctuations in the one-month LIBOR is eliminated, and it will pay a fixed rate of 0.604%, plus the current applicable margin.

The Company entered into an interest rate swap agreement for a three-year term commencing on June 6, 2011. The agreement was designed with the intended effect of converting an initial notional amount of \$632.0 million of the Company's variable rate debt obligation under its previously outstanding United States dollar-denominated senior secured term loan A facility under the 2011 facilities, or any replacement facility with similar terms, to fixed rate debt. Such agreement remains outstanding, with a notional amount of \$237.8 million as of May 4, 2014 and is now converting a portion of the Company's variable rate debt obligation under its new Term Loan A facility in the 2014 facilities to fixed rate debt. Under the terms of the agreement for the then-outstanding notional amount, the Company's exposure to fluctuations in the three-month LIBOR is eliminated, and it will pay a fixed rate of 1.197%, plus the current applicable margin.

The outstanding notional amount of each interest rate swap will be adjusted according to pre-set schedules during the term of each swap agreement such that, based on the Company's projections for future debt repayments, the Company's outstanding debt under the Term Loan A facility is expected to always equal or exceed the then-outstanding combined notional amount of the interest rate swaps.

The 2014 facilities also contain covenants that restrict the Company's ability to finance future operations or capital needs, to take advantage of other business opportunities that may be in its interest or to satisfy its obligations under its other outstanding debt. These covenants restrict the Company's ability to, among other things:

- incur or guarantee additional debt or extend credit;
- make restricted payments, including paying dividends or making distributions on, or redeeming or repurchasing, the Company's capital stock or certain debt;
- make acquisitions and investments;
- dispose of assets;
- engage in transactions with affiliates;
- enter into agreements restricting the Company's subsidiaries' ability to pay dividends;
- create liens on the Company's assets or engage in sale/leaseback transactions; and
- effect a consolidation or merger, or sell, transfer, or lease all or substantially all of the Company's assets.

The 2014 facilities require the Company to comply with certain financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the applicable facility. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately due and payable which would result in acceleration of the Company's other debt. If the Company was unable to repay any such borrowings when due, the lenders could proceed against their collateral, which also secures some of the Company's other indebtedness.

4 1/2% Senior Notes Due 2022

On December 20, 2012, the Company issued \$700.0 million principal amount of 4 1/2% senior notes due December 15, 2022 in connection with the Warnaco acquisition. The Company paid \$16.3 million of fees in the first quarter of 2013 in connection with the issuance of these notes, which will be amortized over the term of the notes.

Subject to certain conditions, the Company may redeem up to 35% of these notes prior to December 15, 2015 with the net cash proceeds of certain equity offerings without having to pay a penalty or "make whole" premium. The Company may redeem some or all of these notes at any time prior to December 15, 2017 by paying a "make whole" premium plus any accrued and unpaid interest. In addition, the Company may redeem some or all of these notes on or after December 15, 2017 at specified redemption prices plus any accrued and unpaid interest. The Company's ability to pay cash dividends and make other restricted payments is limited, in each case, over specified amounts as defined in the indenture governing the notes.

7 3/4% Debentures Due 2023

The Company has outstanding \$100.0 million of debentures due on November 15, 2023 with a yield to maturity of 7.80%. The debentures accrue interest at the rate of 7 3/4%. Pursuant to the indenture governing the debentures, the Company must maintain a certain level of stockholders' equity in order to pay cash dividends and make other restricted payments, as defined in the indenture governing the debentures.

7 3/8% Senior Notes Due 2020

On May 6, 2010, the Company issued \$600.0 million principal amount of 7 3/8% senior notes due May 15, 2020. On March 24, 2014, in connection with the amendment and restatement of the Company's term loans as discussed above in the section entitled "2014 Senior Secured Credit Facilities," the Company redeemed all of its outstanding 7 3/8% senior notes and, pursuant to the indenture under which the notes were issued, paid a "make whole" premium of \$67.6 million to the holders of the notes. The Company also recorded costs of \$14.3 million to write-off previously capitalized debt issuance costs associated with these notes.

9. INCOME TAXES

The effective income tax rates for the thirteen weeks ended May 4, 2014 and May 5, 2013 were 19.7% and 62.7%, respectively.

The effective income tax rate for the thirteen weeks ended May 4, 2014 was lower than the United States statutory rate due to the impact of the benefit of lower tax rates in international jurisdictions where the Company files tax returns.

The effective income tax rate for the thirteen weeks ended May 5, 2013 was higher than the United States statutory rate. Overall lower tax rates in international jurisdictions where the Company files tax returns were more than offset by certain discrete tax benefits recorded during the quarter. Since the Company had a pre-tax loss, discrete tax benefits caused the effective tax rate to increase, whereas such benefits will lower the tax rate in periods with pre-tax income.

On May 14, 2014, the Company settled an uncertain tax position related to European and United States transfer pricing arrangements. The settlement will result in taxes of approximately \$179.0 million. As of the end of the first quarter of 2014, the Company had recorded approximately \$185.0 million for this uncertain tax position. Accordingly, in the second quarter of 2014, the Company will recognize a tax benefit of approximately \$6.0 million, as well as record a reduction of approximately \$185.0 million in its liability for uncertain tax positions.

10. DERIVATIVE FINANCIAL INSTRUMENTS

The Company has exposure to changes in foreign currency exchange rates related to certain anticipated cash flows associated with certain international inventory purchases. In addition, the Company has exposure to changes in foreign currency exchange rates on certain intercompany loans. To help manage these exposures, the Company periodically uses foreign currency forward exchange contracts.

The Company also has exposure to interest rate volatility related to its senior secured term loan facilities. The Company has entered into interest rate swap agreements to hedge against this exposure. Please see Note 8, "Debt," for a further discussion of the Company's senior secured term loan facilities and these agreements.

The Company records the foreign currency forward exchange contracts and interest rate contracts at fair value in its Consolidated Balance Sheets, and does not net the related assets and liabilities. Changes in fair value of the foreign currency forward exchange contracts associated with certain international inventory purchases and the interest rate contracts (collectively referred to as "cash flow hedges") that are designated as effective hedging instruments are recorded in equity as a component of accumulated other comprehensive income (loss) ("AOCI"). The cash flows from such hedges are presented in the same category on the Consolidated Statements of Cash Flows as the items being hedged. Any ineffectiveness in such cash flow hedges is immediately recognized in earnings and no contracts were excluded from effectiveness testing. In addition, the Company records immediately in earnings changes in the fair value of hedges that are not designated as effective hedging instruments ("undesignated contracts"), including all of the foreign currency forward exchange contracts related to intercompany loans that are not of a long-term investment nature. Any gains and losses that are immediately recognized in earnings on such contracts related to intercompany loans are largely offset by the remeasurement of the underlying intercompany loan balances. The Company does not use derivative financial instruments for trading or speculative purposes.

The following table summarizes the fair value and presentation in the Consolidated Balance Sheets for the Company's derivative financial instruments:

(In millions)	Asset Derivatives (Classified in Other Current Assets and Other Assets)		Liability Derivatives (Classified in Accrued Expenses and Other Liabilities)	
	5/4/14	5/5/13	5/4/14	5/5/13
Contracts designated as cash flow hedges:				
Foreign currency forward exchange contracts (inventory purchases)	\$ 1.6	\$ 1.1	\$ 14.0	\$ 3.2
Interest rate contracts	2.6	—	5.9	4.1
Total contracts designated as cash flow hedges	4.2	1.1	19.9	7.3
Undesignated contracts:				
Foreign currency forward exchange contracts (inventory purchases)	—	0.1	—	0.6
Foreign currency forward exchange contracts (intercompany loans)	0.0	0.7	0.3	0.5
Total undesignated contracts	0.0	0.8	0.3	1.1
Total	\$ 4.2	\$ 1.9	\$ 20.2	\$ 8.4

At May 4, 2014, the notional amount outstanding of foreign currency forward exchange contracts for inventory purchases and intercompany loans was \$624.6 million and \$85.3 million, respectively. Such contracts expire principally between May 2014 and April 2015 for inventory purchases and between May 2014 and December 2014 for intercompany loans.

The following table summarizes the effect of the Company's hedges designated as cash flow hedging instruments:

(In millions)	(Loss) Gain Recognized in Other Comprehensive (Loss) Income		(Loss) Gain Reclassified from AOCI into (Expense) Income	
	5/4/14	5/5/13	Location	Amount
Thirteen Weeks Ended				
Foreign currency forward exchange contracts (inventory purchases)	\$ (12.3)	\$ 8.9	Cost of goods sold	\$ (3.4) \$ 3.2
Interest rate contracts	(0.6)	(0.2)	Interest expense	(1.9) (1.2)
Total	\$ (12.9)	\$ 8.7		\$ (5.3) \$ 2.0

There was no ineffective portion of hedges designated as cash flow hedging instruments during the thirteen weeks ended May 4, 2014 and May 5, 2013.

A net loss in AOCI on foreign currency forward exchange contracts at May 4, 2014 of \$13.9 million is estimated to be reclassified in the next 12 months in the Consolidated Income Statements to costs of goods sold as the underlying inventory is purchased and sold. In addition, a net loss in AOCI for interest rate contracts at May 4, 2014 of \$5.3 million is estimated to be reclassified to interest expense within the next 12 months.

The following table summarizes the effect of the Company's foreign currency forward exchange undesignated contracts:

(In millions)	Location	(Loss) Gain Recognized in Income	
		5/4/14	5/5/13
Thirteen Weeks Ended			
Foreign currency forward exchange contracts (inventory purchases)	Selling, general and administrative expenses	\$ —	\$ (0.3)
Foreign currency forward exchange contracts (intercompany loans)	Selling, general and administrative expenses	(2.1)	0.2

The Company had no derivative financial instruments with credit risk related contingent features underlying the related contracts as of May 4, 2014.

11. FAIR VALUE MEASUREMENTS

FASB guidance for fair value measurements defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It also establishes a three level hierarchy that prioritizes the inputs used to measure fair value. The three levels of the hierarchy are defined as follows:

Level 1 – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2 – Observable inputs other than quoted prices included in Level 1, including quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs derived principally from or corroborated by observable market data.

Level 3 – Unobservable inputs reflecting the Company's own assumptions about the inputs that market participants would use in pricing the asset or liability based on the best information available.

In accordance with the fair value hierarchy described above, the following table shows the fair value of the Company's financial assets and liabilities that are required to be remeasured at fair value on a recurring basis:

(In millions)	5/4/14				2/2/14				5/5/13			
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total
Assets:												
Foreign currency forward exchange contracts	N/A	\$ 1.6	N/A	\$ 1.6	N/A	\$ 5.8	N/A	\$ 5.8	N/A	\$ 1.9	N/A	\$ 1.9
Interest rate contracts	N/A	2.6	N/A	2.6	N/A	2.2	N/A	2.2	N/A	N/A	N/A	N/A
Total Assets	N/A	\$ 4.2	N/A	\$ 4.2	N/A	\$ 8.0	N/A	\$ 8.0	N/A	\$ 1.9	N/A	\$ 1.9
Liabilities:												
Foreign currency forward exchange contracts	N/A	\$ 14.3	N/A	\$ 14.3	N/A	\$ 6.2	N/A	\$ 6.2	N/A	\$ 4.3	N/A	\$ 4.3
Interest rate contracts	N/A	5.9	N/A	5.9	N/A	6.8	N/A	6.8	N/A	4.1	N/A	4.1
Contingent purchase price payments related to reacquisition of the perpetual rights to the <i>Tommy Hilfiger</i> trademarks in India	N/A	N/A	\$ 5.4	5.4	N/A	N/A	\$ 4.2	4.2	N/A	N/A	\$ 7.2	7.2
Total Liabilities	N/A	\$ 20.2	\$ 5.4	\$ 25.6	N/A	\$ 13.0	\$ 4.2	\$ 17.2	N/A	\$ 8.4	\$ 7.2	\$ 15.6

The fair value of the foreign currency forward exchange contracts is measured as the total amount of currency to be purchased, multiplied by the difference between (i) the forward rate as of the period end and (ii) the settlement rate specified in each contract. The fair values of the interest rate contracts are based on observable interest rate yield curves and represent the expected discounted cash flows underlying the financial instruments.

Pursuant to the agreement governing the reacquisition of the rights in India to the *Tommy Hilfiger* trademarks, the Company is required to make annual contingent purchase price payments into 2016 (or, under certain circumstances, into 2017) based on a percentage of annual sales in excess of an agreed upon threshold of *Tommy Hilfiger* products in India. Such payments are subject to a \$25.0 million aggregate maximum and are due within 60 days following each one-year period. The Company made annual contingent purchase price payments of \$0.4 million and \$0.1 million during 2013 and 2012, respectively. The Company is required to remeasure this liability at fair value on a recurring basis and classifies this as a Level 3 measurement. The fair value of such liability was determined using the discounted cash flow method, based on net sales projections for the *Tommy Hilfiger* apparel and accessories businesses in India, and was discounted using rates of return that account for the relative risks of the estimated future cash flows. Excluding the initial recognition of the liability for the contingent purchase price payments and the payments made to reduce the liability, changes in the fair value are included within selling, general and administrative expenses.

The following table presents the change in the Level 3 contingent purchase price payment liability during the thirteen weeks ended May 4, 2014 and May 5, 2013:

(In millions)	Thirteen Weeks Ended	
	5/4/14	5/5/13
Beginning Balance	\$ 4.2	\$ 7.0
Payments	—	—
Adjustments included in earnings	1.2	0.2
Ending Balance	\$ 5.4	\$ 7.2

Additional information with respect to assumptions used to value the contingent purchase price payment liability as of May 4, 2014 is as follows:

Unobservable Inputs	Amount
Approximate compounded annual net sales growth rate	38.0%
Approximate discount rate	15.0%

A five percentage point increase or decrease in the discount rate would change the liability by approximately \$0.5 million.

A five percentage point increase or decrease in the compounded annual net sales growth rate would change the liability by approximately \$0.5 million.

There were no transfers between any levels of the fair value hierarchy for any of the Company's fair value measurements.

There were no non-financial assets or liabilities that were required to be remeasured at fair value on a non-recurring basis during the thirteen weeks ended May 4, 2014 or May 5, 2013.

The carrying amounts and the fair values of the Company's cash and cash equivalents, short-term borrowings and long-term debt as of May 4, 2014, February 2, 2014 and May 5, 2013 were as follows:

(In millions)	5/4/14		2/2/14		5/5/13	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Cash and cash equivalents	\$ 513.0	\$ 513.0	\$ 593.2	\$ 593.2	\$ 746.3	\$ 746.3
Short-term borrowings	144.8	144.8	6.8	6.8	14.7	14.7
Long-term debt (including portion classified as current)	3,961.3	3,987.3	3,963.2	4,025.3	4,461.1	4,624.8

The fair values of cash and cash equivalents and short-term borrowings approximate their carrying values due to the short-term nature of these instruments. The Company estimates the fair value of its long-term debt using quoted market prices as of the last business day of the applicable quarter. The Company classifies the measurement of its long-term debt as a Level 1 measurement.

12. STOCK-BASED COMPENSATION

The Company grants stock-based awards under its 2006 Stock Incentive Plan (the "2006 Plan"). The 2006 Plan replaced the Company's 2003 Stock Option Plan (the "2003 Plan") and certain other prior stock option plans. The 2003 Plan and these other plans terminated upon the 2006 Plan's initial stockholder approval in June 2006, other than with respect to outstanding options, which continued to be governed by the applicable prior plan. Only awards under the 2003 Plan continue to be outstanding insofar as these prior plans are concerned. Shares issued as a result of stock-based compensation transactions generally have been funded with the issuance of new shares of the Company's common stock.

The Company may grant the following types of incentive awards under the 2006 Plan: (i) non-qualified stock options ("NQs"); (ii) incentive stock options ("ISOs"); (iii) stock appreciation rights; (iv) restricted stock; (v) restricted stock units ("RSUs"); (vi) performance shares; and (vii) other stock-based awards. Each award granted under the 2006 Plan is subject to an award agreement that incorporates, as applicable, the exercise price, the term of the award, the periods of restriction, the number of shares to which the award pertains, applicable performance period(s) and performance measure(s), and such other terms and conditions as the plan committee determines.

Through May 4, 2014, the Company has granted under the 2006 Plan: (i) service-based NQs, RSUs and restricted stock; (ii) contingently issuable performance share units; and (iii) RSUs that are intended to satisfy the performance-based condition for deductibility under Section 162(m) of the Internal Revenue Code. According to the terms of the 2006 Plan, for purposes of determining the number of shares available for grant, with the exception of the Warnaco employee replacement awards discussed below, each share underlying a stock option award reduces the number available by one share, each share underlying

a restricted stock award reduces the number available by two shares and each share underlying an RSU or performance share unit award reduces the number available by three shares for awards made before April 29, 2009 and by two shares for awards made on or after April 29, 2009. Each share underlying a Warnaco employee replacement stock option, restricted stock, RSU or performance share unit award reduces the number available by one share. The per share exercise price of options granted under the 2006 Plan cannot be less than the closing price of the common stock on the date of grant (the business day prior to the date of grant for awards granted prior to September 21, 2006).

The Company currently has service-based NQs and ISOs outstanding under the 2003 Plan. Such options were granted with an exercise price equal to the closing price of the Company's common stock on the business day immediately preceding the date of grant.

Under the terms of the merger agreement in connection with the Warnaco acquisition, each outstanding award of Warnaco stock options, restricted stock and restricted stock units was assumed by the Company in 2013 and converted into an award of the same type, and subject to the same terms and conditions, but payable in shares of Company common stock. The replacement stock options are generally exercisable in three equal annual installments commencing one year after the date of original grant and the replacement RSUs and restricted stock awards generally vest three years after the date of original grant, principally on a cliff basis. The Company accounted for the replacement awards as a modification of the existing awards. As such, a new fair value was assigned to the awards, a portion of which is included as part of the merger consideration. The merger consideration of \$39.8 million was determined by multiplying the estimated fair value of the Warnaco awards outstanding at the effective time of the Warnaco acquisition, net of the estimated value of awards to be forfeited, by the proportionate amount of the vesting period that had lapsed as of the acquisition date. The remaining fair value, net of estimated forfeitures, is being expensed on a straight-line basis over the awards' remaining vesting periods.

Net income (loss) for the thirteen weeks ended May 4, 2014 and May 5, 2013 included \$11.7 million and \$18.9 million, respectively, of pre-tax expense related to stock-based compensation.

Stock options currently outstanding, with the exception of the Warnaco employee replacement awards discussed above, are generally cumulatively exercisable in four equal annual installments commencing one year after the date of grant. The vesting of such options outstanding is also generally accelerated upon retirement (as defined in the applicable plan). Such options are generally granted with a 10-year term.

The Company estimates the fair value of stock options granted at the date of grant using the Black-Scholes-Merton model. The estimated fair value of the options, net of estimated forfeitures, is expensed on a straight-line basis over the options' vesting periods.

The following summarizes the assumptions used to estimate the fair value of service-based stock options granted during the thirteen weeks ended May 4, 2014 and May 5, 2013 (with the exception of the Warnaco employee replacement stock options):

	Thirteen Weeks Ended	
	5/4/14	5/5/13
Weighted average risk-free interest rate	2.16%	0.95%
Weighted average expected option term (in years)	6.25	6.25
Weighted average Company volatility	44.14%	45.13%
Expected annual dividends per share	\$ 0.15	\$ 0.15
Weighted average grant date fair value per option	\$ 56.36	\$ 50.44

The risk-free interest rate is based on United States Treasury yields in effect at the date of grant for periods corresponding to the expected option term. The expected option term represents the weighted average period of time that options granted are expected to be outstanding, based on vesting schedules and the contractual term of the options. Company volatility is based on the historical volatility of the Company's common stock over a period of time corresponding to the expected option term. Expected dividends are based on the Company's common stock cash dividend rate at the date of grant.

The Company has continued to utilize the simplified method to estimate the expected term for its "plain vanilla" stock options granted due to a lack of relevant historical data resulting, in part, from changes in the pool of employees receiving option grants, mainly due to acquisitions. The Company will continue to evaluate the appropriateness of utilizing such method.

The following summarizes the assumptions used to estimate the fair value of the Warnaco employee stock options that were replaced on February 13, 2013:

Weighted average risk-free interest rate		0.24%
Weighted average expected option term (in years)		1.70
Weighted average Company volatility		29.40%
Expected annual dividends per share	\$	0.15
Weighted average grant date fair value per option	\$	40.60

Service-based stock option activity for the thirteen weeks ended May 4, 2014 was as follows:

(In thousands, except per option data)	Options	Weighted Average Exercise Price Per Option
Outstanding at February 2, 2014	1,588	\$ 58.47
Granted	134	124.54
Exercised	89	52.38
Cancelled	3	49.85
Outstanding at May 4, 2014	1,630	\$ 64.26
Exercisable at May 4, 2014	1,067	\$ 50.56

RSUs granted to employees, with the exception of the Warnaco employee replacement awards, generally vest in three annual installments of 25%, 25% and 50% commencing two years after the date of grant. Service-based RSUs granted to non-employee directors vest in four equal annual installments commencing one year after the date of grant for awards granted prior to 2010 and vest in full one year after the date of grant for awards granted during or after 2010. The underlying RSU award agreements (excluding agreements for non-employee director awards made during or after 2010) generally provide for accelerated vesting upon the award recipient's retirement (as defined in the 2006 Plan). The fair value of service-based RSUs, with the exception of the Warnaco employee replacement awards, is equal to the closing price of the Company's common stock on the date of grant and is expensed, net of estimated forfeitures, on a straight-line basis over the RSUs' vesting periods.

RSU activity for the thirteen weeks ended May 4, 2014 was as follows:

(In thousands, except per RSU data)	RSUs	Weighted Average Grant Date Fair Value Per RSU
Non-vested at February 2, 2014	702	\$ 89.06
Granted	209	125.20
Vested	139	83.85
Cancelled	10	98.77
Non-vested at May 4, 2014	762	\$ 99.80

The Company's restricted stock awards consist solely of awards to Warnaco employees that were replaced with the Company's restricted stock as of the effective time of the acquisition. The fair value of restricted stock with respect to awards for which the vesting period had not lapsed as of the acquisition date was equal to the closing price of the Company's common stock on February 12, 2013 and is expensed, net of forfeitures, on a straight-line basis over the vesting period.

Restricted stock activity for the thirteen weeks ended May 4, 2014 was as follows:

(In thousands, except per share data)	Restricted Stock	Weighted Average Grant Date Fair Value Per Share
Non-vested at February 2, 2014	46	\$ 120.72
Granted	—	—
Vested	19	120.72
Cancelled	1	120.72
Non-vested at May 4, 2014	26	\$ 120.72

The Company granted contingently issuable performance share units to certain of the Company's senior executives during the first quarter of each of 2012, 2013 and 2014 subject to a performance period of two years and a service period of one year beyond the performance period. The Company granted contingently issuable performance share units to certain of the Company's executives during the second quarter of 2013 subject to a performance period of three years. For the awards granted in the second quarter of 2013, the final number of shares that will be earned, if any, is contingent upon the Company's achievement of goals for the performance period, of which 50 percent is based upon the Company's absolute stock price growth during the performance period and 50 percent is based upon the Company's total shareholder return during the performance period relative to other companies included in the S&P 500 as of the date of grant. For the awards granted in the first quarter of each 2013 and 2014, the final number of shares that will be earned, if any, is contingent upon the Company's achievement of goals for the performance periods based on earnings per share growth during the applicable performance cycle. For the awards granted in the first quarter of 2012, the two year performance period has ended and the final number of shares, as determined based on both earnings per share growth and return on equity during the performance period, will vest following the additional one year service period.

For the contingently issuable performance share units granted during the first quarter of each 2012, 2013 and 2014, the Company records expense ratably over each applicable vesting period based on fair value and the Company's current expectations of the probable number of shares that will ultimately be issued. The fair value of these contingently issuable performance share units is equal to the closing price of the Company's common stock on the date of grant, reduced for the present value of any dividends expected to be paid on the Company's common stock during the performance cycle, as these contingently issuable performance share units do not accrue dividends prior to the completion of the performance cycle.

For the contingently issuable performance share units granted during the second quarter of 2013, because the awards are subject to market conditions, the Company records expense ratably over the vesting period, net of estimated forfeitures, regardless of whether the market condition is satisfied.

Performance share activity for the thirteen weeks ended May 4, 2014 was as follows:

(In thousands, except per share data)	Performance Shares	Weighted Average Grant Date Fair Value Per Share
Non-vested at February 2, 2014	548	\$ 118.60
Granted	83	125.15
Vested	—	—
Cancelled	4	123.27
Non-vested at May 4, 2014	627	\$ 119.44

The Company receives a tax deduction for certain transactions associated with its stock plan awards. The actual income tax benefits realized from these transactions for the thirteen weeks ended May 4, 2014 and May 5, 2013 were \$8.3 million and \$39.8 million, respectively. Of those amounts, \$3.1 million and \$14.8 million, respectively, were reported as excess tax benefits. Excess tax benefits arise when the actual tax benefit resulting from a stock plan award transaction exceeds the tax benefit associated with the grant date fair value of the related stock award. The Company recognizes these excess tax benefits in additional paid in capital only if an incremental tax benefit would be realized after considering all other tax benefits presently available to the Company.

14. STOCKHOLDERS' EQUITY

Common Stock Issuance

On February 13, 2013, the Company issued 7.7 million shares of its common stock, par value \$1.00 per share, as part of the consideration paid to the former stockholders of Warnaco in connection with the acquisition.

15. ACTIVITY EXIT COSTS

Warnaco Integration Costs

In connection with the Company's acquisition of Warnaco during the first quarter of 2013 and the related integration, the Company incurred certain costs related to severance and termination benefits, inventory liquidations and lease/contract terminations. Such costs were as follows:

(In millions)	Total Expected to be Incurred	Incurred During the Thirteen Weeks Ended 5/4/14	Cumulative Incurred To Date
Severance, termination benefits and other costs	\$ 170.0	\$ 7.4	\$ 138.9
Inventory liquidation costs	36.1	1.0	36.1
Lease/contract termination and related costs	70.0	6.4	48.4
Total	\$ 276.1	\$ 14.8	\$ 223.4

Of the charges for severance, termination benefits and lease/contract termination and other costs incurred during the thirteen weeks ended May 4, 2014, \$2.9 million relate to selling, general and administrative expenses of the Calvin Klein North America segment, \$6.5 million relate to selling, general and administrative expenses of the Calvin Klein International segment, \$3.6 million relate to selling, general and administrative expenses of the Heritage Brands Wholesale segment and \$0.8 million relate to corporate expenses not allocated to any reportable segment. Inventory liquidation costs incurred during the thirteen weeks ended May 4, 2014 were included in gross margin of the Company's Calvin Klein North America segment (see Note 18, "Segment Data").

The liabilities at May 4, 2014 related to these costs were principally recorded in accrued expenses in the Company's Consolidated Balance Sheets and were as follows:

(In millions)	Liability at 2/4/14	Costs Incurred During the Thirteen Weeks Ended 5/4/14	Costs Paid During the Thirteen Weeks Ended 5/4/14	Liability at 5/4/14
Severance, termination benefits and other costs	\$ 33.6	\$ 7.4	\$ 14.4	\$ 26.6
Lease/contract termination and related costs	15.3	6.4	13.5	8.2
Total	\$ 48.9	\$ 13.8	\$ 27.9	\$ 34.8

The remaining charges for severance and termination benefits and lease/contract termination and other costs expected to be incurred relate principally to the aforementioned segments and corporate expenses not allocated to any reportable segment. Please see Note 18, "Segment Data."

16. NET INCOME (LOSS) PER COMMON SHARE

The Company computed its basic and diluted net income (loss) per common share as follows:

(In millions, except per share data)	Thirteen Weeks Ended	
	5/4/14	5/5/13
Net income (loss) attributable to PVH Corp.	\$ 35.3	\$ (10.3)

Weighted average potentially dilutive securities	0.3	3.7

Contingently issuable shares that have not met the necessary conditions as of the end of a reporting period are not included in the calculation of diluted net income per common share for that period. The Company had contingently issuable awards outstanding that did not meet the performance conditions as of May 4, 2014 and May 5, 2013 and, therefore, were excluded from the calculation of diluted net income (loss) per common share for the thirteen weeks ended May 4, 2014 and May 5, 2013. The maximum number of potentially dilutive shares that could be issued upon vesting for such awards was 0.8 million and 0.2 million as of May 4, 2014 and May 5, 2013, respectively. These amounts were also excluded from the computation of weighted average potentially dilutive securities in the table above.

17. NONCASH INVESTING AND FINANCING TRANSACTIONS

During the thirteen weeks ended May 4, 2014 and May 5, 2013, the Company recorded increases to goodwill of \$11.2 million and \$12.8 million, respectively, related to liabilities incurred for contingent purchase price payments to Mr. Calvin Klein. Such amounts are not due or paid in cash until 45 days subsequent to the Company's applicable quarter end. As such, during the thirteen weeks ended May 4, 2014 and May 5, 2013, the Company paid \$11.6 million and \$14.2 million, respectively, in cash related to contingent purchase price payments to Mr. Calvin Klein that were recorded as additions to goodwill during the periods the liabilities were incurred.

During the first quarter of 2014, the Company recorded a loss of \$17.5 million to write-off previously capitalized debt issuance costs in connection with the amendment and restatement of the 2013 Facilities and redemption of its 7 3/8% senior notes due 2020.

During the first quarter of 2013, the Company recorded a loss of \$5.8 million to write-off previously capitalized debt issuance costs in connection with the modification and extinguishment of the 2011 Facilities.

During the first quarter of 2013, the Company issued 7.7 million shares of its common stock, par value \$1.00 per share (of which 416 thousand shares were issued from treasury stock) as part of the consideration paid to the former stockholders of Warnaco in connection with the acquisition, which resulted in an increase in common stock of \$7.3 million, an increase in additional paid in capital of \$888.9 million and a decrease in treasury stock of \$30.3 million. In addition, the Company issued awards valued at \$39.8 million to replace outstanding stock awards made by Warnaco to its employees, which for accounting purposes are included in the total acquisition consideration. Also included in the acquisition consideration was the elimination of a \$9.2 million pre-acquisition liability to Warnaco.

Omitted from purchases of property, plant and equipment in the Consolidated Statement of Cash Flows for the thirteen weeks ended May 4, 2014 and May 5, 2013 are \$1.8 million and \$2.6 million, respectively, of assets acquired through capital leases.

Omitted from investments in unconsolidated affiliates in the Consolidated Statement of Cash Flows for the thirteen weeks ended May 4, 2014 are noncash increases in the investment balances related to the Company's Calvin Klein Australia joint venture and Calvin Klein India joint venture of \$3.7 million and \$6.2 million, respectively, resulting from the deconsolidation of these entities. Please see Note 4, "Investments in Unconsolidated Affiliates" and Note 5, "Redeemable Non-Controlling Interest," for a further discussion.

Such markup percentage on ending inventory is eliminated principally in the Heritage Brands Retail segment and the Calvin Klein North America segment.

19. GUARANTEES

The Company guaranteed to a landlord the payment of rent and related costs by the tenant currently occupying space previously leased by the Company. The maximum amount guaranteed as of May 4, 2014 is approximately \$4.1 million, which is subject to exchange rate fluctuation. The Company has the right to seek recourse of approximately \$2.5 million as of May 4,

2014, which is subject to exchange rate fluctuation. The guarantee expires on May 19, 2016. The estimated fair value of this guarantee obligation was immaterial as of May 4, 2014.

In connection with the sale of substantially all of the assets of Company's Bass business in the fourth quarter of 2013, the Company guaranteed lease payments for substantially all Bass retail stores included in the sale pursuant to the terms of noncancelable leases expiring on various dates through 2022. These guarantees include minimum rent payments and relate to leases that commenced prior to the sale of the Bass assets. In certain instances, the Company's guarantee may remain in effect if an option is exercised to extend the term of the lease. The maximum amount guaranteed as of May 4, 2014 is \$72.8 million and the Company has the right to seek recourse from the buyer of the Bass assets for the full amount. The estimated fair value of these guarantee obligations as of May 4, 2014 is \$3.8 million, which is included in accrued expenses and other liabilities in the Company's Consolidated Balance Sheet.

The Company has certain other guarantees whereby it guaranteed the payment of amounts on behalf of certain other parties, none of which are material individually or in the aggregate.

20. RECENT ACCOUNTING GUIDANCE

The FASB issued in March 2013 guidance that requires an entity to release any related cumulative translation adjustment into net income when it ceases to have a controlling financial interest in a subsidiary that is a foreign entity if the sale or transfer results in the complete or substantially complete liquidation of the foreign entity. For an equity method investment that is a foreign entity, a pro rata portion of the cumulative translation adjustment related to the investment should be released into net income upon a partial sale of such investment. This guidance became effective for the Company in the first quarter of 2014. The adoption did not have a material impact on the Company's consolidated results of operations or financial position.

The FASB issued in July 2013 guidance that requires an entity to present an uncertain tax position, or a portion of an uncertain tax position, in the financial statements as a reduction to a deferred tax asset for a net operating loss carryforward, a similar tax loss or a tax credit carryforward. However, to the extent (i) a net operating loss carryforward, a similar tax loss or a tax credit carryforward is not available at the reporting date under the tax law of the applicable jurisdiction to settle any additional income taxes that would result from the disallowance of a tax position or (ii) the tax law of the applicable jurisdiction does not require the entity to use, and the entity does not intend to use, the deferred tax asset for such purpose, the uncertain tax position should be presented in the financial statements as a liability and should not be combined with deferred tax assets. This guidance became effective prospectively for the Company in the first quarter of 2014. The adoption did not have any impact on the Company's consolidated results of operations or financial position.

The FASB issued in April 2014 guidance that revises the criteria for reporting discontinued operations. The guidance requires that a disposal of a component of an entity or group of components of an entity be reported as discontinued operations if such disposal represents a strategic shift that has or will have a major effect on an entity's operations and financial results. The guidance also requires additional disclosures for both discontinued operations and disposals of significant components of an entity that do not qualify as discontinued operations. This guidance is effective for the Company in the first quarter of 2015. The adoption is not expected to have a material impact on the Company's consolidated results of operations or financial position.

The FASB issued in May 2014 guidance that supersedes most of the current revenue recognition requirements. The core principle of the new guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. New disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers are also required. This guidance is effective for the Company in the first quarter of 2017 and early application is not permitted. Entities must adopt the new guidance using one of two retrospective application methods. The Company is currently evaluating the standard to determine the impact of its adoption on the consolidated financial statements.

ITEM 2 - MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

We aggregate our reporting segments into three main businesses: (i) Calvin Klein, which consists of the businesses we operate under our *Calvin Klein* trademarks; (ii) Tommy Hilfiger, which consists of the businesses we operate under our *Tommy Hilfiger* trademarks; and (iii) Heritage Brands, which consists of the businesses we operate under our *Van Heusen*, *IZOD*, *ARROW*, *Warner's* and *Olga* trademarks, the *Speedo* trademark we license in perpetuity, and other owned and licensed trademarks. References to the sale of Bass refer to the sale of our G.H. Bass & Co. division and its trademarks, which we refer to collectively as "Bass," on November 4, 2013, the first day of the fourth quarter of 2013.

References to the acquisition of Warnaco refer to our February 13, 2013 acquisition of The Warnaco Group, Inc. and its subsidiaries, which we refer to collectively as "Warnaco."

OVERVIEW

The following discussion and analysis is intended to help you understand us, our operations and our financial performance. It should be read in conjunction with our consolidated financial statements and the accompanying notes, which are included in the immediately preceding item of this report.

We are one of the largest branded apparel companies in the world, with a heritage dating back over 130 years. Our brand portfolio consists of nationally and internationally recognized brand names, including *Calvin Klein*, *Tommy Hilfiger*, *Van Heusen*, *IZOD*, *ARROW*, *Speedo* (licensed for North America in perpetuity from Speedo International, Ltd.), *Warner's* and *Olga*. In addition, through the end of the third quarter of 2013, we owned, and operated businesses under, the *G.H. Bass & Co.* and *Bass* trademarks. We also license brands from third parties primarily for use on dress shirts, neckwear and underwear offered in the United States and Canada.

We acquired Warnaco on February 13, 2013, and, with it, acquired the global Calvin Klein Jeans and Calvin Klein Underwear businesses and the Core Intimates (Warner's and Olga) and Speedo businesses, which operate primarily in North America. Prior to the acquisition, Warnaco was our largest Calvin Klein licensee. Our total consideration for the acquisition was \$3.137 billion, consisting of \$2.180 billion paid in cash, the issuance of approximately 8 million shares of our common stock (valued at \$926 million), the issuance of stock awards valued at \$40 million to replace outstanding stock awards made by Warnaco to its employees and the elimination of a \$9 million pre-acquisition liability to Warnaco. We funded the cash portion and related costs of the acquisition, repaid all outstanding borrowings under our previously outstanding senior secured credit facilities and repaid all of Warnaco's previously outstanding long-term debt with the net proceeds of (i) an offering during the fourth quarter of 2012 of \$700 million of 4 1/2% senior notes due 2022; and (ii) \$3.075 billion of term loans borrowed during the first quarter of 2013 under new senior secured credit facilities. These items are more fully described in the section entitled "Liquidity and Capital Resources" below.

Our business strategy is to manage and market a portfolio of nationally and internationally recognized apparel and lifestyle brands at multiple price points and across multiple channels of distribution. We believe this approach reduces our reliance on any one demographic group, merchandise preference, distribution channel or geographic region. Our acquisition of Warnaco is consistent with this strategy, as it gave us direct global control of the brand image and commercial operations for the two largest *Calvin Klein* apparel categories — jeanswear and underwear. With these categories under our ownership, our teams have taken steps to strengthen management, improve operations, unify brand messaging, and coordinate and improve design, merchandising, retail distribution and marketing functions on a regional and global basis. We believe that these steps will strengthen *Calvin Klein's* image, positioning and execution across all markets to drive sustainable growth. The Warnaco acquisition also provides a broader global platform for both the Calvin Klein and Tommy Hilfiger businesses and has enabled us to continue to transform from a primarily North American multi-brand business with strong European Tommy Hilfiger operations, to a more diversified, global organization. We intend to take advantage of our and Warnaco's complementary geographic operations; Warnaco's operations in Asia and Brazil should enhance our opportunities in those high-growth regions, and we will have the opportunity to leverage our expertise and infrastructure in North America and Europe to enhance the growth and profitability of the Calvin Klein Jeans and Calvin Klein Underwear businesses in those regions. The acquisition also added the *Speedo*, *Warner's* and *Olga* brands to our Heritage Brands portfolio. Like our other Heritage Brands businesses, these businesses are replenishment-based and generally provide consistent profitability and strong cash flows. With a diversified brand portfolio and strong operations in every major consumer market around the world, we believe the acquisition

made our business better balanced across geographies, channels of distribution, product categories and price points, and expanded our opportunity to realize revenue growth and enhanced profitability. We remain on track to achieve synergies created through the acquisition, principally with respect to certain corporate functions and duplicative brand management functions in North America and Europe. Additionally, in order to focus on our core competencies in apparel and continue to grow the *Calvin Klein* and *Tommy Hilfiger* brands globally, we sold substantially all of the assets of our Bass division on November 4, 2013. The sale enables us to further invest in our more profitable apparel businesses, while also reducing sales and earnings volatility.

OPERATIONS OVERVIEW

We generate net sales from (i) the wholesale distribution to retailers, franchisees, licensees and distributors of men's dress shirts, neckwear and underwear, men's and women's jeanswear, sportswear, intimate apparel, swim products, footwear, accessories and related products under owned and licensed trademarks; and (ii) the sale through approximately 1,900 company-operated free-standing retail store locations worldwide under our *Calvin Klein*, *Tommy Hilfiger*, *Van Heusen* and *IZOD* trademarks, and approximately 900 company-operated concessions/shop-in-shops worldwide under our *Calvin Klein* and *Tommy Hilfiger* trademarks, of apparel, footwear, accessories and other products. We also operated *G.H. Bass & Co.* stores through the end of the third quarter of 2013, at which time we sold substantially all of the assets of our Bass business. We also generate royalty, advertising and other revenue from fees for licensing the use of our trademarks.

We recorded pre-tax charges in the thirteen weeks ended May 4, 2014 and May 5, 2013 in connection with the Warnaco acquisition, integration and restructuring that totaled \$33 million and \$183 million, respectively. The amounts incurred in 2013 included non cash charges of \$115 million, principally related to short-lived valuation adjustments. We also recorded pre-tax debt modification and extinguishment charges in the thirteen weeks ended May 4, 2014 and May 5, 2013 that totaled \$93 million and \$40 million, respectively. We recorded a net gain of \$8 million in the thirteen weeks ended May 4, 2014 resulting from the deconsolidation of certain Calvin Klein subsidiaries in Australia and our previously consolidated Calvin Klein joint venture in India. We expect to incur additional net pre-tax charges of approximately \$75 million during the remainder of 2014 in connection with the Warnaco integration and related restructuring. Our future results of operations will continue to be significantly impacted by the Warnaco acquisition, particularly through the operations of the Calvin Klein business and through the changes in our capital structure that were necessary to complete the acquisition, as more fully discussed below.

SEASONALITY

Our business generally follows a seasonal pattern. Our wholesale businesses tend to generate higher levels of sales in the first and third quarters, while our retail businesses tend to generate higher levels of sales in the fourth quarter. Royalty, advertising and other revenue tends to be earned somewhat evenly throughout the year, although the third quarter has the highest level of royalty revenue due to higher sales by licensees in advance of the holiday selling season. We expect this seasonal pattern will generally continue.

Due to the above factors, our operating results for the thirteen weeks ended May 4, 2014 are not necessarily indicative of those for a full fiscal year.

RESULTS OF OPERATIONS

Thirteen Weeks Ended May 4, 2014 Compared With Thirteen Weeks Ended May 5, 2013

Total Revenue

Net sales in the first quarter of 2014 were \$1.871 billion as compared to \$1.823 billion in the first quarter of the prior year. The increase in net sales of \$48 million was due principally to the net effect of the following items:

- The aggregate addition of \$53 million of net sales in our Calvin Klein North America and Calvin Klein International segments. Net sales for the North America business increased 3%, driven by (i) the ten additional days of operations in 2014 of the Calvin Klein businesses that we acquired, as the Warnaco acquisition closed on February 13, 2013; and (ii) modest growth in both the wholesale and retail businesses. Calvin Klein North America retail comparable store sales were flat, as unseasonably cold weather across North America negatively impacted most businesses. The Calvin Klein international business, which is principally comprised of the Asia, Europe and Brazil businesses acquired with Warnaco, posted a combined net sales increase of 18%, of which 5% was due principally to growth in Asia and the extra ten days in the first quarter of 2014 as compared to the prior year, and 13% was due to the absence in 2014 of \$30 million of sales returns recorded in 2013 for certain wholesale customers in the acquired Asia business in

connection with an initiative to reduce excess inventory levels. International comparable store sales declined 5%, primarily driven by the ongoing transitioning of the Europe jeanswear business and the absence of the Chinese New Year holiday in the first fiscal quarter of 2014. The jeanswear business in Europe remained under pressure due to the business' concentration in Italy, where the economic environment remains weak, combined with our initiative to restructure the sales distribution mix.

- The aggregate addition of \$49 million of net sales attributable to growth in our Tommy Hilfiger North America and Tommy Hilfiger International segments. Net sales in the Tommy Hilfiger North America business increased 5%, despite the negative impact of unseasonably cold weather, due principally to low single-digit wholesale growth, 2% retail comparable store sales growth and retail square footage expansion. Net sales in the Tommy Hilfiger International business increased 7% over the prior year, driven by comparable store sales growth of 6% in Europe and square footage expansion in our own retail stores. Also contributing to the revenue growth was the positive impact of foreign currency translation resulting from a stronger Euro in the first quarter of 2014 as compared with the prior year period.
- The aggregate reduction of \$54 million of net sales in our Heritage Brands Wholesale and Heritage Brands Retail segments. Of the \$54 million decrease, approximately \$47 million, or 9%, was due to the loss of revenue related to the exited Bass business. Sales for the ongoing Heritage Brands businesses decreased 2%, driven principally by a reduction in our Izod and Van Heusen retail businesses, as relatively flat sales in the wholesale business were more than offset by an 11% decline in retail comparable store sales. All businesses were negatively impacted by the unseasonably cold weather during the first quarter of 2014.

Royalty, advertising and other revenue in the first quarter of 2014 increased to \$92 million from \$87 million in the prior year's first quarter. Calvin Klein royalty revenue in the first quarter increased 3% from the prior year amount, primarily driven by strength in women's apparel and handbags. Offsetting the strength in these product categories was a decline of 10% due to the absence of royalty revenue from Warnaco in the current year, as the prior year's first quarter included royalty revenue from Warnaco for the ten days prior to the acquisition. Tommy Hilfiger royalty revenue increased 10%, driven by strength in China and Latin America and growth in the footwear and eyewear categories.

Revenue for the full year 2014 is currently projected to increase 3% to approximately \$8.5 billion, inclusive of a negative impact of \$176 million, or 2%, attributable to the exited Bass business. It is currently projected that revenue for the Tommy Hilfiger business in 2014 will increase approximately 7%. Revenue for the Calvin Klein business in 2014 is currently expected to increase approximately 4%. Revenue for the ongoing Heritage Brands business in 2014 is currently projected to increase approximately 4%. Including the negative impact related to the exited Bass business, revenue for the Heritage Brands business is currently projected to decrease approximately 6%.

Gross Profit on Total Revenue

Gross profit on total revenue is calculated as total revenue less cost of goods sold. Included as cost of goods sold are costs associated with the production and procurement of product, including inbound freight costs, purchasing and receiving costs, inspection costs and other product procurement related charges. All of our royalty, advertising and other revenue is included in gross profit because there is no cost of goods sold associated with such revenue. As a result, our gross profit may not be comparable to that of other entities.

Gross profit on total revenue in the first quarter of 2014 was \$1,033 million, or 52.6% of total revenue, compared with \$952 million, or 49.8% of total revenue in the first quarter of the prior year. Of this 280 basis point increase, 250 basis points was due to the absence in 2014 of short-lived non cash valuation adjustments recorded in connection with the Warnaco acquisition and returns we recorded in connection with an initiative to reduce excess inventory levels. The remaining increase was due to growth in our higher-margin Tommy Hilfiger and Calvin Klein businesses.

We currently expect that the gross profit percentage on total revenue for the full year 2014 will increase as compared with 2013, for the same reasons as the first quarter increase mentioned above.

Selling, General and Administrative ("SG&A") Expenses

SG&A expenses in the first quarter of 2014 were \$859 million, or 43.7% of total revenue, as compared to \$895 million, or 46.9% of total revenue in the first quarter of the prior year. The 320 basis point decrease in SG&A expenses as a percentage of total revenue was due principally to the following: (i) a 460 basis point reduction due to a decrease as compared to the prior year in Warnaco acquisition, integration and restructuring costs; and (ii) a 50 basis point reduction due to the net gain recorded in the first quarter of 2014 resulting from the deconsolidation of certain Calvin Klein subsidiaries in Australia and our

previously consolidated Calvin Klein joint venture in India, partially offset by (iii) faster growth in the higher-expense Tommy Hilfiger and Calvin Klein businesses and continued strategic investments in our acquired businesses, with a focus on enhancing the existing operating infrastructure, leveraging investments in our people, upgrading the quality and design of the *Calvin Klein* jeans product and elevating the *Calvin Klein* presentation at retail.

We currently expect that our SG&A expenses as a percentage of total revenue for the full year 2014 will decrease from 2013, for principally the same reasons as the first quarter decrease mentioned above. Our SG&A expenses may also be significantly impacted by the amount of expense recorded for our pension plans. Pension expense recorded throughout the year is calculated using actuarial valuations that incorporate assumptions and estimates about financial market, economic and demographic conditions. Differences between estimated and actual results give rise to gains and losses that are recorded immediately in earnings, generally in the fourth quarter of the year, which can create volatility in our operating results.

Equity in Income of Unconsolidated Affiliates, Net

The equity in income of unconsolidated affiliates, net, in the first quarter of 2014 was \$4 million as compared to \$2 million in the first quarter of the prior year. These amounts relate to our share of income from our joint ventures for the *Tommy Hilfiger* brand in China, India and Brazil, as well as the *Calvin Klein* brand in India and Australia (which we began accounting for under the equity method of accounting in the first quarter of 2014 in connection with our deconsolidation of certain subsidiaries), and the *Karl Lagerfeld* brand (in which we acquired an equity interest in April 2014). Please refer to Note 4, "Investments in Unconsolidated Affiliates," and Note 5, "Redeemable Non-Controlling Interest," in the Notes to Consolidated Financial Statements included in Part 1, Item 1 of this report for further discussions.

Debt Modification and Extinguishment Costs

We incurred costs totaling \$93 million during the first quarter of 2014 in connection with the amendment and restatement of our senior secured credit facilities entered into in 2013 and the redemption of our 7 3/8% senior notes due 2020. Please refer to the section entitled "Liquidity and Capital Resources" below for a further discussion.

We incurred costs totaling \$40 million in the first quarter of 2013 related to the modification and extinguishment of previously outstanding term loans and the replacement of such term loans with new senior secured credit facilities entered into in 2013 in connection with the Warnaco acquisition. Please refer to the section entitled "Liquidity and Capital Resources" below for a further discussion.

Interest Expense and Interest Income

Interest expense decreased to \$42 million in the first quarter of 2014 from \$48 million in the first quarter of the prior year due to lower debt levels as compared to the prior year, combined with the effect of the amendment and restatement of our term loans and the redemption of our 7 3/8% senior notes due 2020 early in the first quarter of 2014. Please see the section entitled "Financing Arrangements" within "Liquidity and Capital Resources" below for a further discussion. Interest income for the first quarter of 2014 of \$2 million was flat to the first quarter of 2013.

Net interest expense is expected to be in a range of \$140 million to \$145 million for the full year 2014, due to lower average debt balances and the amendment and restatement of our credit facility and redemption of our 7 3/8% senior notes in the first quarter of 2014. We expect to pay down approximately \$400 million of debt in 2014.

Income Taxes

The effective tax rates for the first quarters of 2014 and 2013 were 19.7% and 62.7%, respectively.

The effective income tax rate for the thirteen weeks ended May 4, 2014 was lower than the United States statutory rate due to the impact of the benefit of lower tax rates in international jurisdictions where we file tax returns.

The effective income tax rate for the thirteen weeks ended May 5, 2013 was higher than the United States statutory rate. Overall lower tax rates in international jurisdictions where we file tax returns were more than offset by certain discrete tax benefits recorded during the quarter. Since we had a pre-tax loss, discrete tax benefits caused the effective tax rate to increase, whereas such benefits will lower the tax rate in periods with pre-tax income.

We currently anticipate that our full year 2014 effective tax rate will be substantially less than the full year 2013 effective tax rate, as we currently do not expect the impact we experienced in 2013 from increasing our estimate for uncertain tax positions

to recur. Such reduction is expected to be partially offset by reduced Warnaco integration and restructuring expenses in 2014, which would increase the proportion of our pre-tax earnings subject to United States tax. Our tax rate is affected by many factors, including the mix of international and domestic pre-tax earnings, discrete events arising from specific transactions, and audits by tax authorities or the receipt of new information, any of which can cause us to change our estimate for uncertain tax positions.

LIQUIDITY AND CAPITAL RESOURCES

Cash Flow Summary

Cash at May 4, 2014 was \$513 million, a reduction of \$80 million as compared to cash at February 2, 2014 of \$593 million. Cash flow for the full year 2014 will be impacted by various factors in addition to those noted below in this “Liquidity and Capital Resources” section, including the amount of debt repayments we make in 2014.

As of May 4, 2014, approximately \$436 million of cash and cash equivalents was held by international subsidiaries whose undistributed earnings are considered permanently reinvested. Our intent is to continue to reinvest these funds in international operations. If management decides at a later date to repatriate these funds to the United States, we would be required to pay taxes on these amounts based on applicable United States tax rates, net of foreign taxes already paid.

Operations

Cash used by operating activities was \$51 million in the thirteen weeks ended May 4, 2014 as compared with \$135 million in the thirteen weeks ended May 5, 2013. The decrease in cash used by operating activities as compared to the prior year was primarily driven by an increase in net income as adjusted for noncash charges in the current year period and the absence of pension contributions in the thirteen weeks ended May 4, 2014, as compared to the \$30 million pension contribution made in the thirteen weeks ended May 5, 2013.

Investments in Unconsolidated Affiliates

During the thirteen weeks ended May 4, 2014, we acquired for \$19 million a 10% economic interest in Karl Lagerfeld B.V., the parent company of the *Karl Lagerfeld* brand.

In 2013, we formed a joint venture, PVH Brands Australia Pty. Limited (“PVH Australia”), in which we own a 50% economic interest. The joint venture licenses from one of our subsidiaries the rights to distribute and sell certain *Calvin Klein* brand products in Australia, New Zealand and other island nations in the South Pacific. As part of the transaction, we contributed to the joint venture on the first day of 2014 our subsidiaries that were operating the Calvin Klein Jeans businesses in Australia and New Zealand. In connection with this contribution, we deconsolidated these subsidiaries and recognized a net gain of \$2 million during the thirteen weeks ended May 4, 2014. We also made a payment of \$7 million to PVH Australia during the thirteen weeks ended May 4, 2014, representing our 50% share of the funding of the joint venture.

As a result of the Warnaco acquisition, we acquired a 51% economic interest in a Calvin Klein joint venture in India, Premium Garments Wholesale Trading Private Limited (“CK India”). The joint venture licenses from one of our subsidiaries the rights to the *Calvin Klein* trademark in India. During the first quarter of 2014, Arvind Limited purchased our prior joint venture partners’ shares in CK India and, as a result of the entry into a shareholder agreement with different governing arrangements between us and the new shareholder as compared to the arrangements with the prior minority shareholders, we no longer hold a controlling interest in the joint venture. The former CK India subsidiary was deconsolidated and we began reporting our 51% interest as an equity method investment in the first quarter of 2014. We recognized a net gain of \$6 million in connection with the deconsolidation of CK India during the thirteen weeks ended May 4, 2014.

Acquisition of Russia Franchisee

During the thirteen weeks ended May 4, 2014, we acquired two *Tommy Hilfiger* stores in Russia from a former *Tommy Hilfiger* franchisee. We paid \$4 million as consideration for this transaction.

Acquisition of Ireland Franchisee

During the thirteen weeks ended May 4, 2014, we acquired six *Tommy Hilfiger* stores in Ireland from a former *Tommy Hilfiger* franchisee. We paid \$3 million as consideration for this transaction.

Acquisition of Warnaco

We completed our acquisition of Warnaco on February 13, 2013. We paid \$2.180 billion in cash and issued approximately 8 million shares of our common stock, valued at \$926 million, as consideration for the acquisition. In addition, we issued replacement stock awards related to employee stock-based compensation grants valued at \$40 million and eliminated a \$9 million pre-acquisition liability to Warnaco, both of which for accounting purposes are included in the total consideration of approximately \$3.137 billion. The value of the replacement stock awards was determined by multiplying the estimated fair value of the Warnaco awards outstanding at the time of the acquisition, reduced by an estimated value of awards to be forfeited, by the proportionate amount of the vesting period that had lapsed as of the acquisition date.

We funded the cash portion and related costs of the acquisition, repaid all outstanding borrowings under our previously outstanding senior secured credit facilities and repaid all of Warnaco's previously outstanding long-term debt with the net proceeds of (i) an offering during the fourth quarter of 2012 of \$700 million of 4 1/2% senior notes due 2022; and (ii) \$3.075 billion of term loans borrowed during the first quarter of 2013 under new senior secured credit facilities. See the discussion in the sections entitled "4 1/2% Senior Notes Due 2022" and "2013 Senior Secured Credit Facilities" below for further detail on these activities.

Sale of Chaps Sportswear Assets

Contemporaneously with our acquisition of Warnaco on February 13, 2013, Ralph Lauren Corporation reacquired the license for *Chaps* men's sportswear that Warnaco held from affiliates of Ralph Lauren Corporation. In connection with this transaction, we sold all of the assets of the *Chaps* sportswear business, which consisted principally of inventory, to Ralph Lauren Corporation for gross proceeds of \$18 million.

Capital Expenditures

Our capital expenditures in the thirteen weeks ended May 4, 2014 were \$51 million compared to \$46 million in the thirteen weeks ended May 5, 2013. We currently expect that capital expenditures will increase for the full year 2014 to approximately \$300 million as compared to \$237 million in 2013, including a shift into 2014 of expenditures originally expected to occur in 2013. The increase in spending from 2013 to 2014 is expected to be primarily driven by investments in the operations we acquired with Warnaco and combining Warnaco's infrastructure with ours, including information systems, logistics and facilities.

Calvin Klein Contingent Purchase Price Payments

In connection with our acquisition of Calvin Klein in 2003, we are obligated to pay Mr. Calvin Klein contingent purchase price payments based on 1.15% of total worldwide net sales (as defined in the agreement governing that acquisition, as amended) of products bearing any of the *Calvin Klein* brands with respect to sales made through February 12, 2018. A significant portion of the sales on which the payments to Mr. Klein are made are wholesale sales by us and our licensees and other partners to retailers. Such contingent purchase price payments totaled \$12 million and \$14 million in the thirteen weeks ended May 4, 2014 and May 5, 2013, respectively. We currently expect that such payments will be approximately \$55 million for the full year 2014.

Dividends

Our common stock currently pays annual dividends totaling \$0.15 per share. Dividends on common stock totaled \$3 million and \$6 million in the thirteen weeks ended May 4, 2014 and May 5, 2013, respectively. The decrease was due to the timing of dividend payments in 2014 as compared to the prior year. We currently project that cash dividends on our common stock for the full year 2014 will be approximately \$12 million, in line with the amount for the full year 2013, based on our current dividend rate, the number of shares of our common stock outstanding as of May 4, 2014 and our estimates of stock to be issued during the remainder of 2014 under our stock incentive plans.

Financing Arrangements

Our capital structure was as follows:

(in millions)	May 4, 2014	February 2, 2014	May 5, 2013
Short-term borrowings	\$ 145	\$ 7	\$ 15
Current portion of long-term debt	99	85	99
Capital lease obligations	25	25	30
Long-term debt	3,862	3,878	4,362
Stockholders' equity	4,480	4,335	4,121

In addition, we had \$513 million, \$593 million and \$746 million of cash and cash equivalents as of May 4, 2014, February 2, 2014 and May 5, 2013, respectively.

Short-Term Borrowings

One of our Asian subsidiaries has a Yen-denominated overdraft facility with a Japanese bank, which provides for borrowings of up to ¥1.000 billion (\$10 million based on exchange rates in effect on May 4, 2014) and is utilized to fund working capital needs. Borrowings under this facility are unsecured and bear interest at the one-month Japanese interbank borrowing rate plus 0.30%. Such facility renews automatically unless we give notice of termination. As of May 4, 2014, we had \$10 million of borrowings outstanding under this facility. The weighted average interest rate on the funds borrowed at May 4, 2014 was 0.46%. The maximum amount of borrowings outstanding during the thirteen weeks ended May 4, 2014 was \$10 million.

One of our European subsidiaries has short-term revolving notes with a number of banks at various interest rates, as well as a Euro-denominated overdraft facility, which are used to fund working capital needs. There were no borrowings outstanding under these facilities as of or during the thirteen weeks ended May 4, 2014.

One of our Asian subsidiaries has a short-term \$10 million revolving credit facility to be used to fund working capital needs. Borrowings under this facility bear interest at 1.75% plus the one-month London interbank borrowing rate ("LIBOR"). At the end of each month, amounts outstanding under this facility may be carried forward for additional one-month periods for up to one year. This facility is subject to certain terms and conditions and may be terminated at any time at the discretion of the lender. There were no borrowings outstanding under this facility as of or during the thirteen weeks ended May 4, 2014.

One of our Asian subsidiaries has a Won-denominated short-term revolving credit facility with one lender that provides for borrowings of up to ₩3.000 billion (\$3 million based on exchange rates in effect on May 4, 2014) and is utilized to fund working capital needs. Borrowings under this facility bear interest at the three-month Cost of Funds Index rate plus a specified margin. There were no borrowings outstanding under this facility as of or during the thirteen weeks ended May 4, 2014.

One of our Latin American subsidiaries has Real-denominated short-term revolving credit facilities with a number of banks that provide for total available borrowings of R\$69 million (\$31 million based on exchange rates in effect on May 4, 2014) and are utilized to fund working capital needs. Borrowings under these facilities bear interest at various interest rates. There were no borrowings outstanding under these facilities as of or during the thirteen weeks ended May 4, 2014.

In addition, we have certain other facilities, under which we had no borrowings outstanding as of or during the thirteen weeks ended May 4, 2014.

Capital Lease Obligations

Our cash payments for capital lease obligations totaled \$2 million and \$2 million during the thirteen week periods ended May 4, 2014 and May 5, 2013, respectively.

2013 Senior Secured Credit Facilities

On February 13, 2013, simultaneously with and related to the closing of the Warnaco acquisition, we entered into senior secured credit facilities (the "2013 facilities"), the proceeds of which were used to fund a portion of the acquisition, repay all outstanding borrowings under prior facilities that were amended and restated during 2011 (the "2011 facilities") and repay all of Warnaco's previously outstanding long-term debt. The 2013 facilities consisted of a \$1.700 billion United States dollar-

denominated Term Loan A facility (recorded net of an original issue discount of \$7 million as of the acquisition date), a \$1.375 billion United States dollar-denominated Term Loan B facility (recorded net of an original issue discount of \$7 million as of the acquisition date) and senior secured revolving credit facilities in an aggregate principal amount of \$750 million (based on the applicable exchange rates on February 13, 2013), consisting of (a) a \$475 million United States dollar-denominated revolving credit facility, (b) a \$25 million United States dollar-denominated revolving credit facility available in United States dollars or Canadian dollars and (c) a €186 million Euro-denominated revolving credit facility available in Euro, Pounds Sterling, Japanese Yen and Swiss Francs. In connection with entering into the 2013 facilities and repaying all outstanding borrowings under the 2011 facilities and all of Warnaco's previously outstanding long-term debt, we paid debt issuance costs of \$67 million (of which \$35 million was expensed as debt modification and extinguishment costs and \$33 million is being amortized over the term of the related debt agreement) and recorded additional debt modification and extinguishment costs of \$6 million to write-off previously capitalized debt issuance costs.

On March 21, 2014, we amended and restated the 2013 facilities, as discussed in the section entitled "2014 Senior Secured Credit Facilities" below.

2014 Senior Secured Credit Facilities

On March 21, 2014 (the "Restatement Date"), we entered into an amendment (the "Amendment") to the 2013 facilities (as amended by the Amendment, the "2014 facilities"). The Amendment provided for an additional \$350 million principal amount of loans under the Term Loan A facility and an additional \$250 million principal amount of loans under the Term Loan B facility and extended the maturity of the Term Loan A and the revolving credit facilities from February 13, 2018 to February 13, 2019. The maturity of the Term Loan B facility remains February 13, 2020. On the Restatement Date, we borrowed the additional principal amounts described above and used the proceeds to redeem all of our outstanding 7 3/8% senior notes, as discussed in the section entitled "7 3/8% Senior Notes Due 2020" below. In connection with entering into the Amendment, we paid debt issuance costs of \$13 million (of which \$8 million was expensed as debt modification and extinguishment costs and \$5 million is being amortized over the term of the related debt agreement) and recorded additional debt modification and extinguishment costs of \$3 million to write-off previously capitalized debt issuance costs.

The 2014 facilities consist of a \$1.986 billion United States dollar-denominated Term Loan A facility (recorded net of an original issue discount of \$8 million), a \$1.189 billion United States dollar-denominated Term Loan B facility (recorded net of an original issue discount of \$6 million) and senior secured revolving credit facilities consisting of (a) a \$475 million United States dollar-denominated revolving credit facility, (b) a \$25 million United States dollar-denominated revolving credit facility available in United States dollars or Canadian dollars and (c) a €186 million Euro-denominated revolving credit facility available in Euro, Pounds Sterling, Japanese Yen and Swiss Francs.

We have fully drawn the term loans under the 2014 facilities. The revolving credit facilities also include amounts available for letters of credit. As of May 4, 2014, we had drawn \$135 million of revolving credit borrowings and approximately \$57 million of letters of credit. A portion of each of the United States dollar-denominated revolving credit facilities is also available for the making of swingline loans. The issuance of such letters of credit and the making of any swingline loan reduces the amount available under the applicable revolving credit facility. So long as certain conditions are satisfied, we may add one or more term loan facilities or increase the commitments under the revolving credit facilities by an aggregate amount not to exceed the sum of (1) the sum of (x) \$1.350 billion plus (y) the aggregate amount of all voluntary prepayments of term loans under the facilities and the revolving credit facilities (to the extent, in the case of voluntary prepayments of loans under the revolving credit facilities, there is an equivalent permanent reduction of the revolving commitments) plus (z) an amount equal to the aggregate revolving commitments of any defaulting lender (to the extent the commitments with respect thereto have been terminated) and (2) an additional unlimited amount as long as the ratio of our senior secured net debt to consolidated adjusted earnings before interest, taxes, depreciation and amortization (in each case calculated as set forth in the documentation relating to the 2014 facilities) would not exceed 3 to 1 after giving pro forma effect to the incurrence of such increase. The lenders under the 2014 facilities are not required to provide commitments with respect to such additional facilities or increased commitments.

Our obligations under the 2014 facilities are guaranteed by substantially all of our existing and future direct and indirect United States subsidiaries, with certain exceptions. Obligations of the European Borrower under the 2014 facilities are guaranteed by us, substantially all of our existing and future direct and indirect United States subsidiaries (with certain exceptions) and Tommy Hilfiger Europe B.V., a wholly owned subsidiary of ours. We and our domestic subsidiary guarantors have pledged certain of our assets as security for the obligations under the 2014 facilities.

The outstanding borrowings under the 2014 facilities are prepayable at any time without penalty (other than customary breakage costs and, solely with respect to the Term Loan B facility, any prepayment in connection with a Repricing Event (as defined in the 2014 facilities) that is consummated on or prior to the six-month anniversary of the Restatement Date). The

terms of the 2014 facilities require us to repay certain amounts outstanding thereunder with (a) net cash proceeds of the incurrence of certain indebtedness, (b) net cash proceeds of certain asset sales or other dispositions (including as a result of casualty or condemnation) that exceed certain thresholds, to the extent such proceeds are not reinvested or committed to be reinvested in the business in accordance with customary reinvestment provisions, and (c) a percentage of excess cash flow, which percentage is based upon our net leverage ratio during the relevant fiscal period.

The United States dollar-denominated borrowings under the 2014 facilities bear interest at a rate equal to an applicable margin plus, as determined at our option, either (a) a base rate determined by reference to the greater of (i) the prime rate, (ii) the United States federal funds rate plus 1/2 of 1.00% and (iii) a one-month adjusted Eurocurrency rate plus 1.00% (provided, that, with respect to the Term Loan B facility, in no event will the base rate be deemed to be less than 1.75%) or (b) an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities (provided, that, with respect to the Term Loan B facility, in no event will the adjusted Eurocurrency rate be deemed to be less than 0.75%).

Canadian dollar-denominated borrowings under the 2014 facilities bear interest at a rate equal to an applicable margin plus, as determined at our option, either (a) a Canadian prime rate determined by reference to the greater of (i) the rate of interest per annum that Royal Bank of Canada establishes at its main office in Toronto, Ontario as the reference rate of interest in order to determine interest rates for loans in Canadian dollars to its Canadian borrowers and (ii) the sum of (x) the average of the rates per annum for Canadian dollar bankers' acceptances having a term of one month that appears on the display referred to as "CDOR Page" of Reuters Monitor Money Rate Services as of 10:00 a.m. (Toronto time) on the date of determination, as reported by the administrative agent (and if such screen is not available, any successor or similar service as may be selected by the administrative agent), and (y) 0.75%, or (b) an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities.

The borrowings under the 2014 facilities in currencies other than United States dollars or Canadian dollars bear interest at a rate equal to an applicable margin plus an adjusted Eurocurrency rate, calculated in a manner set forth in the 2014 facilities.

The current applicable margin with respect to the Term Loan A facility and each revolving credit facility is 1.75% for adjusted Eurocurrency rate loans and 0.75% for base rate loans, respectively. The current applicable margin with respect to the Term Loan B facility is 2.50% for adjusted Eurocurrency rate loans and 1.50% for base rate loans, respectively. After the date of delivery of the compliance certificate and financial statements with respect to our fiscal quarter ending May 4, 2014, the applicable margin for borrowings under the Term Loan A facility, the Term Loan B facility and the revolving credit facilities is subject to adjustment based upon our net leverage ratio.

The 2014 facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; certain events related to the Employee Retirement Income Security Act of 1974, as amended; certain events related to certain of the guarantees by us and certain of our subsidiaries, and certain pledges of our assets and those of certain of our subsidiaries, as security for the obligations under the 2014 facilities; and a change in control (as defined in the 2014 facilities).

During the second quarter of 2013, we entered into an interest rate swap agreement for a three-year term commencing on August 19, 2013. The agreement was designed with the intended effect of converting an initial notional amount of \$1.229 billion of our variable rate debt obligation under our previously outstanding United States dollar-denominated senior secured Term Loan A facility under the 2013 facilities, or any replacement facility with similar terms, to fixed rate debt. Such agreement remains outstanding with a notional amount of \$1.165 billion as of May 4, 2014, and is now converting a portion of our variable rate debt obligation under our new Term Loan A facility in the 2014 facilities to fixed rate debt. Under the terms of the agreement for the then-outstanding notional amount, our exposure to fluctuations in the one-month LIBOR is eliminated, and we will pay a fixed rate of 0.604%, plus the current applicable margin.

We entered into an interest rate swap agreement for a three-year term commencing on June 6, 2011. The agreement was designed with the intended effect of converting an initial notional amount of \$632 million of our variable rate debt obligation under our previously outstanding United States dollar-denominated senior secured term loan A facility under the 2011 facilities, or any replacement facility with similar terms, to fixed rate debt. Such agreement remains outstanding, with a notional amount of \$238 million as of May 4, 2014 and is now converting a portion of our variable rate debt obligation under our new Term Loan A facility in the 2014 facilities to fixed rate debt. Under the terms of the agreement for the then-outstanding notional amount, our exposure to fluctuations in the three-month LIBOR is eliminated, and we will pay a fixed rate of 1.197%, plus the current applicable margin.

The outstanding notional amount of each interest rate swap will be adjusted according to pre-set schedules during the term of each swap agreement such that, based on our projections for future debt repayments, our outstanding debt under the Term Loan A facility is expected to always equal or exceed the then-outstanding combined notional amount of the interest rate swaps.

The 2014 facilities also contain covenants that restrict our ability to finance future operations or capital needs, to take advantage of other business opportunities that may be in our interest or to satisfy our obligations under our other outstanding debt. These covenants restrict our ability to, among other things:

- incur or guarantee additional debt or extend credit;
- make restricted payments, including paying dividends or making distributions on, or redeeming or repurchasing, our capital stock or certain debt;
- make acquisitions and investments;
- dispose of assets;
- engage in transactions with affiliates;
- enter into agreements restricting our subsidiaries' ability to pay dividends;
- create liens on our assets or engage in sale/leaseback transactions; and
- effect a consolidation or merger, or sell, transfer, or lease all or substantially all of our assets.

The 2014 facilities require us to comply with certain financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the applicable facility. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately due and payable which would result in acceleration of our other debt. If we were unable to repay any such borrowings when due, the lenders could proceed against their collateral, which also secures some of our other indebtedness.

4 1/2% Senior Notes Due 2022

On December 20, 2012, we issued \$700 million principal amount of 4 1/2% senior notes due December 15, 2022 in connection with the Warnaco acquisition. We paid approximately \$16 million of fees in the first quarter of 2013 in connection with the issuance of these notes, which will be amortized over the term of the notes.

Subject to certain conditions, we may redeem up to 35% of these notes prior to December 15, 2015 with the net cash proceeds of certain equity offerings without having to pay a penalty or "make whole" premium. We may redeem some or all of these notes at any time prior to December 15, 2017 by paying a "make whole" premium plus any accrued and unpaid interest. In addition, we may redeem some or all of these notes on or after December 15, 2017 at specified redemption prices plus any accrued and unpaid interest. Our ability to pay cash dividends and make other restricted payments is limited, in each case, over specified amounts as defined in the indenture governing the notes.

7 3/4% Debentures Due 2023

We have outstanding \$100 million of debentures due on November 15, 2023 with a yield to maturity of 7.80%. The debentures accrue interest at the rate of 7 3/4%. Pursuant to the indenture governing the debentures, we must maintain a certain level of stockholders' equity in order to pay cash dividends and make other restricted payments, as defined in the indenture governing the debentures.

7 3/8% Senior Notes Due 2020

On May 6, 2010, we issued \$600 million principal amount of 7 3/8% senior notes due May 15, 2020. On March 24, 2014, in connection with the amendment and restatement of our term loans as discussed above in the section entitled "2014 Senior Secured Credit Facilities," we redeemed all of our outstanding 7 3/8% senior notes and, pursuant to the indenture under which the notes were issued, paid a "make whole" premium of \$68 million to the holders of the notes. We also recorded costs of \$14 million to write-off previously capitalized debt issuance costs associated with these notes.

As of May 4, 2014, we were in compliance with all applicable financial and non-financial covenants.

Please refer to Note 8, "Debt," in the Notes to Consolidated Financial Statements included in Part I, Item 1 of this report for a schedule of mandatory long-term debt repayments over the next five years.

CRITICAL ACCOUNTING POLICIES

Our consolidated financial statements are based on the selection and application of significant accounting policies, which require management to make significant estimates and assumptions. Our significant accounting policies are outlined in Note 1, "Summary of Significant Accounting Policies," in the Notes to Consolidated Financial Statements included in Item 8 of our Annual Report on Form 10-K for the year ended February 2, 2014. During the thirteen weeks ended May 4, 2014, there were no significant changes to our critical accounting policies from those described in our Annual Report on Form 10-K for the year ended February 2, 2014.

ITEM 3 - QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Financial instruments held by us as of May 4, 2014 include cash and cash equivalents, short and long-term debt, foreign currency forward exchange contracts and interest rate swap agreements. Note 11, "Fair Value Measurements," in the Notes to Consolidated Financial Statements included in Part I, Item 1 of this report outlines the fair value of our financial instruments as of May 4, 2014. Cash and cash equivalents held by us are affected by short-term interest rates. Due to the currently low rates of return we are receiving on our cash equivalents, the potential for a significant decrease in short-term interest rates is low and, therefore, a further decrease would not have a material impact on our interest income. However, there is potential for a more significant increase in short-term interest rates, which could have a more material impact on our interest income. Given our balance of cash and cash equivalents at May 4, 2014, the effect of a 10 basis point increase in short-term interest rates on our interest income would be approximately \$500 thousand annually. During the first quarter of 2013, we entered into new senior secured credit facilities and simultaneously repaid our previously outstanding amended facility. During the first quarter of 2014, we amended and restated these facilities. Borrowings under our new senior secured credit facilities bear interest at a rate equal to an applicable margin plus a variable rate. As such, our credit facilities expose us to market risk for changes in interest rates. We have entered into interest rate swap agreements for the intended purpose of reducing our exposure to interest rate volatility. As of May 4, 2014, after taking into account the effect of our interest rate swap agreements, approximately 55% of our long-term debt was at a fixed rate, with the remainder at variable rates. Given our debt position at May 4, 2014, the effect of a 10 basis point increase in interest rates on our interest expense would be less than \$600 thousand annually. Such amount excludes any impact from our United States dollar-denominated Term Loan B facility, which would currently not be impacted by a 10 basis point increase in interest rates due to its adjusted Eurocurrency rate floor of 0.75%. Please refer to Note 8, "Debt," in the Notes to Consolidated Financial Statements included in Part I, Item 1 of this report for a further discussion of our new credit facilities and interest rate swap agreements.

Our Calvin Klein and Tommy Hilfiger businesses each have substantial international components, which expose us to significant foreign exchange risk. Accordingly, the impact of a strengthening United States dollar, particularly against the Euro, the Brazilian Real, the Japanese Yen, the Korean Won, the British Pound, the Canadian dollar, the Mexican Peso, the Indian Rupee and the Chinese Yuan, will have a negative impact on our results of operations. Our Calvin Klein and Tommy Hilfiger businesses purchase the majority of the products that they sell in United States dollars, which exposes the international operations of each of these businesses to foreign exchange risk as the United States dollar fluctuates. To help manage these exposures, we currently use and plan to continue to use foreign currency forward exchange contracts or other derivative instruments.

In addition, we have exposure to changes in foreign currency exchange rates on certain intercompany loans. We currently use and plan to continue to use foreign currency forward exchange contracts to mitigate this exposure.

ITEM 4 - CONTROLS AND PROCEDURES

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and our Chief Operating & Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based upon that evaluation, our Chief Executive Officer and our Chief Operating & Financial Officer concluded that our disclosure controls and procedures were effective as of the end of the period covered by this report. Disclosure controls and procedures are designed to ensure that information required to be disclosed in our reports filed or submitted under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms and that such information is accumulated and communicated to our management, including each of our Chief Executive Officer and Chief Operating & Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

There have been no changes in our internal control over financial reporting during the period to which this report relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

The Replacement Lender shall, prior to the effectiveness of this Amendment, purchase the Revolving Commitments, the Revolving Loans, the Tranche A Term Loans and the Tranche B Term Loans of any such Non-Consenting Lender, in each case, in accordance with Section 2.23 and Section 10.06 of the Existing Credit Agreement. Payment for the purchase of such Non-Consenting Lender's Revolving Commitments, Revolving Loans, Tranche A Term Loans and Tranche B Term Loans shall be made by the Replacement Lender to each Non-Consenting Lender on the Effective Date and (without limitation of the right of the Replacement Lender to require the further execution of an Assignment Agreement) the receipt of such payment by such Non-Consenting Lender shall be deemed to effectuate the consummation of such purchase option and assignment and the Administrative Agent shall reflect such assignment in the Register. The Replacement Lender by its signature hereto consents to this Amendment with respect to such purchased Revolving Commitments, Revolving Loans, Tranche A Term Loans and Tranche B Term Loans, in each case, effective at the time of such assignment. (g) The Administrative Agent shall have received a Solvency Certificate from the U.S. Borrower in the form of Exhibit B attached hereto.

(h) No event shall have occurred and be continuing or would result directly from the effectiveness of this Amendment and the consummation of the transactions contemplated hereby that would constitute a Default or an Event of Default.

(i) The representations and warranties contained in the Amended and Restated Credit Agreement and in the other Loan Documents shall be true and correct in all material respects on and as of the Effective Date to the same extent as though made on and as of the Effective Date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects on and as of such earlier date; provided that, to the extent any such representation or warranty is already qualified by materiality or Material Adverse Effect, such representation or warranty shall be true and correct in all respects.

(j) The Administrative Agent shall have received a fully executed and delivered Borrowing Notice with respect to the Incremental Tranche A Term Loans and the Incremental Tranche B Term Loans.

(k) To the extent requested in writing to the U.S. Borrower at least 10 Business Days prior to the Effective Date, the Lenders shall have received at least three days prior to the Effective Date all documentation and other information relating to the Loan Parties required by bank

regulatory authorities under applicable “know-your-customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 4 Lender Counterparty. In addition to consenting to the terms hereof, each Lender Counterparty party hereto hereby waives any termination event, event of default, default or similar event, however defined or referenced, arising from or as a result of the terms hereof, the effect of the amendments to the Existing Credit Agreement described herein or the consummation of the transactions described herein, in each case, in any Hedge Agreement, Cash Management Agreement or Treasury Transaction to which such Lender Counterparty is a party.

SECTION 5 Incremental Term Loans. The parties hereto hereby agree that (a) the Incremental Tranche A Term Loans and the Incremental Tranche B Term Loans constitute Incremental Term Loans incurred pursuant to (and in accordance with) Section 2.24 of the Existing Credit Agreement and (b) this Amendment (including, without limitation, the Amended and Restated Credit Agreement) shall be deemed to be a Joinder Agreement effecting necessary and appropriate amendments to the Existing Credit Agreement and the other Loan Documents in connection with the creation of the Incremental Tranche A Term Loans and the Incremental Tranche B Term Loans. The Lenders party hereto hereby waive compliance with the requirements of Section 2.24 of the Existing Credit Agreement with respect to the creation of the Incremental Tranche A Term Loans and the Incremental Tranche B Term Loans.

SECTION 6 Effect on Loan Documents. Except as specifically amended herein, all other Loan Documents shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. Except as specifically set forth herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of the Loan Documents or in any way limit, impair or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or the Collateral Agent under the Loan Documents. The Borrowers and the other Loan Parties acknowledge and agree that, on and after the Effective Date, this Amendment and each of the other Loan Documents to be executed and delivered by a Loan Party in connection herewith shall constitute a Loan Document for all purposes of the Amended and Restated Credit Agreement. On and after the Effective Date, each reference in the Amended and Restated Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein” or words of like import referring to the Existing Credit Agreement, and each reference in the other Loan Documents to “Credit Agreement”, “thereunder”, “thereof” or words of like import referring to the Existing Credit Agreement shall mean and be a reference to the Amended and Restated Credit Agreement, and this Amendment and the Amended and Restated Credit Agreement shall be read together and construed as a single instrument. Nothing herein shall be deemed to entitle the Borrowers to a further consent to, or a further waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended and Restated Credit Agreement or any other Loan Document in similar or different circumstances. For the avoidance of doubt, this Amendment does not constitute a novation or termination by any Loan Party of the Indebtedness and Obligations under the Existing Credit Agreement.

SECTION 7 Expenses. The Borrowers agree to pay all reasonable out-of-pocket costs and expenses incurred by the Administrative Agent in connection with this Amendment and any

other documents prepared in connection herewith, in each case to the extent required by Section 10.02 of the Amended and Restated Credit Agreement. The Borrowers hereby confirm that the indemnification provisions set forth in Section 10.03 of the Amended and Restated Credit Agreement shall apply to this Amendment and such losses, claims, damages, liabilities, costs and expenses (as more fully set forth therein as applicable) which may arise herefrom or in connection herewith.

SECTION 8 Amendments; Execution in Counterparts; Severability.

(a) This Amendment may not be amended nor may any provision hereof be waived except pursuant to a writing signed by each party hereto.

(b) In case any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby (it being understood that the invalidity, illegality or unenforceability of a particular provision in a particular jurisdiction shall not in and of itself affect the validity, legality or enforceability of such provision in any other jurisdiction).

SECTION 9 Reaffirmation. Each of the Loan Parties party hereto, including each Guarantor, hereby (a) acknowledges and agrees that the Incremental Tranche A Term Loans, the Incremental Tranche B Term Loans and the Lenders thereof constitute Loans and Lenders under the Loan Documents, and that all of such Loan Party's obligations under the Security Documents and the other Loan Documents to which it is a party are reaffirmed and remain in full force and effect on a continuous basis, (b) reaffirms each Lien granted by it to the Collateral Agent for the benefit of the Secured Parties and the guaranties made by it pursuant to the Existing Credit Agreement, (c) acknowledges and agrees that the grants of security interests by and the guaranties of the Loan Parties contained in the Existing Credit Agreement and the Security Documents are, and shall remain, in full force and effect after giving effect to this Amendment and the transactions contemplated hereby, and (d) agrees that the Obligations include the Incremental Tranche A Term Loans and the Incremental Tranche B Term Loans.

SECTION 10. GOVERNING LAW; WAIVER OF JURY TRIAL; JURISDICTION. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER THIS AMENDMENT. The provisions of Section 10.15 of the Amended and Restated Credit Agreement are incorporated herein by reference.

SECTION 11. Headings. The Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose, modify or amend the

terms or conditions hereof, be used in connection with the interpretation of any term or condition hereof or be given any substantive effect.

SECTION 12. Counterparts. This Amendment may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page to this Amendment by facsimile or other electronic transmission will be effective as delivery of an original counterpart thereof.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed and delivered by their respective proper and duly authorized officers as of the day and year first above written.

(b) Borrowing Mechanics for Swing Line Loans.

(i) Swing Line Loans shall be made in a minimum amount of \$500,000 and integral multiples of \$100,000 in excess of that amount.

(ii) Whenever the U.S. Borrower desires that the U.S. Swing Line Lender make a U.S. Swing Line Loan, the U.S. Borrower shall deliver to the Administrative Agent a Borrowing Notice no later than 10:30 a.m. (New York City time) on the proposed Credit Date. Whenever the U.S. Borrower desires that the Canadian Swing Line Lender make a Canadian Swing Line Loan, the U.S. Borrower shall deliver to the Administrative Agent a Borrowing Notice no later than 10:00 a.m. (New York City time) on the proposed Credit Date.

(iii) The applicable Swing Line Lender shall make the amount of its Swing Line Loan available to the Administrative Agent not later than 1:00 p.m. (New York City time) on the applicable Credit Date by wire transfer of same day funds in Dollars or Canadian Dollars, at the Administrative Agent's Principal Office. Except as provided herein, upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent shall make the proceeds of such Swing Line Loans available to the U.S. Borrower promptly upon receipt from such Swing Line Lender on the applicable Credit Date by causing an amount of same day funds in Dollars or Canadian Dollars equal to the proceeds of all such Swing Line Loans received by the Administrative Agent from the applicable Swing Line Lender to be credited to the account of the U.S. Borrower at the Administrative Agent's Principal Office, or to such other account as may be designated in writing to the Administrative Agent by the U.S. Borrower.

(iv) With respect to any Swing Line Loans which have not been voluntarily prepaid by the U.S. Borrower pursuant to Section 2.13(a) or repaid pursuant to Section 2.03(a), the applicable Swing Line Lender may at any time in its sole and absolute discretion, deliver to the Administrative Agent (with a copy to the U.S. Borrower), no later than 11:00 a.m. (New York City time) at least one Business Day in advance of the proposed Credit Date, a notice (which shall be deemed to be a Borrowing Notice given by the U.S. Borrower) requesting that (x) with regard to any U.S. Swing Line Loan, each Lender holding a U.S. Revolving Commitment make U.S. Revolving Loans that are Base Rate Loans to the U.S. Borrower on such Credit Date in an amount equal to the amount of such U.S. Swing Line Loans (the "U.S. Refunded Swing Line Loans") outstanding on the date such notice is given which the U.S. Swing Line Lender requests Lenders to prepay, and (y) with regard to any Canadian Swing Line Loan, each Lender holding a Canadian Revolving Commitment make Canadian Revolving Loans that are Base Rate Loans or Canadian Prime Rate Loans, as applicable, to the U.S. Borrower on such Credit Date in an amount equal to the amount of such Canadian Swing Line Loans (the "Canadian Refunded Swing Line Loans") and, together with the U.S. Refunded Swing Line Loans, the "Refunded Swing Line Loans") outstanding on the date such notice is given which the Canadian Swing Line Lender requests Lenders to prepay. Anything contained in this Agreement to the contrary notwithstanding, (1) the proceeds of such Revolving Loans made by the Lenders other than the applicable Swing Line Lender shall be immediately delivered by the Administrative Agent to the applicable Swing Line Lender (and not to the U.S. Borrower) and applied to repay a corresponding portion of the applicable Refunded Swing Line Loans and (2) on the day such Revolving Loans are made, the applicable Swing Line Lender's Pro Rata Share of the Refunded Swing Line Loans shall be deemed to be paid with the proceeds of a Revolving Loan made by the applicable Swing Line Lender to the U.S. Borrower, and such portion of the Swing Line Loans deemed to be so paid shall no longer be outstanding as Swing Line

Loans and shall no longer be due under the applicable Swing Line Note of the applicable Swing Line Lender but shall instead constitute part of the applicable Swing Line Lender's outstanding Revolving Loans to the U.S. Borrower and shall be due under the applicable Revolving Loan Note issued by the U.S. Borrower to the applicable Swing Line Lender. If any portion of any such amount paid (or deemed to be paid) to the applicable Swing Line Lender should be recovered by or on behalf of the U.S. Borrower from the applicable Swing Line Lender in bankruptcy, by assignment for the benefit of creditors or otherwise, the loss of the amount so recovered shall be ratably shared among all Lenders in the manner contemplated by Section 2.17.

(v) If for any reason Revolving Loans are not made pursuant to Section 2.03(b)(iv) in an amount sufficient to repay any amounts owed to the applicable Swing Line Lender in respect of any outstanding Swing Line Loans on or before the third Business Day after demand for payment thereof by the applicable Swing Line Lender, (x) each Lender holding a U.S. Revolving Commitment shall be deemed to, and hereby agrees to, have purchased a participation in such outstanding U.S. Swing Line Loans in an amount equal to its Pro Rata Share of the applicable unpaid amount together with accrued interest thereon, and (y) each Lender holding a Canadian Revolving Commitment shall be deemed to, and hereby agrees to, have purchased a participation in such outstanding Canadian Swing Line Loans in an amount equal to its Pro Rata Share of the applicable unpaid amount together with accrued interest thereon. Upon one Business Day's notice from the applicable Swing Line Lender, each Lender holding a U.S. Revolving Commitment or a Canadian Revolving Commitment, as applicable, shall deliver to the applicable Swing Line Lender an amount equal to its respective participation in the applicable unpaid amount in same day funds at the Principal Office of such Swing Line Lender. In order to evidence such participation each Lender holding such a Revolving Commitment agrees to enter into a participation agreement at the request of the applicable Swing Line Lender in form and substance reasonably satisfactory to the applicable Swing Line Lender. In the event any Lender holding such a Revolving Commitment fails to make available to the applicable Swing Line Lender the amount of such Lender's participation as provided in this paragraph, the applicable Swing Line Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon for three Business Days at the rate customarily used by the applicable Swing Line Lender for the correction of errors among banks and thereafter at the Base Rate or the Canadian Prime Rate, as applicable.

(vi) Notwithstanding anything contained herein to the contrary, (1) each Lender's obligation to make Revolving Loans for the purpose of repaying any Refunded Swing Line Loans pursuant to Section 2.03(b)(iv) and each Lender's obligation to purchase a participation in any unpaid Swing Line Loans pursuant to the immediately preceding paragraph shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the applicable Swing Line Lender, any Loan Party or any other Person for any reason whatsoever; (B) the occurrence or continuation of a Default or Event of Default; (C) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of any Loan Party; (D) any breach of this Agreement or any other Loan Document by any party thereto; or (E) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing; provided, that such

obligations of each Lender are subject to the condition that the applicable Swing Line Lender had not received prior notice from the U.S. Borrower or the Required Lenders that any of the conditions under Section 3.02 to the making of the applicable Refunded Swing Line Loans or other unpaid Swing Line Loans were not satisfied at the time such Refunded Swing Line Loans or unpaid Swing Line Loans were made; and (2) no Swing Line Lender shall be obligated to make any Swing Line Loans (A) if it has elected not to do so after the occurrence and during the continuation of a Default or Event of Default, (B) it does not in good faith believe that all conditions under Section 3.02 to the making of such Swing Line Loan have been satisfied or waived by the Required Lenders or (C) at a time when any Lender is a Defaulting Revolving Lender with U.S. Revolving Commitments or Canadian Revolving Commitments, as applicable, unless the applicable Swing Line Lender has entered into arrangements satisfactory to it and the U.S. Borrower to eliminate the applicable Swing Line Lender's risk with respect to the Defaulting Revolving Lender's participation in such Swing Line Loan, including by the U.S. Borrower cash collateralizing such Defaulting Revolving Lender's Pro Rata Share of the outstanding Swing Line Loans.

(a) Letters of Credit.

(i) During the U.S. Revolving Commitment Period, subject to the terms and conditions hereof, each U.S. Issuing Bank agrees to issue U.S. Letters of Credit for the account of the U.S. Borrower or any Restricted Subsidiary thereof in the aggregate amount up to but not exceeding the U.S. Letter of Credit Sublimit; provided, that (i) each U.S. Letter of Credit shall be denominated in Dollars; (ii) the stated amount of each U.S. Letter of Credit shall not be less than \$2,000 or such lesser amount as is acceptable to the applicable Issuing Bank; (iii) after giving effect to such issuance, in no event shall the Total Utilization of U.S. Revolving Commitments exceed the U.S. Revolving Commitments then in effect; (iv) after giving effect to such issuance, in no event shall the U.S. Letter of Credit Usage exceed the U.S. Letter of Credit Sublimit then in effect; (v) in no event shall any standby U.S. Letter of Credit have an expiration date later than the earlier of (1) the U.S. Revolving Commitment Termination Date and (2) the date which is one year from the date of issuance of such standby Letter of Credit; and (vi) in no event shall any commercial U.S. Letter of Credit have an expiration date later than the earlier of (1) the U.S. Revolving Commitment Termination Date and (2) the date which is 180 days from the date of issuance of such commercial Letter of Credit.

(ii) During the European Revolving Commitment Period, subject to the terms and conditions hereof, each European Issuing Bank agrees to issue European Letters of Credit for the account of any Foreign Subsidiary in the aggregate amount up to but not exceeding the European Letter of Credit Sublimit; provided, that (i) each European Letter of Credit shall be denominated in Euros or an Other Foreign Currency; (ii) the stated amount of each European Letter of Credit shall not be less than €1,500 (or the applicable Foreign Currency Equivalent) or such lesser amount as is acceptable to the applicable Issuing Bank; (iii) after giving effect to such issuance, in no event shall the Total Utilization of European Revolving Commitments exceed the European Revolving Commitments then in effect; (iv) after giving effect to such issuance, in no event shall the European Letter of Credit

(iii) During the Canadian Revolving Commitment Period, subject to the terms and conditions hereof, each Canadian Issuing Bank agrees to issue Canadian Letters of Credit for the account of the U.S. Borrower or any Restricted Subsidiary thereof in the aggregate amount up to but not exceeding the Canadian Letter of Credit Sublimit; provided, that (i) each Canadian Letter of Credit shall be denominated in Dollars or Canadian Dollars; (ii) the stated amount of each Canadian Letter of Credit shall not be less than \$2,000 (or the applicable Foreign Currency Equivalent) or such lesser amount as is acceptable to the applicable Issuing Bank; (iii) after giving effect to such issuance, in no event shall the Total Utilization of Canadian Revolving Commitments exceed the Canadian Revolving Commitments then in effect; (iv) after giving effect to such issuance, in no event shall the Canadian Letter of Credit Usage exceed the Canadian Letter of Credit Sublimit then in effect; (v) in no event shall any standby Canadian Letter of Credit have an expiration date later than the earlier of (1) the Canadian Revolving Commitment Termination Date and (2) the date which is one year from the date of issuance of such standby Letter of Credit; and (vi) in no event shall any commercial Canadian Letter of Credit have an expiration date later than the earlier of (1) the Canadian Revolving Commitment Termination Date and (2) the date which is 180 days from the date of issuance of such commercial Letter of Credit.

Subject to the foregoing, (i) an Issuing Bank may agree that a standby Letter of Credit shall automatically be extended for one or more successive periods not to exceed one year each; provided, that no Issuing Bank shall extend any such Letter of Credit if it has received written notice that an Event of Default has occurred and is continuing at the time such Issuing Bank must elect to allow such extension; (ii) if the applicable Issuing Bank and the Administrative Agent each consent in their sole discretion, the expiration date on any Letter of Credit may extend beyond the applicable Revolving Commitment Termination Date; provided, that if any such Letter of Credit is outstanding or the expiration date is extended to a date after the date that is five Business Days prior to the applicable Revolving Commitment Termination Date, the applicable Borrower shall Cash Collateralize such Letter of Credit on or prior to the date that is five Business Days prior to the applicable Revolving Commitment Termination Date; and (iii) in the event that any Lender is a Defaulting Revolving Lender, the applicable Issuing Bank shall not be required to issue any Letter of Credit under the applicable Revolving Commitment unless such Issuing Bank has entered into arrangements satisfactory to it and the applicable Borrower to eliminate such Issuing Bank's risk with respect to the participation in Letters of Credit of the Defaulting Revolving Lender, including by cash collateralizing such Defaulting Revolving Lender's Pro Rata Share of the applicable Letter of Credit Usage. Notwithstanding the foregoing, Barclays shall have no obligation to issue commercial Letters of Credit unless separately agreed to by Barclays and the Borrower Representative.

(b) Notice of Issuance.

(i) Whenever the U.S. Borrower or any Restricted Subsidiary thereof desires the issuance of a Letter of Credit, the U.S. Borrower shall (x) in the case of standby Letters of Credit, deliver to the Administrative Agent and the applicable Issuing Bank an Issuance Notice (or such other notice as may be agreed by such Issuing Bank) no later than 12:00 p.m. (New York City time) at least three Business Days in advance of the proposed date of issuance, or such shorter period as may be agreed to by the Issuing Bank in any particular instance and (y) in the case of commercial Letters of Credit, deliver to the applicable Issuing Bank an application therefor on the proposed date of issuance. Such Issuance Notice shall specify if such Letter of Credit is requested under the U.S. Revolving Commitments or the Canadian Revolving Commitments. Upon satisfaction or waiver of the conditions set forth in Section 3.02, the Issuing Bank shall issue the requested Letter of Credit only in accordance with the Issuing Bank's standard operating procedures. Upon the issuance of any U.S. Letter of Credit or amendment or modification to a U.S. Letter of Credit, the Issuing Bank shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender with a U.S. Revolving Commitment, of such issuance, or amendment or modification and the amount of such Lender's respective participation in such U.S. Letter of Credit pursuant to Section 2.04(e). Upon satisfaction or waiver of the conditions set forth in Section 3.02, the Issuing Bank shall issue the requested Letter of Credit only in accordance with the Issuing Bank's standard operating procedures. (c) Responsibility of the Issuing Bank With Respect to Requests for Drawings and Payments. In determining whether to honor any drawing under any Letter of Credit by the beneficiary thereof, the applicable Issuing Bank shall be responsible only to examine the documents delivered under such Letter of Credit with reasonable care so as to ascertain whether they appear on their face to be in accordance with the terms and conditions of such Letter of Credit. As between the Borrowers and the applicable Issuing Bank, each Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by the applicable Issuing Bank by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the

foregoing, the Issuing Bank shall not be responsible for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of the Issuing Bank, including any Governmental Acts; none of the above shall affect or impair, or prevent the vesting of, any of the Issuing Bank's rights or powers hereunder. Without limiting the foregoing and in furtherance thereof, no action taken or omitted by an Issuing Bank under or in connection with the Letters of Credit or any documents and certificates delivered thereunder, if taken or omitted in good faith and in the absence of gross negligence or willful misconduct (as determined by a final, non-appealable judgment of a court of competent jurisdiction), shall give rise to any liability on the part of such Issuing Bank to any Borrower; provided that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrowers to the extent of any direct damages suffered by the Borrowers or any of their Subsidiaries that are determined by a final, non-appealable judgment of a court of competent jurisdiction to have been caused by such Issuing Bank's gross negligence or willful misconduct.

(d) Reimbursement by the Borrowers of Amounts Drawn or Paid Under Letters of Credit.

(i) In the event an Issuing Bank has determined to honor a drawing under a U.S. Letter of Credit or Canadian Letter of Credit, it shall immediately notify the U.S. Borrower and the Administrative Agent, and the U.S. Borrower shall reimburse the applicable Issuing Bank on or before the Business Day immediately following the date on which such notice is received by the U.S. Borrower (the "Reimbursement Date") in an amount in the Approved Currency in which such Letter of Credit was issued and in same day funds equal to the amount of such honored drawing; provided, that anything contained herein to the contrary notwithstanding, (x) unless the U.S. Borrower shall have notified the Administrative Agent and the applicable Issuing Bank prior to 10:00 a.m. (New York City time) on the Reimbursement Date that the U.S. Borrower intends to reimburse the applicable Issuing Bank for the amount of such honored drawing with funds other than the proceeds of Revolving Loans, the Borrower Representative shall be deemed to have given a timely Borrowing Notice to the Administrative Agent requesting (A) in the case of a U.S. Letter of Credit, Lenders with U.S. Revolving Commitments to make U.S. Revolving Loans that are Base Rate Loans on the Reimbursement Date in an amount in Dollars equal to the amount of such honored drawing and (B) in the case of a Canadian Letter of Credit, Lenders with Canadian Revolving Commitments to make Canadian Revolving Loans that are Canadian Prime Rate Loans or Base Rate Loans, as applicable, on the Reimbursement Date in an amount in Canadian Dollars or Dollars, as applicable, equal to the amount of such honored

drawing (provided that, in respect of any honored drawing in an amount less than \$250,000 (or the Canadian Dollar equivalent), the U.S. Borrower shall reimburse the applicable Issuing Bank for such amount in cash and shall not be entitled to reimburse such drawing in accordance with this clause (x)) and (y) subject to satisfaction or waiver of the conditions specified in Section 3.02, (A) Lenders with U.S. Revolving Commitments shall, on the Reimbursement Date for any U.S. Letter of Credit, make U.S. Revolving Loans that are Base Rate Loans in the amount of such honored drawing and (B) Lenders with Canadian Revolving Commitments shall, on the Reimbursement Date for any Canadian Letter of Credit, make Canadian Revolving Loans that are Canadian Prime Rate Loans or Base Rate Loans, as applicable, in an amount of such honored drawing, in each case, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the applicable Issuing Bank for the amount of such honored drawing; provided, further, that if for any reason proceeds of Revolving Loans are not received by the applicable Issuing Bank on the Reimbursement Date in an amount equal to the amount of such honored drawing, the U.S. Borrower shall reimburse the Issuing Bank, on demand, in an amount in same day funds equal to the excess of the amount of such honored drawing over the aggregate amount of such Revolving Loans, if any, which are so received.

(ii) In the event the Issuing Bank has determined to honor a drawing under a European Letter of Credit, it shall immediately notify the applicable Foreign Subsidiary, the European Borrower and the Administrative Agent, and the European Borrower shall reimburse the Issuing Bank on or before the Reimbursement Date in an amount in the Approved Currency in which such Letter of Credit was issued and in same day funds equal to the amount of such honored drawing; provided, that anything contained herein to the contrary notwithstanding, (i) unless the European Borrower shall have notified the Administrative Agent and the Issuing Bank prior to 10:00 a.m. (London, England time) on the Reimbursement Date that the European Borrower intends to reimburse the Issuing Bank for the amount of such honored drawing with funds other than the proceeds of Revolving Loans, the Borrower Representative shall be deemed to have given a timely Borrowing Notice to the Administrative Agent requesting Lenders with European Revolving Commitments to make European Revolving Loans that are Eurocurrency Rate Loans with an Interest Period of one month on the Reimbursement Date in an amount in the applicable Approved Currency equal to the amount of such honored drawing (provided that, in respect of any honored drawing in an amount less than €250,000, the European Borrower shall reimburse the applicable Issuing Bank for such amount in cash and shall not be entitled to reimburse such drawing in accordance with this clause (i)), and (ii) subject to satisfaction or waiver of the conditions specified in Section 3.02, Lenders with European Revolving Commitments shall, on the Reimbursement Date for any European Letter of Credit, make European Revolving Loans that are Eurocurrency Rate Loans with an Interest Period of one month in the amount of such honored drawing, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the Issuing Bank for the amount of such honored drawing; provided, further, that if for any reason proceeds of European Revolving Loans are not received by the Issuing Bank on the Reimbursement Date in an amount equal to the amount of such honored drawing, the European Borrower shall reimburse the Issuing Bank, on demand, in an amount in same day funds equal to the excess of the amount of such honored drawing over the aggregate amount of such European Revolving Loans, if any, which are so received.

Nothing in this Section 2.04(d) shall be deemed to relieve any Lender with a Revolving Commitment from its obligation to make Revolving Loans on the terms and conditions set forth herein, and each Borrower shall retain any and all rights it may have against any such Lender resulting from the failure of such Lender to make such Revolving Loans under this Section 2.04(d).

(e) Lenders' Purchase of Participations in Letters of Credit. Immediately upon the issuance of each U.S. Letter of Credit, each Lender having a U.S. Revolving Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the applicable Issuing Bank a participation in such U.S. Letter of Credit and any drawings honored thereunder in an amount equal to such Lender's Pro Rata Share (with respect to the U.S. Revolving Commitments) of the maximum amount which is or at any time may become available to be drawn thereunder. Immediately upon the issuance of each Canadian Letter of Credit, each Lender having a Canadian Revolving Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the applicable Issuing Bank a participation in such Canadian Letter of Credit and any drawings honored thereunder in an amount equal to such Lender's Pro Rata Share (with respect to the Canadian Revolving Commitments) of the maximum amount which is or at any time may become available to be drawn thereunder. Immediately upon the issuance of each European Letter of Credit, each Lender having a European Revolving Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the applicable Issuing Bank a participation in such European Letter of Credit and any drawings honored thereunder in an amount equal to such Lender's Pro Rata Share (with respect to the European Revolving Commitments) of the maximum amount which is or at any time may become available to be drawn thereunder. In the event that the applicable Borrower shall fail for any reason to reimburse the applicable Issuing Bank as provided in Section 2.04(d), such Issuing Bank shall promptly notify each Lender with an applicable Revolving Commitment of the unreimbursed amount of such honored drawing and of such Lender's respective participation therein based on such Lender's Pro Rata Share of the applicable Revolving Commitments. Each Lender with a U.S. Revolving Commitment shall make available to the applicable Issuing Bank an amount equal to its respective participation, in Dollars and in same day funds, at the office of the Issuing Bank specified in such notice, not later than 12:00 p.m. (New York City time) on the first Business Day (under the laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. Each Lender with a Canadian Revolving Commitment shall make available to the applicable Issuing Bank an amount equal to its respective participation, in Dollars or Canadian Dollars, as applicable, and in same day funds, at the office of the Issuing Bank specified in such notice, not later than 12:00 p.m. (New York City time) on the first Business Day (under the laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. Each Lender with a European Revolving Commitment shall make available to the applicable Issuing Bank an amount equal to its respective participation, in Euros or such Other Foreign Currency, as applicable, and in same day funds, at the office of the Issuing Bank specified in such notice, not later than 12:00 p.m. (London, England time) on the first Business Day (under the laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. In the event that any Lender with a U.S. Revolving Commitment, Canadian Revolving Commitment or European Revolving Commitment, as applicable, fails to make available to the applicable Issuing Bank on such Business Day the amount of such Lender's participation in such Letter of Credit as provided in this Section 2.04(e), the applicable Issuing Bank shall be entitled to recover such amount on demand from such Lender together with interest thereon for three Business Days at the rate customarily used by the Issuing Bank for the correction of errors among banks and

thereafter, in respect of U.S. Letters of Credit, at the Base Rate, in respect of Canadian Letters of Credit denominated in Canadian Dollars, at the Canadian Prime Rate, in respect of Canadian Letters of Credit denominated in Dollars, at the Base Rate, and in respect of European Letters of Credit, at the Eurocurrency Rate for an Interest Period of one month. In the event the applicable Issuing Bank shall have been reimbursed by other Lenders pursuant to this Section 2.04(e) for all or any portion of any drawing honored by the Issuing Bank under a Letter of Credit, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under this Section 2.04(e) with respect to such honored drawing such Lender's Pro Rata Share (with respect to the applicable Revolving Commitments) of all payments subsequently received by the applicable Issuing Bank from the applicable Borrower in reimbursement of such honored drawing when such payments are received. Any such distribution shall be made to a Lender at its primary address set forth below its name on Schedule 1.01(d) or at such other address as such Lender may request.

(f) Obligations Absolute. The obligation of (i) the U.S. Borrower to reimburse each applicable Issuing Bank for drawings honored under the U.S. Letters of Credit or Canadian Letters of Credit issued by it and to repay any U.S. Revolving Loans or Canadian Revolving Loans made by Lenders pursuant to Section 2.04(d), (ii) the European Borrower to reimburse the Issuing Bank for drawings honored under the European Letters of Credit issued by it and to repay any European Revolving Loans made by Lenders pursuant to Section 2.04(d) and (iii) the Lenders under Section 2.04(e), in each case shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms hereof under all circumstances including any of the following circumstances: (i) any lack of validity or enforceability of any Letter of Credit; (ii) the existence of any claim, set-off, defense or other right which any Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), Issuing Bank, Lender or any other Person or, in the case of a Lender, against any Borrower, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Borrower or one of its Subsidiaries and the beneficiary for which any Letter of Credit was procured); (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iv) payment by the applicable Issuing Bank under any Letter of Credit against presentation of a draft or other document which does not substantially comply with the terms of such Letter of Credit; (v) any adverse change in the business, general affairs, assets, liabilities, operations, management, condition (financial or otherwise), stockholders' equity, results of operations or value of any Loan Party; (vi) any breach hereof or any other Loan Document by any party thereto; (vii) the fact that an Event of Default or a Default shall have occurred and be continuing; or (viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing; provided that in each case payment by the Issuing Bank under the applicable Letter of Credit shall not have been determined by a final, non-appealable judgment of a court of competent jurisdiction to have constituted gross negligence, bad faith or willful misconduct of the Issuing Bank under the circumstances in question.

(g) Indemnification. Without duplication of any obligation of the Borrowers under Section 10.02 or 10.03, in addition to amounts payable as provided herein, each Borrower hereby agrees to protect, indemnify, pay and save harmless the Issuing Bank from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable fees, expenses and disbursements of counsel) which any Issuing Bank may incur or be subject to

as a consequence, direct or indirect, of (i) the issuance of any Letter of Credit by such Issuing Bank for the account of such Borrower, other than as a result of (1) the gross negligence, bad faith or willful misconduct of the Issuing Bank or (2) the dishonor by the Issuing Bank of a demand for payment made in compliance with the provisions hereunder or under the Letter of Credit, in each case, as determined by a final, non-appealable judgment of court of competent jurisdiction, or (ii) the failure of such Issuing Bank to honor a drawing under any such Letter of Credit as a result of any Governmental Act.

(h) Resignation and Removal of Issuing Bank. An Issuing Bank may resign as Issuing Bank upon 60 days prior written notice to the Administrative Agent, the Lenders and the Borrower Representative. An Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Administrative Agent, the replaced Issuing Bank (provided that no consent of the replaced Issuing Bank will be required if the replaced Issuing Bank has no Letters of Credit or reimbursement Obligations with respect thereto outstanding) and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of such Issuing Bank. At the time any such replacement or resignation shall become effective, the applicable Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank. From and after the effective date of any such replacement or resignation, (i) any successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit or to renew existing Letters of Credit.

(i) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Issuing Bank and the applicable Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

Section 2.05 Pro Rata Shares; Availability of Funds; Affiliates.

(a) Pro Rata Shares. Except with respect to Tranche A Term Loans and Tranche B Term Loans to be made on the Restatement Date pursuant to Section 2.01(a), which Loans shall be made by Lenders simultaneously and proportionately to their First Amendment Tranche A Term Loan Commitments and First Amendment Tranche B Term Loan Commitments, respectively, as of the Restatement Date, all Loans shall be made, and all participations purchased, by Lenders simultaneously and proportionately to their respective Pro Rata Shares of the applicable Class of Loans, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby nor shall any Term Loan Commitments or any Revolving Commitments of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to the Administrative Agent the amount of such Lender's Loan requested on such Credit Date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Credit Date and the Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to the Borrowers a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the customary rate set by the Administrative Agent for the correction of errors among banks for three Business Days and thereafter, if such Loan is in Dollars, at the Base Rate, if such Loan is in Canadian Dollars, at the Canadian Prime Rate, and if such Loan is in Euros or any Other Foreign Currency, at the rate certified by the Administrative Agent to be its cost of funds (from any source which it may reasonably select). If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower Representative and the applicable Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent at the Base Rate if such Loan is in Dollars, at the Canadian Prime Rate if such Loan is in Canadian Dollars, and at the rate certified by the Administrative Agent to be its cost of funds (from any source which it may reasonably select) if such Loan is in Euros or any Other Foreign Currency. Nothing in this Section 2.05(b) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments and Revolving Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

(c) Affiliates. Each Lender may, at its option, make any Loan available to the European Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the European Borrower to repay such Loan in accordance with the terms of this Agreement and (ii) any Lender that exercises such option shall not be entitled to receive any greater payment under Section 2.19 or 2.20 than such Lender would have been entitled to receive had such option not been exercised.

Section 2.06 Use of Proceeds. The proceeds of the Loans on the Closing Date were applied by the U.S. Borrower, (a) together with proceeds from the issuance of the 2022 Notes and cash on hand, to finance the Closing Date Transactions and (b) for working capital or other general corporate purposes. The proceeds of the Revolving Loans, Swing Line Loans, Letters of Credit and any loans under any Ancillary Facility made after the Closing Date shall be applied by the applicable Borrower for working capital or other general corporate purposes of the U.S. Borrower or any of its Subsidiaries, including Permitted Acquisitions. The proceeds of the Term Loans borrowed on the Restatement Date shall be used to finance the Restatement Transactions. The proceeds of the Incremental Term Loans shall be applied by the applicable Borrower for working capital or other general corporate purposes of the U.S. Borrower and its Subsidiaries, including Permitted Acquisitions. No portion of the proceeds of any Credit Extension shall be used in any manner that causes or might cause such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

Section 2.07 Evidence of Debt; Register; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of each Borrower to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof.

(b) Register. The Administrative Agent (or its agent or sub-agent appointed by it) acting for this purpose as an agent of the Borrowers shall maintain at its Principal Office a register for the recordation of the names and addresses of Lenders and the Revolving Commitment and Loans of each Lender from time to time (the "Register"). The Register shall be available for inspection by the Borrower Representative at any reasonable time and from time to time upon reasonable prior notice and upon request (which may not be made more than once per month) the Administrative Agent shall provide a copy of the information in the Register to the Borrower. The Administrative Agent shall record, or shall cause to be recorded, in the Register the Revolving Commitments and the Loans in accordance with the provisions of Section 10.06, and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on each Borrower and each Lender, absent manifest error. Each Borrower hereby designates the Administrative Agent to serve as such Borrower's agent solely for purposes of maintaining the Register as provided in this Section 2.07, and each Borrower hereby agrees that, to the extent the Administrative Agent serves in such capacity, the Administrative Agent and its officers, directors, employees, agents, sub-agents and Affiliates shall constitute "Indemnitees."

(c) Notes. If so requested by any Lender by written notice to the Borrower Representative (with a copy to the Administrative Agent) at least five Business Days prior to the Restatement Date, or at any time thereafter, each applicable Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.06) on the Restatement Date (or, if such notice is delivered after the Restatement Date, promptly after such Borrower's receipt of such notice) a Note or Notes to evidence such Lender's Tranche A Term Loans, Tranche B Term Loans, Incremental Term Loans, Revolving Loans or Swing Line Loans, as the case may be.

Section 2.08 Interest on Loans.

(a) Except as otherwise set forth herein, each Class of Loans shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

- (i) in the case of Tranche A Term Loans and Revolving Loans (other than a European Revolving Loan):
 - (A) if a Base Rate Loan, at the Base Rate plus the Applicable Margin;
 - (B) if a Eurocurrency Rate Loan, at the Adjusted Eurocurrency Rate plus the Applicable Margin; or
 - (C) if a Canadian Prime Rate Loan, at the Canadian Prime Rate plus the Applicable Margin;

(ii) in the case of European Revolving Loans, at the Adjusted Eurocurrency Rate plus the Applicable Margin and plus Mandatory Costs, if any;

(iii) in the case of Swing Line Loans, at the Base Rate or the Canadian Prime Rate, as applicable, plus the Applicable Margin; and

(iv) in the case of Tranche B Term Loans:

(A) if a Base Rate Loan, at the Base Rate plus the Applicable Margin; or

(B) if a Eurocurrency Rate Loan, at the Adjusted Eurocurrency Rate plus the Applicable Margin.

(b) The Type of Loan (except a Swing Line Loan, which can be made and maintained as a Base Rate Loan or Canadian Prime Rate Loan only), and the Interest Period with respect to any Eurocurrency Rate Loan shall be selected by the applicable Borrower and notified to the Administrative Agent and Lenders pursuant to the applicable Borrowing Notice or Conversion/Continuation Notice, as the case may be. If on any day a Loan is outstanding with respect to which a Borrowing Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan, if a Loan denominated in Dollars or Canadian Dollars, shall be a Base Rate Loan or a Canadian Prime Rate Loan, as applicable, and, if a Loan denominated in any other Approved Currency, shall be a Eurocurrency Rate Loan having an Interest Period of one month.

(c) In connection with Eurocurrency Rate Loans there shall be no more than five Interest Periods outstanding at any time in respect of each of the Tranche A Term Loans and the Tranche B Term Loans, no more than 10 Interest Periods outstanding at any time in respect of the U.S. Revolving Loans, no more than five Interest Periods outstanding at any time in respect of the Canadian Revolving Loans, and no more than 10 Interest Periods outstanding at any time in respect of the European Revolving Loans. In the event the Borrower Representative fails to specify between a Base Rate Loan or a Eurocurrency Rate Loan in the applicable Borrowing Notice or Conversion/Continuation Notice for any Loan denominated in Dollars, such Loan (if outstanding as a Eurocurrency Rate Loan) shall be automatically converted into a Base Rate Loan on the last day of the then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan shall remain as, or (if not then outstanding) shall be made as, a Base Rate Loan). In the event the Borrower Representative fails to specify an Interest Period for any Eurocurrency Rate Loan in the applicable Borrowing Notice or Conversion/Continuation Notice, such Borrower shall be deemed to have selected an Interest Period of one month. The Interest Periods in effect immediately prior to the Restatement Date shall remain in effect with respect to Loans outstanding immediately prior to the Restatement Date (or if new Interest Periods are entered into in connection with the Restatement Date with respect to such Loans outstanding immediately prior to the Restatement Date, the end dates of such new Interest Periods shall be the same as the Interest Period end dates with respect to such Loans immediately prior to the Restatement Date). As soon as practicable after 10:00 a.m. (New York City time) or, with respect to Loans in respect of European Revolving Commitments, 10:00 a.m. (London, England time), on each Interest Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurocurrency Rate Loans for which

an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower Representative and each Lender. In the event that the Borrower Representative fails to specify between a Canadian Prime Rate Loan and a Eurocurrency Rate Loan in the applicable Borrowing Notice or Conversion/Continuation Notice for any Loan denominated in Canadian Dollars, such Loan (if outstanding as a Eurocurrency Rate Loan) shall be automatically converted into a Canadian Prime Rate Loan on the last day of the then-current Interest Period for such Loan (or if outstanding as a Canadian Prime Rate Loan shall remain as, or (if not then outstanding) shall be made as, a Canadian Prime Rate Loan).

(d) Interest payable pursuant to Section 2.08(a) shall be computed (i) in the case of Base Rate Loans and Canadian Prime Rate Loans on the basis of a 365-day or 366-day year, as the case may be and (ii) in the case of Eurocurrency Rate Loans, on the basis of a 360-day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Term Loan, the last Interest Payment Date with respect to such Term Loan or, with respect to a Base Rate Loan or Canadian Prime Rate Loan being converted from a Eurocurrency Rate Loan, the date of conversion of such Eurocurrency Rate Loan to such Base Rate Loan or Canadian Prime Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan or Canadian Prime Rate Loan being converted to a Eurocurrency Rate Loan, the date of conversion of such Base Rate Loan or Canadian Prime Rate Loan to such Eurocurrency Rate Loan, as the case may be, shall be excluded; provided, that if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and shall be payable in arrears (i) on each Interest Payment Date with respect to interest accrued on and to each such payment date; (ii) upon any prepayment of such Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; provided, that with respect to any voluntary prepayment of a Base Rate Loan and a Canadian Prime Rate Loan, accrued interest shall instead be payable on the applicable Interest Payment Date and (iii) at maturity of such Loan, including final maturity of such Loan.

(f) The applicable Borrower agrees to pay to the Issuing Bank, with respect to drawings honored under a Letter of Credit, interest on the amount paid by the Issuing Bank in respect of each such honored drawing from the date such drawing is honored to but excluding the date such amount is reimbursed by or on behalf of the applicable Borrower at a rate equal to (i) for the period from the date such drawing is honored to but excluding the applicable Reimbursement Date, the rate of interest otherwise payable hereunder with respect to Revolving Loans that are Base Rate Loans (or if such Letter of Credit is denominated in Canadian Dollars, the Canadian Prime Rate) or, with respect to Letters of Credit denominated in a currency other than Dollars or Canadian Dollars, Eurocurrency Rate Loans with an Interest Period of one month, and (ii) thereafter, a rate which is 2.00% *per annum* in excess of the rate of interest otherwise payable hereunder with respect to such Revolving Loans.

(g) Interest payable pursuant to Section 2.08(f) shall be computed on the basis of a 365/366-day year for the actual number of days elapsed in the period during which it accrues, and

shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. Promptly upon receipt by the Issuing Bank of any payment of interest pursuant to Section 2.08(f), the Issuing Bank shall distribute to each Lender, out of the interest received by the Issuing Bank in respect of the period from the date such drawing is honored to but excluding the date on which the Issuing Bank is reimbursed for the amount of such drawing (including any such reimbursement out of the proceeds of any Revolving Loans), the amount that such Lender would have been entitled to receive in respect of the letter of credit fee that would have been payable in respect of such Letter of Credit for such period if no drawing had been honored under such Letter of Credit. In the event the Issuing Bank shall have been reimbursed by Lenders for all or any portion of such honored drawing, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under Section 2.04(e) with respect to such honored drawing such Lender's Pro Rata Share of any interest received by the Issuing Bank in respect of that portion of such honored drawing so reimbursed by Lenders for the period from the date on which the Issuing Bank was so reimbursed by Lenders to but excluding the date on which such portion of such honored drawing is reimbursed by the applicable Borrower.

(h) The rate and time of payment of interest in respect of any Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Borrower under such Ancillary Facility based on normal market rates and terms.

(i) For purposes of disclosure pursuant to the *Interest Act* (Canada), (i) whenever any interest under this Agreement is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which the period for which such interest or fee is payable (or compounded) ends, and (z) divided by 360 or 365, as the case may be, (ii) the principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement, and (iii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

Section 2.09 Conversion/Continuation.

(a) Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall have the option:

(i) to convert at any time all or any part of any Term Loan or Revolving Loan denominated in Dollars or Canadian Dollars equal to \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, that a Eurocurrency Rate Loan may only be converted on the expiration of the Interest Period applicable to such Eurocurrency Rate Loan unless the U.S. Borrower shall pay all amounts due under Section 2.18 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any Eurocurrency Rate Loan, to continue all or any portion of such Loan equal to \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount as a Eurocurrency Rate Loan;

provided that, for the avoidance of doubt, no conversion or continuation of any Loan pursuant to this Section 2.09 shall affect the currency in which such Loan is denominated prior to any such

conversion or continuation and each such Loan shall remain outstanding denominated in the currency originally issued.

(b) The Borrower Representative shall deliver a Conversion/Continuation Notice to the Administrative Agent no later than 10:00 a.m. (New York City time) or, with respect to Loans in respect of European Revolving Commitments, 10:00 a.m. (London, England time), at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan or Canadian Prime Rate Loan) and at least three Business Days in advance of the proposed Conversion/Continuation Date (in the case of a conversion to, or a continuation of, a Eurocurrency Rate Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Eurocurrency Rate Loans, shall be irrevocable on and after the related Interest Rate Determination Date, and each Borrower shall be bound to effect a conversion or continuation in accordance therewith.

Section 2.10 Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 8.01(a), 8.01(c) (in the case of a failure to perform or comply with any term or condition contained in Section 6.07(a) or 6.07(b)), 8.01(f), 8.01(g) or 8.01(h) and, at the request of the Required Lenders, any other Event of Default, the principal amount of all Loans outstanding and, to the extent permitted by applicable law, any interest payments on the Loans or any fees or other amounts owed hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) payable on demand at a rate (the “Default Rate”) that is 2.00% *per annum* in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is 2.00% *per annum* in excess of the interest rate otherwise payable hereunder for Base Rate Loans that are Revolving Loans); provided, that in the case of Eurocurrency Rate Loans denominated in Dollars and Canadian Dollars, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurocurrency Rate Loans shall thereupon become Base Rate Loans or Canadian Prime Rate Loans, as applicable, and shall thereafter bear interest payable upon demand at a rate which is 2.00% *per annum* in excess of the interest rate otherwise payable hereunder for Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

Section 2.11 Fees.

(a) The U.S. Borrower agrees to pay to Lenders (other than Defaulting Lenders) having U.S. Revolving Exposure and Canadian Revolving Exposure, as applicable:

(i) commitment fees equal to (1) the average of the daily difference between (a) the U.S. Revolving Commitments and (b) the aggregate principal amount of (x) all outstanding U.S. Revolving Loans plus (y) the U.S. Letter of Credit Usage, times (2) the Applicable Revolving Commitment Fee Percentage;

(ii) commitment fees equal to (1) the average of the daily difference between (a) the Canadian Revolving Commitments and (b) the Dollar Equivalent of the aggregate principal amount of (x) all outstanding Canadian Revolving Loans plus (y) the Canadian Letter of Credit Usage, times (2) the Applicable Revolving Commitment Fee Percentage;

(iii) letter of credit fees equal to (1) the Applicable Margin for U.S. Revolving Loans that are Eurocurrency Rate Loans, times (2) the average aggregate daily maximum amount available to be drawn under all such U.S. Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination); and

(iv) letter of credit fees equal to (1) the Applicable Margin for Canadian Revolving Loans that are Eurocurrency Rate Loans, times (2) the Dollar Equivalent of the average aggregate daily maximum amount available to be drawn under all such Canadian Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination).

All fees referred to in this Section 2.11(a) shall be paid in Dollars to the Administrative Agent at its Principal Office and upon receipt, the Administrative Agent shall promptly distribute to each Lender that has Revolving Exposure its Pro Rata Share thereof.

(b) The European Borrower agrees to pay to Lenders (other than Defaulting Lenders) having European Revolving Exposure:

(i) commitment fees equal to (1) the average of the daily difference between (a) the European Revolving Commitments and (b) the Euro Equivalent of the aggregate principal amount of (x) all outstanding European Revolving Loans plus (y) the European Letter of Credit Usage, times (2) the Applicable Revolving Commitment Fee Percentage; and

(ii) letter of credit fees equal to (1) the Applicable Margin for European Revolving Loans, times (2) the Euro Equivalent of the average aggregate daily maximum amount available to be drawn under all such European Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination).

All fees referred to in this Section 2.11(b) shall be paid in Euros to the Administrative Agent at its applicable Principal Office and upon receipt, the Administrative Agent shall promptly distribute to each Lender that has Revolving Exposure its Pro Rata Share thereof.

(c) Letter of Credit Fronting Fees.

(i) The U.S. Borrower agrees to pay directly to the applicable Issuing Bank, for its own account, with respect to any standby U.S. Letters of Credit and standby Canadian Letters of Credit a fronting fee in Dollars equal to 0.125% *per annum* (or such lesser amount as may be agreed to by the Borrower Representative and the applicable Issuing Bank), times the average aggregate daily maximum amount available to be drawn under all such U.S. Letters of Credit and Canadian Letters of Credit (determined as of the close of business on any date of determination).

(ii) The European Borrower agrees to pay directly to the applicable Issuing Bank, for its own account, with respect to any standby European Letters of Credit a fronting fee in Euros equal to 0.125% *per annum* (or such lesser amount as may be agreed to by the

Borrower Representative and the applicable Issuing Bank), times the average aggregate daily maximum amount available to be drawn under all such European Letters of Credit (determined as of the close of business on any date of determination).

(iii) The applicable Borrower agrees to pay fees to be agreed with the applicable Issuing Bank in respect of all commercial Letters of Credit.

(iv) The applicable Borrower agrees to pay such documentary and processing charges for any issuance, amendment, transfer or payment of a Letter of Credit as are in accordance with the applicable Issuing Bank's standard schedule for such charges and as in effect at the time of such issuance, amendment, transfer or payment, as the case may be.

(d) All fees referred to in Sections 2.11(a), 2.11(b), 2.11(c)(i) and 2.11(c)(ii) shall be calculated on the basis of a 360-day year and the actual number of days elapsed and shall be payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year during the applicable Revolving Commitment Period, commencing on the first such date to occur after the Closing Date, and on the applicable Revolving Commitment Termination Date.

(e) In addition to any of the foregoing fees, the Borrowers agree to pay to Agents such other fees (such as administrative agency fees) in the amounts and at the times separately agreed upon. The rate and timing of fees in respect of any Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Borrower under such Ancillary Facility based on normal market rates and terms. Certain fees separately agreed, if any, shall be payable to the Lenders on the Closing Date as fee compensation for the funding of such Lender's Loans or availability of such Lender's unfunded Revolving Commitment. Such closing fees, if any, shall be in all respect earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter.

(b) The principal amount of the Tranche B Term Loans outstanding on the Tranche B Term Loan Maturity Date shall be repaid on such date, it being understood and agreed that, as of the Restatement Date, the U.S. Borrower has, through voluntary and mandatory prepayments of the Tranche B Term Loans under the Original Credit Agreement prior to the Restatement Date, applied as provided for in Section 2.15, reduced the Installments set forth in the Original Credit Agreement such that the only remaining Installment is the outstanding principal amount of the Tranche B Term Loans as of the Tranche B Term Loan Maturity Date.

(c) Notwithstanding the foregoing, (x) such Installments shall be reduced in connection with any voluntary or mandatory prepayments of the Tranche A Term Loans in accordance with Section 2.15; and (y) the Tranche A Term Loans and the Tranche B Term Loans, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the Tranche A Term Loan Maturity Date and the Tranche B Term Loan Maturity Date, respectively.

Section 2.13 Voluntary Prepayments/Commitment Reductions.

(a) Voluntary Prepayments.

(i) Any time and from time to time (1) with respect to Base Rate Loans or Canadian Prime Rate Loans, the U.S. Borrower may prepay any such Loans on any Business

Day in whole or in part, in an aggregate minimum amount of \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount; (2) with respect to Eurocurrency Rate Loans, the applicable Borrower may prepay any such Loans on any Business Day in whole or in part in an aggregate minimum amount of, with respect to Loans denominated in Dollars or Canadian Dollars and U.S. Revolving Loans or Canadian Revolving Loans, \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount, and, with respect to Loans denominated in Euros and all European Revolving Loans, €5,000,000 and integral multiples of €1,000,000 in excess of that amount; and (3) with respect to Swing Line Loans, the U.S. Borrower may prepay any such Loans on any Business Day in whole or in part in an aggregate minimum amount of \$500,000, and in integral multiples of \$100,000 in excess of that amount, in each case, without premium or penalty except as described in the immediately following sentence. In connection with any Repricing Event that is consummated in respect of all or any portion of the Tranche B Term Loans on or prior to the six-month anniversary of the Restatement Date, the U.S. Borrower shall pay to the Administrative Agent, for the ratable benefit of the Term Lenders having Tranche B Term Loan Exposure, a fee equal to 1.00% of the aggregate principal amount of the Tranche B Term Loans subject to such Repricing Event (provided, that any prepayment of any Tranche B Term Loans made in connection with a Change of Control shall not require the payment of the 1.00% fee otherwise required by this sentence).

(ii) All such prepayments shall be made (1) upon not less than one Business Day's prior written notice in the case of Base Rate Loans or Canadian Prime Rate Loans; (2) upon not less than three Business Days' prior written notice in the case of Eurocurrency Rate Loans and (3) upon written notice on the date of prepayment, in the case of Swing Line Loans;

in each case given to the Administrative Agent or applicable Swing Line Lender, as the case may be, by 12:00 p.m. (New York City time) (or, with respect to repayments of European Revolving Loans, 12:00 p.m. (London, England time)) on the date required (and the Administrative Agent or such Swing Line Lender, as the case may be, shall promptly transmit such original notice by telefacsimile or telephone to each Lender). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein; provided that such a notice may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative if such condition is not satisfied. Any such voluntary prepayment shall be applied as specified in Section 2.15(a).

(b) Voluntary Commitment Reductions.

(i) The Borrower Representative may, upon not less than three Business Days' prior written notice to the Administrative Agent (which written notice the Administrative Agent shall promptly transmit by telefacsimile or telephone to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part, without premium or penalty, the U.S. Revolving Commitments, the Canadian Revolving Commitments and/or the European Revolving Commitments in an amount up to the amount by which (x) the U.S. Revolving Commitments exceed the Total Utilization of U.S. Revolving Commitments, (y) the Canadian Revolving Commitments exceed the Total

Utilization of Canadian Revolving Commitments or (z) the European Revolving Commitments exceed the Total Utilization of European Revolving Commitments, as applicable, at the time of such proposed termination or reduction; provided, that any such partial reduction of the Revolving Commitments shall be in an aggregate minimum amount of, with respect to U.S. Revolving Commitments and Canadian Revolving Commitments, \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount, and, with respect to European Revolving Commitments, €5,000,000 and integral multiples of €1,000,000 in excess of that amount.

(ii) The Borrower Representative's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Revolving Commitments shall be effective on the date specified in the Borrower Representative's notice and shall reduce the applicable Revolving Commitments of each Lender proportionately to its Pro Rata Share thereof; provided that such a notice may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative if such condition is not satisfied. Notwithstanding anything to the contrary contained in this Section 2.13(b)(ii) or any other provision of this Agreement, the Borrower Representative may reduce the Revolving Commitment of any Defaulting Lender to an amount not less than the applicable Revolving Exposure of such Defaulting Lender with respect to such Revolving Commitment (it being understood that for purposes of determining such Defaulting Lender's Revolving Exposure pursuant to this sentence, such Defaulting Lender's Revolving Commitments shall be deemed to be terminated), such reduction to be subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed).

(c) Below-Par Purchases. Notwithstanding anything to the contrary contained in this Section 2.13 or any other provision of this Agreement and without otherwise limiting the rights in respect of prepayments of the Loans of the U.S. Borrower and its Subsidiaries, so long as no Default or Event of Default has occurred and is continuing, the U.S. Borrower may repurchase outstanding Term Loans pursuant to this Section 2.13(c) on the following basis:

(i) The U.S. Borrower may make one or more offers (each, an "Offer") to repurchase all or any portion of the Tranche A Term Loans and/or Tranche B Term Loans (such Term Loans, the "Offer Loans"); provided that, (A) the U.S. Borrower delivers notice of its intent to make such Offer to the Administrative Agent at least five Business Days in advance of the launch of any proposed Offer, (B) upon the launch of such proposed Offer, the U.S. Borrower delivers an irrevocable notice of such Offer to all applicable Term Lenders (with a copy to the Administrative Agent) indicating (1) the last date on which such Offer may be accepted, (2) the maximum Dollar amount of such Offer, and (3) the repurchase price per Dollar of principal amount of such Offer Loans at which the U.S. Borrower is willing to repurchase such Offer Loans (which price shall be below par), (C) the maximum Dollar amount of each Offer shall be an amount reasonably determined by the U.S. Borrower in consultation with the Administrative Agent prior to the making of any such Offer; (D) the U.S. Borrower shall hold such Offer open for a minimum period of days to be reasonably determined by the Administrative Agent and the U.S. Borrower prior to the making of any such Offer; (E) a Term Lender who elects to participate in the Offer may choose to sell all

or part of such Term Lender's Offer Loans; (F) such Offer shall be made to all Term Lenders holding the Offer Loans on a *pro rata* basis in accordance with the respective principal amount then due and owing to the Term Lenders; provided, further that, if any Term Lender elects not to participate in the Offer, either in whole or in part, the amount of such Term Lender's Offer Loans not being tendered shall be excluded in calculating the *pro rata* amount applicable to the balance of such Offer Loans and (G) such Offer shall be conducted pursuant to such procedures the Administrative Agent may establish in consultation with the U.S. Borrower (which shall be consistent with this Section 2.13(c)) and that a Lender must follow in order to have its Offer Loans repurchased, which procedures may include a requirement that the U.S. Borrower represent and warrant that it does not have any material non-public information with respect to any Loan Party (or its Subsidiaries) that could be material to a Lender's decision to participate in such Offer;

(ii) With respect to all repurchases made by the U.S. Borrower, such repurchases shall be deemed to be voluntary prepayments pursuant to this Section 2.13 in an amount equal to the aggregate principal amount of such Term Loans; provided that such repurchases shall not be subject to the provisions of Section 2.13(a), 2.13(b) or 2.17;

(iii) Upon the purchase by the U.S. Borrower of any Term Loans, (A) automatically and without the necessity of any notice or any other action, all principal and accrued and unpaid interest on the Term Loans so repurchased shall be deemed to have been paid for all purposes and shall be cancelled and no longer outstanding for all purposes of this Agreement and all other Loan Documents (and in connection with any Term Loan purchased pursuant to this Section 2.13(c), the Administrative Agent is authorized to make appropriate entries in the Register to reflect such cancellation) and (B) the U.S. Borrower will promptly advise the Administrative Agent of the total amount of Offer Loans that were repurchased from each Lender who elected to participate in the Offer;

(iv) Failure by the U.S. Borrower to make any payment to a Lender required by an agreement permitted by this Section 2.13(c) shall not constitute an Event of Default under Section 8.01(a);

(v) No proceeds of any Revolving Loans may be used to purchase any Offer Loans, and all amounts used to purchase Offer Loans shall be deemed to be a use of the Available Amount; and

(vi) The amount of such repurchases (based on the face value of the Term Loans purchased thereby) shall be applied on a *pro rata* basis to reduce the remaining Installments on the applicable Class of Term Loans pursuant to Section 2.12.

Section 2.14 Mandatory Prepayments/Commitment Reductions.

(a) Asset Sales. No later than 10 Business Days following the date of receipt by any Group Member of any Net Cash Proceeds in respect of any Asset Sale pursuant to Section 6.08(d), 6.08(j)(ii) or 6.08(k), the Term Loans shall be repaid as set forth in Section 2.15(b) in an aggregate amount equal to such Net Cash Proceeds; provided, that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower Representative shall have the option, upon written notice to the Administrative Agent, directly or through one or more of its Subsidiaries, to

invest or commit in writing to invest such Net Cash Proceeds within 365 days of receipt thereof in assets useful in the business of one or more Group Members, which investment may include the repair, restoration or replacement of the applicable assets thereof or Permitted Acquisitions to the extent such investments are otherwise permitted under this Agreement; provided, further, that in the event such Net Cash Proceeds are committed in writing to be invested prior to such 365th day, the Borrower Representative shall have the option to invest such Net Cash Proceeds within 180 days after the expiration of such initial 365-day period. Notwithstanding the foregoing, no Group Member shall be required to repay the Term Loans with any such Net Cash Proceeds to the extent the repatriation of such Net Cash Proceeds to fund such repayments would, in the good faith judgment of the U.S. Borrower, result in material adverse tax consequences to the U.S. Borrower or any of its Subsidiaries or conflict with applicable law; provided that, in any event, the U.S. Borrower shall use commercially reasonable efforts to eliminate such tax effects in order to make such prepayments.

(b) Insurance/Condemnation Proceeds. No later than 10 Business Days following the date of receipt by any Group Member, or the Administrative Agent as loss payee, of any Net Cash Proceeds of the type described in clause (b) of the definition thereof, the Term Loans shall be repaid as set forth in Section 2.15(b) in an aggregate amount equal to such Net Cash Proceeds; provided, that so long as no Default or Event of Default shall have occurred and be continuing, the Borrower Representative shall have the option, upon written notice to the Administrative Agent, directly or through one or more of its Subsidiaries to invest or commit in writing to invest such Net Cash Proceeds within 365 days of receipt thereof in assets useful in the business of one or more Group Member, which Investment may include the repair, restoration or replacement of the applicable assets thereof or Permitted Acquisitions; provided, further, that in the event such Net Cash Proceeds are committed in writing to be invested prior to such 365th day, the Borrower Representative shall have the option to invest such Net Cash Proceeds within 180 days after the expiration of such initial 365-day period. Notwithstanding the foregoing, no Group Member shall be required to repay the Term Loans with any such Net Cash Proceeds to the extent the repatriation of such Net Cash Proceeds to fund such repayments would, in the good faith judgment of the U.S. Borrower, result in material adverse tax consequences to the U.S. Borrower or any of its Subsidiaries or conflict with applicable law; provided that, in any event, the U.S. Borrower shall use commercially reasonable efforts to eliminate such tax effects in order to make such prepayments.

(c) Issuance or Incurrence of Debt. No later than one Business Day following the date of receipt by any Group Member of any Net Cash Proceeds from the issuance or incurrence of any Indebtedness of any Group Member (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.01, but including Indebtedness permitted to be incurred pursuant to Sections 6.01(n)(i) and 6.01(n)(ii)), the Net Cash Proceeds of which are required to prepay Term Loans, which Net Cash Proceeds shall be applied not later than five Business Days after receipt to the extent necessary to allow the Borrowers to comply with Section 2.15(d)), the Term Loans shall be prepaid by the U.S. Borrower as set forth in Section 2.15(b) in an aggregate amount equal to 100.0% of such Net Cash Proceeds.

(d) Consolidated Excess Cash Flow. In the event that there shall be Consolidated Excess Cash Flow for any Fiscal Year (commencing with the Fiscal Year ending February 1, 2015), no later than 95 days after the end of such Fiscal Year, the Term Loans shall be prepaid by the U.S. Borrower as set forth in Section 2.15(b) in an aggregate amount equal to (i) 50% of such Consolidated Excess Cash Flow minus (ii) voluntary repayments of the Term Loans in such Fiscal Year pursuant to

Section 2.13(a) and voluntary repayments of Revolving Loans or Swing Line Loans in such Fiscal Year to the extent the Revolving Commitments are permanently reduced in connection with such repayments; provided, that if, as of the last day of the most recently ended Fiscal Year, the Net Leverage Ratio (determined for any such period by reference to the Compliance Certificate delivered pursuant to Section 5.01(c) calculating the Net Leverage Ratio as of the last day of such Fiscal Year) shall be (x) less than 2.75:1.00 but greater than or equal to 2.25:1.00, the U.S. Borrower shall only be required to make the prepayments and/or reductions otherwise required hereby in an amount equal to (i) 25% of such Consolidated Excess Cash Flow minus (ii) voluntary repayments of the Term Loans in such Fiscal Year pursuant to Section 2.13(a) and voluntary repayments of Revolving Loans or Swing Line Loans in such Fiscal Year to the extent the Revolving Commitments are permanently reduced in connection with such repayments or (y) less than 2.25:1.00, no such payment shall be required.

(e) Revolving Loans, Swing Line Loans and Letters of Credit. The applicable Borrower shall from time to time (i) prepay *first*, the Swing Line Loans, and *second*, the Revolving Loans and (ii) if all such Loans are prepaid without exhausting the excess referred to below, Cash Collateralize outstanding Letters of Credit, in each case, to the extent necessary so that (x) the Total Utilization of U.S. Revolving Commitments shall not at any time exceed the U.S. Revolving Commitments then in effect, (y) the Total Utilization of Canadian Revolving Commitments shall not at any time exceed the Canadian Revolving Commitments then in effect and (z) the Total Utilization of European Revolving Commitments shall not at any time exceed the European Revolving Commitments then in effect. Notwithstanding the foregoing, mandatory prepayments of Swing Line Loans and Revolving Loans and Cash Collateralization of Letters of Credit that would otherwise be required pursuant to this Section 2.14(e) solely as a result of fluctuations in Exchange Rates from time to time shall only be required to be made on the last Business Day of each month on the basis of the Exchange Rate in effect on such Business Day.

(f) Prepayment Certificate. Concurrently with any prepayment of the Term Loans pursuant to Sections 2.14(a) through 2.14(d), the Borrower Representative shall deliver to the Administrative Agent a certificate of an Authorized Officer demonstrating the calculation of the amount of the applicable Net Cash Proceeds or Consolidated Excess Cash Flow, as the case may be. In the event that the Borrower Representative shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the U.S. Borrower shall promptly make an additional prepayment of the Term Loans in an amount equal to such excess, and the Borrower Representative shall concurrently therewith deliver to the Administrative Agent a certificate of an Authorized Officer describing such excess.

Section 2.15 Application of Prepayments/Reductions; Application of Proceeds of Collateral.

(a) Application of Voluntary Prepayments by Type of Loans. Any prepayment of any Loan pursuant to Section 2.13(a) shall be applied to the Loans and Installments, if applicable, as specified by the applicable Borrower in the applicable notice of prepayment (and shall not be required to be applied *pro rata* to all Loans or Installments); provided, further, that in the event the applicable Borrower fails to specify the Loans to which any such prepayment shall be applied, such prepayment shall be applied as follows:

first, to repay outstanding Swing Line Loans on a *pro rata* basis until paid in full;

second, to repay outstanding Revolving Loans on a *pro rata* basis until paid in full; and

third, to prepay the Term Loans on a *pro rata* basis (in accordance with the respective outstanding principal amounts thereof, which prepayments shall be applied to the scheduled Installments of principal in accordance with Section 2.15(c));

in each case, for the avoidance of doubt, allocated on a *pro rata* basis among the applicable U.S. Loans, Canadian Revolving Loans and European Revolving Loans.

(b) Application of Mandatory Prepayments by Type of Loans. Any amount required to be paid pursuant to Sections 2.14(a) through 2.14(d) shall be applied to prepay Term Loans on a *pro rata* basis (in accordance with the respective outstanding principal amounts thereof, which prepayments shall be applied to the scheduled Installments of principal in accordance with Section 2.15(c)).

(c) Application to Installments. Any prepayment of the Tranche A Term Loans pursuant to Sections 2.14(a) through 2.14(d), as applicable, shall be applied to reduce in direct order of maturity the next four scheduled Installments of the Tranche A Term Loans due and thereafter shall be applied on a *pro rata* basis to reduce the scheduled remaining Installments of the Tranche A Term Loans. Any prepayment of the Tranche B Term Loans pursuant to Sections 2.14(a) through 2.14(d), as applicable, shall be applied to reduce in direct order of maturity the next four scheduled Installments of the Tranche B Term Loans due and thereafter shall be applied on a *pro rata* basis to reduce the scheduled remaining Installments of the Tranche B Term Loans (it being understood and agreed that, as of the Restatement Date, the U.S. Borrower has, through voluntary and mandatory prepayments of the Tranche B Term Loans under the Original Credit Agreement prior to the Restatement Date, applied as provided for in Section 2.15, reduced the Installments set forth in the Original Credit Agreement such that the only remaining Installment is the outstanding principal amount of the Tranche B Term Loans as of the Tranche B Term Loan Maturity Date).

(d) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, so long as any Tranche A Term Loans are outstanding, in the event the Borrower Representative is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Tranche B Term Loans pursuant to Section 2.14, not less than five Business Days prior to the date (the "Required Prepayment Date") on which the Borrower Representative is required to make such Waivable Mandatory Prepayment, the Borrower Representative shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent shall promptly thereafter notify each Lender holding an outstanding Tranche B Term Loan of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Borrower Representative and the Administrative Agent of its election to do so on or before the third Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower Representative and the Administrative Agent of its election to exercise such option on or before the third Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the U.S. Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option, to

prepay the Tranche B Term Loans of such Lenders (which prepayment shall be applied to the scheduled Installments of principal of the Tranche B Term Loans in accordance with Section 2.15(c)), and (ii) in an amount equal to that portion of the Waivable Mandatory Prepayment otherwise payable to those Lenders that have elected to exercise such option, to prepay the Tranche A Term Loans (which prepayment shall be applied to the scheduled Installments of principal of the Tranche A Term Loans in accordance with Section 2.15(c)) and further applied to the scheduled Installments of principal of the Tranche B Term Loans in accordance with Section 2.15(c)).

(e) Application of Prepayments of Loans to Base Rate Loans, Canadian Prime Rate Loans and Eurocurrency Rate Loans. Considering each Class of Loans being prepaid separately, any prepayment of U.S. Loans or Canadian Loans shall be applied first to Base Rate Loans and Canadian Prime Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner which minimizes the amount of any payments required to be made by the U.S. Borrower pursuant to Section 2.18(c).

(f) Application of Proceeds.

(i) Except as expressly set forth in clause (ii) below, all proceeds received by the Administrative Agent from the Collateral Agent in respect of any sale of, any collection from, or other realization upon all or any part of the Collateral or any asset pledged by any U.S. Loan Party pursuant to a Dutch Security Agreement shall be applied in full or in part by the Administrative Agent against, the Obligations in the following order of priority: *first*, to the payment of all costs and expenses of such sale, collection or other realization, including reasonable compensation to the Administrative Agent and its agents and counsel, and all other expenses, liabilities and advances made or incurred by the Administrative Agent in connection therewith, and all amounts for which the Administrative Agent is entitled to indemnification hereunder (in its capacity as the Administrative Agent and not as a Lender) and all advances made by the Administrative Agent hereunder for the account of the applicable Loan Party, and to the payment of all costs and expenses paid or incurred by the Administrative Agent in connection with the exercise of any right or remedy hereunder, all in accordance with the terms hereof; *second*, to the extent of any excess of such proceeds, to repay any outstanding Swing Line Loans and amounts drawn under Letters of Credit and not reimbursed by the applicable Borrower or the applicable Revolving Lenders; *third*, to the extent of any excess of such proceeds, to the payment of all other Obligations for the ratable benefit of the Lenders and the Lender Counterparties holding such Obligations; and *fourth*, to the extent of any excess of such proceeds, to the payment to or upon the order of the applicable Loan Party or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(ii) Subject to any security or quasi-security arising in connection with any cash pooling, netting or set-off arrangement entered into by any Group Member in the ordinary course of its banking arrangements for the purpose of netting debit and credit balances, all proceeds received by the Administrative Agent in respect of any collection from, or other realization upon all or any part of the assets of the European Borrower or the European Guarantor shall be applied in full or in part by the Administrative Agent against, the European Obligations in the following order of priority: *first*, to the payment of all costs and expenses of such collection or other realization, including reasonable compensation to the

Administrative Agent and its agents and counsel, and all other expenses, liabilities and advances made or incurred by the Administrative Agent in connection therewith, and all amounts for which the Administrative Agent is entitled to indemnification hereunder (in its capacity as the Administrative Agent and not as a Lender) and all advances made by the Administrative Agent hereunder for the account of the applicable Loan Party, and to the payment of all costs and expenses paid or incurred by the Administrative Agent in connection with the exercise of any right or remedy hereunder, all in accordance with the terms hereof; *second*, to the extent of any excess of such proceeds, to repay any outstanding amounts drawn under European Letters of Credit and not reimbursed by the European Borrower or the applicable Revolving Lenders; *third*, to the extent of any excess of such proceeds, to the payment of all other European Obligations for the ratable benefit of the Lenders and the Lender Counterparties holding such European Obligations; and *fourth*, to the extent of any excess of such proceeds, to the payment to or upon the order of the applicable Loan Party or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(iii) It is acknowledged and agreed that the Collateral Agent will distribute proceeds of Collateral or asset pledged by any U.S. Loan Party pursuant to a Dutch Security Agreement to the Administrative Agent and, as applicable, the 2023 Debentures Trustee, as required by the terms of the Security Documents or the 2023 Debentures Intercreditor Agreement.

Section 2.16 General Provisions Regarding Payments.

(a) All payments by the Borrowers of principal, interest, fees and other Obligations shall be made, (i) with respect to U.S. Loans, Canadian Revolving Loans denominated in Dollars, U.S. Revolving Commitments or Canadian Revolving Commitments, in Dollars, (ii) with respect to Canadian Revolving Loans denominated in Canadian Dollars, in Canadian Dollars, and (iii) with respect to European Revolving Loans denominated in Euros or European Revolving Commitments (including any commitment fees with respect to the undrawn portion thereof), in Euros or, with respect to European Revolving Loans denominated in an Other Foreign Currency, in the Other Foreign Currency in which such European Revolving Loans are denominated, in each case in same day funds, without defense, setoff or counterclaim, free of any restriction or condition (other than any security or quasi-security arising in connection with any cash pooling, netting or set-off arrangement entered into by any Group Member in the ordinary course of its banking arrangements for the purpose of netting debit and credit balances (including any security or quasi-security granted in favor of the financial institution with whom such arrangements are entered into in order to secure obligations under such arrangements and including an ancillary facility which is an overdraft comprising more than one account)), and delivered to the Administrative Agent not later than 12:00 p.m. (New York City time) or, with respect to European Revolving Loans or European Revolving Commitments, 12:00 p.m. (London, England time), on the date due at the Principal Office designated by the Administrative Agent for the account of Lenders. For purposes of computing interest and fees, funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) All payments in respect of the principal amount of any Loan (other than voluntary prepayments of Revolving Loans, Base Rate Loans or Canadian Prime Rate Loans) shall be

accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) The Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurocurrency Rate Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Subject to the provisos set forth in the definition of "Interest Period" as they may apply to Revolving Loans, whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and, with respect to Revolving Loans only, such extension of time shall be included in the computation of the payment of interest hereunder or of the Revolving Commitment fees hereunder.

(f) The Administrative Agent shall deem any payment by or on behalf of any Borrower hereunder that is not made in same day funds prior to 12:00 p.m. (New York City time) or, with respect to European Revolving Loans or European Revolving Commitments, 12:00 p.m. (London, England time), to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower Representative and each applicable Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.01(a).

(g) If an Event of Default shall have occurred and not otherwise been waived, and the maturity of the Obligations shall have been accelerated pursuant to Section 8.01, all payments or proceeds received by Agents hereunder in respect of any of the Obligations, shall be applied in accordance with the application arrangements described in Section 2.15(e).

(h) If a CKI Blockage Event has occurred and is continuing, any payment, including any prepayments or distribution of any kind or character (whether required by this Agreement or optionally made by any Loan Party) shall be accompanied by a certificate, duly executed by an Authorized Officer of the U.S. Borrower stating that no part of such payment or distribution constitutes a CK Distribution made in contravention of the CK Intercreditor Agreement, and such reasonable evidence as the Administrative Agent may reasonably request supporting such certification.

Section 2.17 Ratable Sharing. The Lenders to the U.S. Borrower agree among themselves, on the one hand, and the Lenders to the European Borrower hereby agree among

themselves, on the other hand, that, except as otherwise provided in the Security Documents with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Loan Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, amounts payable in respect of Letters of Credit, fees and other amounts then due and owing to such Lender hereunder or under the other Loan Documents (collectively, the "Aggregate Amounts Due" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify the Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, that if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of any Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. The provisions of this Section 2.17 shall not be construed to apply to (a) any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or payments made with proceeds of Collateral applied as set forth in Section 2.15(e) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it. For the avoidance of doubt (a) no Lender to the European Borrower shall make payments to a Lender to the U.S. Borrower pursuant to this Section 2.17 and (b) the provisions of this Section 2.17 are subject to any security or quasi-security arising in connection with any cash pooling, netting or set-off arrangement entered into by any Group Member in the ordinary course of its banking arrangements for the purpose of netting debit and credit balances.

Section 2.18 Making or Maintaining Eurocurrency Rate Loans.

(a) Inability to Determine Applicable Interest Rate. In the event of any Market Disruption, the Administrative Agent shall on such date give notice (by telefacsimile or by telephone confirmed in writing) to the Borrower Representative and each Lender of such determination, whereupon (i) with respect to Loans denominated in Dollars or Canadian Dollars, (x) no Loans may be made as, or converted to, Eurocurrency Rate Loans until such time as the Administrative Agent notifies the Borrower Representative and Lenders that the circumstances giving rise to such notice no longer exist and (y) any Borrowing Notice or Conversion/Continuation Notice given by the Borrower Representative with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by the Borrower Representative, and (ii) with respect to Loans denominated in Euros or Other Foreign Currency, if the Administrative Agent or the Borrower Representative so require, the Administrative Agent and the Borrower Representative will negotiate in good faith for a period of not more than 30 days in order to agree on a mutually acceptable substitute basis for calculating the interest payable on the affected Eurocurrency Rate Loans and, (x) if a substitute basis is agreed within that period between the Administrative Agent and the

Borrower Representative, then it shall apply in accordance with its terms (and may be retrospective to the beginning of the relevant Interest Period) and (y) unless and until a substitute basis is so agreed, the interest payable to such Lenders on the applicable Eurocurrency Rate Loans for the relevant Interest Period will be the rate confirmed in writing to the Administrative Agent by that Lender to be its cost of funds (from any source which it may reasonably select) plus the Applicable Margin and, if applicable, Mandatory Costs.

(b) Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any law, treaty, governmental rules, regulation or guideline or order, or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurocurrency Rate Loans as contemplated by this Agreement (such Lender an “Affected Lender”), (i) the Commitment of such Lender hereunder to make Eurocurrency Rate Loans, continue Eurocurrency Rate Loans as such and convert Base Rate Loans or Canadian Prime Rate Loans to Eurocurrency Rate Loans shall forthwith be suspended until such time as it shall no longer be unlawful for such Lender to make or maintain the affected Loan and (ii) any such Lender’s Loans then outstanding as Eurocurrency Rate Loans denominated in Dollars or Canadian Dollars, if any, shall be converted automatically to Base Rate Loans or Canadian Prime Rate Loans, respectively, on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurocurrency Rate Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the applicable Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.18(c).

(c) Compensation for Breakage or Non-Commencement of Interest Periods. The applicable Borrower shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid by such Lender to Lenders of funds borrowed by it to make or carry its Eurocurrency Rate Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender actually sustains as a direct result of any of the following circumstances: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurocurrency Rate Loan does not occur on a date specified therefor in a Borrowing Notice, or a conversion to or continuation of any Eurocurrency Rate Loan does not occur on a date specified therefor in a Conversion/Continuation Notice; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurocurrency Rate Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its Eurocurrency Rate Loans is not made on any date specified in a notice of prepayment given by the applicable Borrower or the Borrower Representative.

(d) Booking of Eurocurrency Rate Loans. Any Lender may make, carry or transfer Eurocurrency Rate Loans at, to or for the account of any of its branch offices or the office of an Affiliate of such Lender.

Section 2.19 Increased Costs; Capital Adequacy.

(a) Compensation For Increased Costs. In the event that any Lender (which term shall include the Issuing Bank for purposes of this Section 2.19(a)) shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any

law, treaty or governmental rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (including, notwithstanding anything herein to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith regardless of the date enacted, adopted or issued (but only to the extent actually implemented)), or any determination of a court or Governmental Authority, in each case that becomes effective after the date hereof, or compliance by such Lender with any guideline, request or directive issued or made after the date hereof by any central bank or other governmental or quasi-governmental authority (whether or not having the force of law and including all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case, pursuant to Basel III, regardless of the date enacted, adopted or issued (but only to the extent actually implemented)): (i) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to Eurocurrency Rate Loans that are reflected in the definition of Adjusted Eurocurrency Rate); or (ii) imposes any other condition on or affecting such Lender (or its applicable lending office) or its obligations hereunder or the London interbank market or the relevant off-shore interbank market for any Approved Currency; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining Loans hereunder or acquiring participations in, issuing or maintaining Letters of Credit hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, the applicable Borrower shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to the Borrower Representative (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.19(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error. For the avoidance of doubt, this Section 2.19(a) shall not apply to any Taxes, which shall be governed by Section 2.20.

(b) Capital Adequacy Adjustment. In the event that any Lender (which term shall include the Issuing Bank for purposes of this Section 2.19(b)) shall have determined that the adoption, effectiveness, phase-in or applicability after the Closing Date of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof in each case that becomes effective after the date hereof, or compliance by any Lender (or its applicable lending office) with any guideline, request or directive issued or made after the date hereof regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency (including, notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and

Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case, pursuant to Basel III, regardless in the case of clauses (i) and (ii) of the date enacted, adopted or issued (but in the case of clauses (i) and (ii) only to the extent actually implemented)), has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, such Lender's Loans or Revolving Commitment or Letters of Credit, or participations therein or other obligations hereunder with respect to the Loans or the Letters of Credit, to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase-in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), then from time to time, within five Business Days after receipt by the Borrower Representative from such Lender of the statement referred to in the next sentence, the applicable Borrower shall pay to such Lender such additional amount or amounts as shall compensate such Lender or such controlling corporation on an after-tax basis for such reduction. Such Lender shall deliver to the Borrower Representative (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.19(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

Section 2.20 Taxes; Withholding, Etc.

(a) Payments to Be Free and Clear. All sums payable by or on behalf of any Loan Party hereunder and under any other Loan Document shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding for or on account of, any Indemnified Tax or Other Tax imposed, levied, collected, withheld or assessed by any Governmental Authority.

(b) Withholding of Taxes. If any Loan Party or any other Person is required by law to make any deduction or withholding for or on account of any Indemnified Tax from any sum paid or payable by or on behalf of any Loan Party to the Administrative Agent or any Lender (which term shall include the Issuing Bank for purposes of this Section 2.20(b)) under any of the Loan Documents: (i) the applicable Loan Party shall notify the Administrative Agent in writing of any such requirement or any change in any such requirement as soon as the applicable Loan Party becomes aware of it; (ii) the applicable Borrower shall pay any such Indemnified Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Administrative Agent or such Lender) on behalf of and in the name of the Administrative Agent or such Lender, as the case may be; (iii) the sum payable by such Loan Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment, the Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made (after taking into account any additional deduction, withholding or payment of any Indemnified Taxes on such increased payment); and (iv) within 30 days after the due date of payment of any Indemnified Tax which it is required

by clause (ii) above to pay, the applicable Loan Party shall deliver to the Administrative Agent evidence satisfactory to the Administrative Agent and other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other authority.

(c) Evidence of Exemption From Withholding Tax. Any Lender (which term shall include the Issuing Bank for purposes of this Section 2.20(c)) that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which any Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to such Borrower and the Administrative Agent, at the time or times prescribed by applicable requirements of law and reasonably requested by such Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable requirements of law and any other information as will permit such payments to be made without withholding or at a reduced rate of withholding. If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of the foregoing sentence, "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Without limiting the generality of the foregoing, each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) for U.S. federal income tax purposes and that is a Lender to a U.S. Loan (a "Non-U.S. Lender") (for this purpose, including any Commitment with respect thereto) shall, to the extent it is legally entitled to do so, deliver to the Administrative Agent for transmission to the Borrower Representative, on or prior to the Closing Date (and, in the case of each Lender listed on the signature pages of the First Amendment, on or prior to the Restatement Date) or on or prior to the date of the Assignment Agreement pursuant to which it becomes a Lender (in the case of each other Lender), and at such other times as may be prescribed by law or as may be necessary in the determination of the Borrower Representative or the Administrative Agent (each in the reasonable exercise of its discretion), (i) two original copies of Internal Revenue Service Form W-8BEN (claiming the benefits of any applicable income tax treaty), W-8ECI, W-8EXP and/or W-8IMY (or, in each case, any successor forms), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code or reasonably requested by the Borrower Representative or the Administrative Agent to establish that such Lender is not subject to (or is subject to a reduced rate of) deduction or withholding of United States federal income tax with respect to any payments to such Lender of principal, interest, fees or other amounts payable under any of the Loan Documents or (ii) if such Lender is not a "bank" or other Person described in Section 881(c)(3) of the Internal Revenue Code and is relying on the so-called "portfolio interest exemption," a Certificate re Non-Bank Status together with two original copies of Internal Revenue Service Form W-8BEN (or

any successor form), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code or reasonably requested by the Borrower Representative or the Administrative Agent to establish that such Lender is not subject to deduction or withholding of United States federal income tax with respect to any payments to such Lender of interest payable under any of the Loan Documents. Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) for United States federal income tax purposes (a “U.S. Lender”) shall deliver to the Administrative Agent and the Borrower Representative on or prior to the Closing Date (or, if later, on or prior to the date on which such Lender becomes a party to this Agreement) two original copies of Internal Revenue Service Form W-9 (or any successor form), properly completed and duly executed by such Lender, certifying that such U.S. Lender is entitled to an exemption from United States backup withholding tax, or otherwise prove that it is entitled to such an exemption. Each Lender required to deliver any forms, certificates or other evidence with respect to United States federal income tax withholding matters pursuant to this Section 2.20(c) hereby agrees, from time to time after the initial delivery by such Lender of such forms, certificates or other evidence, whenever a lapse in time or change in circumstances renders such forms, certificates or other evidence obsolete or inaccurate in any material respect, that such Lender shall promptly deliver to the Administrative Agent and the Borrower Representative two new original copies of Internal Revenue Service Form W-8BEN, W-8ECI, W-8IMY, W-8EXP and/or W-9 (or, in each case, any successor form), or a Certificate re Non-Bank Status, as the case may be, properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code and reasonably requested by the Borrower Representative or the Administrative Agent to confirm or establish that such Lender is not subject to (or is subject to a reduced rate of) deduction or withholding of United States federal income tax with respect to payments to such Lender under the Loan Documents, or notify the Administrative Agent and the Borrower Representative of its inability to deliver any such forms, certificates or other evidence. No Borrower shall be required to pay any additional amount to any Non-U.S. Lender under Section 2.20(b)(iii) with respect to Indemnified Taxes imposed by reason of such Lender’s failure (1) to deliver the forms, certificates or other evidence required by this Section 2.20(c) or (2) to notify the Administrative Agent and the Borrower Representative of its inability to deliver any such forms, certificates or other evidence, as the case may be; provided, that if such Lender shall have satisfied the requirements to deliver forms, certificates or other evidence under this Section 2.20(c) on the Restatement Date or on the date of the Assignment Agreement pursuant to which it became a Lender, as applicable, nothing in this last sentence of Section 2.20(c) shall relieve any Loan Party of its obligation to pay any additional amounts pursuant to this Section 2.20 in the event that, as a result of any change in any applicable law, treaty or governmental rule, regulation or order, or any change in the interpretation, administration or application thereof that becomes effective after such date, such Lender is no longer properly entitled to deliver forms, certificates or other evidence at a subsequent date establishing the fact that such Lender is not subject to withholding as described herein.

(d) Without limiting the provisions of Section 2.20(b), each Loan Party shall timely pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law. Each Loan Party or the Borrower Representative shall deliver to the Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to the Administrative Agent in respect of any Other Taxes payable hereunder promptly after payment of such Other Taxes.

(e) If the Administrative Agent or a Lender (which term shall include the Issuing Bank for purposes of this Section 2.20(e)) receives a refund of any amount as to which a Borrower has made any payments pursuant to this Section 2.20, the Administrative Agent or such Lender shall pay over any such refund to such Borrower, net of such Lender's expenses and out-of-pocket costs; provided that such Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (including any applicable interest, fees and penalties) in the event that the Administrative Agent or such Lender is required to repay such refund to the relevant Governmental Authority.

(f) The Loan Parties shall jointly and severally indemnify the Administrative Agent and any Lender (which term shall include Issuing Bank for purposes of this Section 2.20(f)) for the full amount of Indemnified Taxes for which additional amounts are required to be paid pursuant to Section 2.20(b) and Other Taxes, in each case arising in connection with this Agreement or any other Loan Document (including any such Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) paid by the Administrative Agent or Lender or any of their respective Affiliates and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party shall be conclusive absent manifest error. Such payment shall be due within 30 days of such Loan Party's receipt of such certificate.

Section 2.21 Obligation to Mitigate. Each Lender (which term shall include the Issuing Bank for purposes of this Section 2.21) agrees that, as promptly as practicable after the officer of such Lender responsible for administering its Loans or Letters of Credit, as the case may be, becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such Lender to receive payments under Section 2.18, 2.19 or 2.20, it shall, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions through another office of such Lender or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Section 2.18, 2.19 or 2.20 would be materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such Revolving Commitments, Loans or Letters of Credit through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect the interests of such Lender in any material respect; provided, that such Lender shall not be obligated to utilize such other office pursuant to this Section 2.21 unless the Borrower Representative agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by the Borrower Representative pursuant to this Section 2.21 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to the Borrower Representative (with a copy to the Administrative Agent) shall be conclusive absent manifest error. For the avoidance of doubt, nothing in this Section 2.21 shall relieve any Lender from its obligations pursuant to Section 2.20(c) of this Agreement.

Section 2.22 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any obligations of any Lender to purchase participations in or otherwise refinance or support any Swing Line Loans or Letters of Credit exist at the time any Lender having a Revolving Commitment becomes a Defaulting Lender (such Lender, a “Defaulting Revolving Lender”) then:

(a) all obligations of the applicable Defaulting Revolving Lender to purchase participations in or otherwise refinance or support such Swing Line Loans and Letters of Credit shall be reallocated among the non-Defaulting Revolving Lenders of the applicable Class in accordance with their respective Pro Rata Share thereof, but only to the extent (i) (x) with respect to U.S. Swing Line Loans and U.S. Letters of Credit, the sum of the non-Defaulting Revolving Lenders’ Pro Rata Shares of the Total Utilization of U.S. Revolving Commitments plus such Defaulting Revolving Lender’s Pro Rata Share of U.S. Revolving Exposure does not exceed the total of all non-Defaulting Revolving Lenders’ U.S. Revolving Commitments, (y) with respect to Canadian Swing Line Loans and Canadian Letters of Credit, the sum of the non-Defaulting Revolving Lenders’ Pro Rata Shares of the Total Utilization of Canadian Revolving Commitments plus such Defaulting Revolving Lender’s Pro Rata Share of Canadian Revolving Exposure does not exceed the total of all non-Defaulting Revolving Lenders’ Canadian Revolving Commitments and (z) with respect to European Letters of Credit, the sum of the non-Defaulting Revolving Lenders’ Pro Rata Shares of the Total Utilization of European Revolving Commitments plus such Defaulting Revolving Lender’s Pro Rata Share of European Revolving Exposure does not exceed the total of all non-Defaulting Revolving Lenders’ European Revolving Commitments and (ii) in each case, the conditions set forth in Section 3.02 are satisfied at such time; it being understood that no reallocation will be made with respect to any non-Defaulting Revolving Lender to the extent such reallocation causes such non-Defaulting Revolving Lender’s Pro Rata Share of the Total Utilization of U.S. Revolving Commitments, Total Utilization of Canadian Revolving Commitments or Total Utilization of European Revolving Commitments, as applicable, to exceed such Non-Defaulting Lender’s U.S. Revolving Commitment, Canadian Revolving Commitment or European Revolving Commitment, as applicable;

(b) if the reallocation described in Section 2.22(a) cannot, or can only partially, be effected, the applicable Borrower shall (i) first, within one Business Day following notice by the Administrative Agent, prepay any outstanding Swing Line Loans to the extent the obligations of the applicable Defaulting Revolving Lender to purchase participations in or otherwise refinance or support Swing Line Loans have not been reallocated pursuant to Section 2.22(a) and (ii) second, within three Business Days following notice by the Administrative Agent, Cash Collateralize such Defaulting Revolving Lender’s Pro Rata Share of the obligations to purchase participations in or otherwise refinance or support Letters of Credit (after giving effect to any partial reallocation pursuant to Section 2.22(a)) for so long as such obligations are outstanding; and

(c) if the obligations of the applicable Defaulting Revolving Lender to purchase participations in or otherwise refinance or support Letters of Credit are reallocated among the non-Defaulting Revolving Lenders pursuant to Section 2.22(a), then the fees payable to the Lenders pursuant to Section 2.11 shall be adjusted in accordance with such non-Defaulting Revolving Lenders’ Pro Rata Shares.

Section 2.23 Removal or Replacement of a Lender. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an “Increased-Cost Lender”) shall give notice to the Borrower Representative that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.18, 2.19 or 2.20, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business Days after the Borrower Representative’s request for such withdrawal; or (b) (i) any Lender shall become a Defaulting Lender, (ii) such Defaulting Lender’s default remains in effect and (iii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days thereafter; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 10.05(b), the consent of Required Lenders shall have been obtained but the consent of one or more of such other Lenders (each, a “Non-Consenting Lender”) whose consent is required shall not have been obtained; then, with respect to each such Increased-Cost Lender, Defaulting Lender or Non-Consenting Lender (the “Terminated Lender”), the Borrower Representative may, by giving written notice to the Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and its Revolving Commitments, if any, in full to one or more Eligible Assignees (each, a “Replacement Lender”) in accordance with the provisions of Section 10.06 and the applicable Borrower shall pay the fees, if any, payable thereunder in connection with any such assignment from an Increased-Cost Lender, a Non-Consenting Lender or a Defaulting Lender; provided, that (1) on the date of such assignment, the Replacement Lender shall pay to the Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender, (B) an amount equal to all unreimbursed drawings on Letters of Credit that have been funded by such Terminated Lender, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.11, such amounts to be calculated based on the Dollar Equivalent thereof with respect to the U.S. Term Loans, U.S. Revolving Commitments or Canadian Revolving Commitments and based on the Euro Equivalent thereof with respect to the European Revolving Commitments; (2) on the date of such assignment, the applicable Borrower shall pay any amounts payable to such Terminated Lender pursuant to Section 2.18(c), 2.19 or 2.20 or otherwise as if it were a prepayment and (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender; provided, that the applicable Borrower may not make such election with respect to any Terminated Lender that is also the Issuing Bank unless, prior to the effectiveness of such election, the applicable Borrower shall have caused each outstanding Letter of Credit issued thereby to be cancelled, replaced or Cash Collateralized. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender’s Revolving Commitments, if any, such Terminated Lender shall no longer constitute a “Lender” for purposes hereof; provided, that any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. Each Lender agrees that if a Borrower exercises its option hereunder to cause an assignment by such Lender as a Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in

accordance with Section 10.06. In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs the Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.06 on behalf of a Terminated Lender and any such documentation so executed by the Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 10.06.

Section 2.24 Incremental Facilities. The Borrower Representative may by written notice to the Administrative Agent at any time after the Restatement Date elect to request (A) prior to the Revolving Commitment Termination Date, an increase to the existing Revolving Commitments (any such increase, the “Incremental Revolving Commitments”) and/or (B) the establishment of one or more new term loan commitments (the “Incremental Term Loan Commitments”), by an aggregate amount not to exceed (1) the sum of (x) \$1,350,000,000 plus (y) the aggregate amount of all voluntary prepayments of Term Loans and Revolving Loans pursuant to Section 2.13(a) (to the extent, in the case of voluntary prepayments of Revolving Loans, there is an equivalent permanent reduction of the Revolving Commitments pursuant to Section 2.13(b)), plus (z) the aggregate amount of Revolving Commitments of any Lender that was a Defaulting Lender that have been terminated, plus (2) an additional unlimited amount so long as, after giving *pro forma* effect to the incurrence of such Incremental Revolving Commitments and/or Incremental Term Loan Commitments and the consummation of any Investment or acquisition, repayment of any Indebtedness or payment or making of any Restricted Payment with the Net Cash Proceeds thereof (assuming a borrowing of the maximum amount of Loans available thereunder, but otherwise excluding the Net Cash Proceeds of any such Incremental Term Loan Commitments or Incremental Revolving Commitments), the Senior Secured Net Leverage Ratio would not exceed 3.00:1.00, and, in each case, not less than \$25,000,000 individually (or such lesser amount which shall be approved by the Administrative Agent or such lesser amount that shall constitute the maximum amount then permitted to be incurred pursuant to clauses (1) and (2) above on such date of determination), and integral multiples of \$10,000,000 in excess of that amount. Each such notice shall specify (A) the date (each, an “Increased Amount Date”) on which the Borrower Representative proposes that the Incremental Revolving Commitments or Incremental Term Loan Commitments, as applicable, shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent and (B) the identity of each Lender or other Person that is an Eligible Assignee (each, an “Incremental Revolving Loan Lender” or “Incremental Term Loan Lender”, as applicable) to whom the Borrower Representative proposes any portion of such Incremental Revolving Commitments or Incremental Term Loan Commitments, as applicable, be allocated and the amounts of such allocations; provided that the Administrative Agent may elect or decline to arrange such Incremental Revolving Commitments or Incremental Term Loan Commitments in its sole discretion and any Lender approached to provide all or a portion of the Incremental Revolving Commitments or Incremental Term Loan Commitments may elect or decline, in its sole discretion, to provide an Incremental Revolving Commitment or an Incremental Term Loan Commitment. Such Incremental Revolving Commitments or Incremental Term Loan Commitments shall become effective as of such Increased Amount Date; provided that: (1) no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to such Incremental Revolving Commitments or Incremental Term Loan Commitments, as applicable; (2) both before and after giving effect to the incurrence of such Incremental Revolving

Commitments and/or Incremental Term Loan Commitments, each of the conditions set forth in Section 3.02 shall be satisfied; (3) the U.S. Borrower shall be in *pro forma* compliance with each of the covenants set forth in Section 6.07 as of the last day of the most recently ended Fiscal Quarter after giving effect to such Incremental Revolving Commitments or Incremental Term Loan Commitments, as applicable, and the consummation of any Investment or acquisition, repayment of any Indebtedness or payment or making of any Restricted Payment with the Net Cash Proceeds thereof (assuming a borrowing of the maximum amount of Loans available thereunder, but otherwise excluding the Net Cash Proceeds of any such Incremental Term Loan Commitments or Incremental Revolving Commitments); (4) the Incremental Revolving Commitments or Incremental Term Loan Commitments, as applicable, shall be effected pursuant to one or more Joinder Agreements executed and delivered by the applicable Borrower, the Incremental Revolving Loan Lender or Incremental Term Loan Lender, as applicable, and the Administrative Agent, and each of which shall be recorded in the Register and each Incremental Revolving Loan Lender and Incremental Term Loan Lender shall be subject to the requirements set forth in Section 2.20(c); (5) the applicable Borrower shall make any payments required pursuant to Section 2.18(c) in connection with the Incremental Revolving Commitments; (6) the applicable Borrower shall deliver or cause to be delivered any legal opinions or other documents (including modifications of Mortgages and title insurance endorsements or policies) as reasonably requested by the Administrative Agent in connection with any such transaction; and (7) the applicable Borrower shall have paid all fees and expenses owing to the Agents and the Lenders in respect of such Incremental Revolving Commitments or Incremental Term Loan Commitments; provided that, to the extent the proceeds of any Incremental Term Loans are being used to finance a Permitted Acquisition or other Investment permitted hereunder, with the consent of the Borrower Representative and the applicable Incremental Term Loan Lender(s), clauses (1) and (2) above shall not apply so long as on the date of the incurrence of such Incremental Term Loans, the Specified Representations shall be true and correct in all material respects as of the date of such incurrence except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date; (it being understood that to the extent any such representation and warranty is already qualified by materiality or material adverse effect, such representation and warranty will be true and correct in all respects). Any Incremental Term Loans made on an Increased Amount Date shall be designated a separate series (a “Series”) of Incremental Term Loans for all purposes of this Agreement.

On any Increased Amount Date on which Incremental Revolving Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (a) each of the Lenders with Revolving Commitments of the same Class shall assign to each of the Incremental Revolving Loan Lenders, and each of the Incremental Revolving Loan Lenders shall purchase from each of such Lenders, at the principal amount thereof (together with accrued interest), such interests in the applicable Revolving Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Lenders with Revolving Commitments of the same Class and Incremental Revolving Loan Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such Incremental Revolving Commitments to the Revolving Commitments of the applicable Class, (b) each Incremental Revolving Commitment shall be deemed for all purposes a Revolving Commitment of the applicable Class and each Loan made thereunder (an

“Incremental Revolving Loan”) shall be deemed, for all purposes, a Revolving Loan of the applicable Class and (c) each Incremental Revolving Loan Lender shall become a Lender with respect to the Incremental Revolving Commitment and all matters relating thereto.

On any Increased Amount Date on which any Incremental Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Incremental Term Loan Lender of any Series shall make a Loan to the U.S. Borrower (an “Incremental Term Loan”) in an amount equal to its Incremental Term Loan Commitment of such Series and (ii) each Incremental Term Loan Lender of any Series shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Series and the Incremental Term Loans of such Series made pursuant thereto.

The Administrative Agent shall notify the Lenders promptly upon receipt of the Borrower Representative’s notice of each Increased Amount Date and in respect thereof (x) the Incremental Revolving Commitments and the Incremental Revolving Loan Lenders or the Series of Incremental Term Loan Commitments and the Incremental Term Loan Lenders of such Series, as applicable and (y) in the case of each notice to any applicable Lender with Revolving Commitments, the respective interests in such Lender’s Revolving Loans, in each case subject to the assignments contemplated by this Section 2.24.

The terms and provisions of the Incremental Term Loans and Incremental Term Loan Commitments of any Series shall be, except as otherwise set forth herein or in the Joinder Agreement, identical to the Tranche B Term Loans. The terms and provisions of the Incremental Revolving Loans shall be identical to the Revolving Loans of the same Class. In the case of any Incremental Term Loans, (i) the Weighted Average Life to Maturity of all Incremental Term Loans of any Series shall be no shorter than the Weighted Average Life to Maturity of the Tranche B Term Loans, (ii) the applicable Incremental Term Loan Maturity Date of each Series shall be no earlier than the final maturity of the Tranche B Term Loans, and (iii) the yield and all other terms applicable to the Incremental Term Loans of each Series shall be determined by the Borrower Representative and the applicable new Lenders and shall be set forth in each applicable Joinder Agreement; provided, however, that the yield applicable to the Incremental Term Loans of any Series (after giving effect to all rate floors and all fees or original issue discount payable to all Incremental Term Loan Lenders with respect to such Incremental Term Loans) made within 12 months after the Restatement Date, as reasonably determined by the Administrative Agent, shall not be greater than the applicable interest rate (including the Applicable Margin and rate floor) payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to the Tranche B Term Loans, plus 0.50% *per annum* unless (i) the interest rate with respect to the Tranche B Term Loans is increased so as to cause the then applicable interest rate under this Agreement on the Tranche B Term Loans to be not more than 0.50% less than the yield then applicable to the Incremental Term Loans of such Series (after giving effect to all rate floors and all fees or original issue discount payable to all Incremental Term Loan Lenders with respect to such Incremental Term Loans) and (ii) the interest rate with respect to Tranche A Term Loans is increased by an amount equal to the amount of any increase in the interest rate for Tranche B Term Loans pursuant to clause (i). Any Incremental Revolving Loans will be documented solely as an increase to the Revolving Commitments of the same Class without any change in terms, other than any change that is more

favorable to the Revolving Lenders and applies equally to all Revolving Loans and Revolving Commitments of the same Class. Each Joinder Agreement may, without the consent of any Lender other than the applicable Incremental Revolving Loan Lender or Incremental Term Loan Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent to effect the provisions of this Section 2.24.

Section 2.25 Appointment of Borrower Representative. Each Borrower hereby appoints the Borrower Representative as its agent, attorney-in-fact and representative for the purpose of (i) making any borrowing requests or other requests required under this Agreement, (ii) the giving and receipt of notices by and to Borrowers under this Agreement, (iii) the delivery of all documents, reports, financial statements and written materials required to be delivered by Borrowers under this Agreement, and (iv) all other purposes incidental to any of the foregoing. Each Borrower agrees that any action taken by the Borrower Representative as the agent, attorney-in-fact and representative of the Borrowers shall be binding upon each Borrower to the same extent as if directly taken by such Borrower.

Section 2.26 Ancillary Facilities.

(a) Type of Facility. An Ancillary Facility may be by way of: (i) an overdraft facility; (ii) a guarantee, bonding, documentary or stand-by letter of credit facility; (iii) a term loan facility; (iv) a derivatives facility; (v) a foreign exchange facility; or (vi) any other facility or accommodation reasonably necessary or useful in connection with the business of the Group or any member thereof and which is agreed by the Borrower Representative with an Ancillary Lender.

(b) Availability.

(i) If the European Borrower or any other Ancillary Borrower and a Lender agree and except as otherwise provided in this Agreement, such Lender may provide an Ancillary Facility on a bilateral basis in place of all or part of that Lender's unutilized European Revolving Commitment (which, except for the purposes of determining the Required Lenders and for the purpose of Section 2.23, shall be reduced by the amount of the Ancillary Commitment under that Ancillary Facility).

(ii) An Ancillary Facility shall not be made available unless, not later than five Business Days prior to the Ancillary Commencement Date for such Ancillary Facility, the Administrative Agent has been notified in writing by the Borrower Representative that such Ancillary Facility has been established and specifying (1) the proposed Ancillary Commencement Date and expiration date of the Ancillary Facility; (2) the proposed type of Ancillary Facility to be provided; (3) the proposed Ancillary Lender and Ancillary Borrower; (4) the proposed Ancillary Commitment, the maximum amount of the Ancillary Facility and, if the Ancillary Facility is an overdraft facility comprising more than one account, its maximum gross amount (that amount being the "Designated Gross Amount") and its maximum net amount (that amount being the "Designated Net Amount"); and (5) the proposed currency of the Ancillary Facility (if not denominated in Euros).

(iii) The Administrative Agent shall promptly notify the Ancillary Lender and the other Lenders of the establishment of an Ancillary Facility. Subject to compliance with clause (b)(ii) above, (x) the Lender concerned will become an Ancillary Lender and (y) the Ancillary Facility will be available, with effect from the date agreed by the Borrower Representative, the applicable Ancillary Borrower and the Ancillary Lender.

(iv) No amendment or waiver of a term of any Ancillary Facility shall require the consent of any Lender other than the relevant Ancillary Lender unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Section 2.26). In such a case, the provisions of this Agreement with regard to amendments and waivers will apply.

(c) Terms of Ancillary Facilities.

(i) Except as provided below, the terms of any Ancillary Facility will be those agreed by the applicable Ancillary Lender and the applicable Ancillary Borrower; provided that such terms (1) must be based upon normal commercial terms at that time (except as varied by this Agreement); (2) may allow only the applicable Ancillary Borrower to use the Ancillary Facility; (3) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment; (4) may not allow the Ancillary Commitment of a Lender to exceed the European Revolving Commitment of that Lender; and (5) shall require that the Ancillary Commitment shall be reduced to zero, and that all Ancillary Outstandings shall be repaid (or cash collateralized in a manner acceptable to the applicable Ancillary Lender) not later than the European Revolving Commitment Termination Date (or such earlier date as the European Revolving Commitment of the relevant Ancillary Lender is reduced to zero).

(ii) If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for (x) Sections 2.08(d), 2.08(g), and 2.11(d) which shall not prevail for the purposes of calculating fees, interest or commission relating to an Ancillary Facility; (y) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and (z) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.

(iii) Interest, commission and fees on Ancillary Facilities are dealt with in Sections 2.08(h) and 2.11(e).

(d) Repayment of Ancillary Facility.

(i) An Ancillary Facility shall cease to be available on the European Revolving Commitment Termination Date or such earlier date on which its expiration occurs or on which it is cancelled in accordance with the terms of this Agreement or the applicable Ancillary Facility.

(ii) If an Ancillary Facility expires in accordance with its terms, the Ancillary Commitment of the Ancillary Lender shall be reduced to zero (and such Lender's European Revolving Commitment shall be increased accordingly).

(iii) No Ancillary Lender may demand repayment or prepayment of any amounts or demand cash collateralization for any liabilities made available or incurred by it under its Ancillary Facility (except where the Ancillary Facility is provided on a net limit basis to the extent required to bring any gross outstandings down to the net limit) unless (x) the European Revolving Commitments have been cancelled in full, or all outstanding European Revolving Loans have become due and payable in accordance with the terms of this Agreement, or the Administrative Agent has declared all outstanding European Revolving Loans immediately due and payable, or the expiration date of the Ancillary Facility occurs; (y) it becomes unlawful in any applicable jurisdiction for the Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility; or (z) the Ancillary Outstandings (if any) under that Ancillary Facility can be refinanced by a European Revolving Loan and the Ancillary Lender gives sufficient notice to enable a European Revolving Loan to be made to refinance those Ancillary Outstandings.

(iv) For the purposes of determining whether or not the Ancillary Outstandings under an Ancillary Facility mentioned in clause (d)(iii)(z) above can be refinanced by a European Revolving Loan, (x) the European Revolving Commitment of the Ancillary Lender will be increased by the amount of its Ancillary Commitment; and (y) the European Revolving Loan may (so long as clause (d)(iii)(x) above does not apply) be made irrespective of whether a Default is outstanding or any other applicable condition precedent is not satisfied (but only to the extent that the proceeds are applied in refinancing those Ancillary Outstandings) and irrespective of whether the European Borrower or the Borrower Representative shall have delivered a Borrowing Notice.

(v) On the making of a European Revolving Loan to refinance Ancillary Outstandings, (x) each Lender will participate in such European Revolving Loan on a *pro rata* basis in accordance with its respective European Revolving Commitment (as determined by the Administrative Agent); and (y) the relevant Ancillary Facility shall be cancelled.

(vi) In relation to an Ancillary Facility which comprises an overdraft facility where a Designated Net Amount has been established, the Ancillary Lender providing that Ancillary Facility shall only be obliged to take into account for the purposes of calculating compliance with the Designated Net Amount those credit balances which it is permitted to take into account by the then current law and regulations in relation to its reporting of exposures to applicable regulatory authorities as netted for capital adequacy purposes.

(e) Ancillary Outstandings. Each Ancillary Borrower and each Ancillary Lender agrees with and for the benefit of each Lender that (i) the Ancillary Outstandings under any Ancillary Facility provided by that Ancillary Lender shall not exceed the Ancillary Commitment applicable to that Ancillary Facility and where the Ancillary Facility is an overdraft facility comprising more

than one account, Ancillary Outstandings under that Ancillary Facility shall not exceed the Designated Net Amount in respect of that Ancillary Facility; and (ii) where all or part of the Ancillary Facility is an overdraft facility comprising more than one account, the Ancillary Outstandings (calculated on the basis that the words in parentheses in paragraph (a) of the definition thereof were deleted) shall not exceed the Designated Gross Amount applicable to that Ancillary Facility.

(f) Information. Each Ancillary Borrower and each Ancillary Lender shall, promptly upon request by the Administrative Agent, supply the Administrative Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Administrative Agent may reasonably request from time to time. The Ancillary Borrowers consents to all such information being released to the Administrative Agent and the Lenders.

(g) European Revolving Facility Commitment Amounts. Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its European Revolving Commitment (excluding for these purposes any reduction in a Lender's European Revolving Commitment attributable to the relevant Ancillary Commitment) is not less than its Ancillary Commitment.

(h) Affiliates of Lenders as Ancillary Lenders.

(i) Subject to the terms of this Agreement, an Affiliate of a Lender may become an Ancillary Lender. In such case, the Lender and its Affiliate shall be treated as a single Lender having a European Revolving Commitment of the relevant Lender.

(ii) To become an Ancillary Lender hereunder, an Affiliate of a Lender must be designated in the notice required in respect of the applicable Ancillary Facility pursuant to Section 2.26(b)(ii) hereof or otherwise in a writing signed by an Authorized Officer of the applicable Ancillary Borrower and delivered to the Administrative Agent, and shall deliver to the Administrative Agent such documentation as the Administrative Agent shall reasonably require.

(iii) Each Lender shall ensure that each of its Affiliates that becomes an Ancillary Lender will comply with any obligations imposed upon it pursuant to this Agreement. Where this Agreement imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Lender which is not a party to this Agreement, the relevant Lender shall ensure that the obligation is performed by its Affiliate.

(i) Closing Date Ancillary Facilities. The parties agree, notwithstanding anything herein to the contrary, that each Closing Date Ancillary Facility shall be an Ancillary Facility, each borrower thereunder shall be an Ancillary Borrower and each lender thereunder shall be an Ancillary Lender, in each case for all purposes hereunder, for so long as the applicable Ancillary Facility is outstanding.

later than 90 days after the Closing Date (or such later date as may be reasonably agreed by the Administrative Agent).

(f) Financial Statements. Section 3.03 Restatement Date. This Agreement shall become effective on and as of the first Business Day when each of the conditions set forth in Section 3 of the First Amendment shall have been satisfied.

ARTICLE IV. REPRESENTATIONS AND WARRANTIES

In order to induce the Lenders and the Issuing Bank to enter into this Agreement and to make each Credit Extension to be made thereby, each Borrower and each other Loan Party (in the case of each Loan Party, solely with respect to itself) represents and warrants to each Lender and the Issuing Bank, on the Closing Date and on each Credit Date that the following statements are true and correct:

Section 4.01 Organization; Requisite Power and Authority; Qualification. Each Group Member (a) is duly organized, duly incorporated or formed, (b) is validly existing and, if applicable, in good standing under the laws of its jurisdiction of organization, (c) has all requisite power and authority (i) to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and (ii) except where failure to have such power and authority

would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, to own and operate its properties and assets and to carry on its business as now conducted and as proposed to be conducted, and (d) is qualified to do business and, if applicable, in good standing in every jurisdiction where any material portion of its assets are located and wherever necessary to carry out its material business and operations, except where the failure to be so qualified would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 4.02 Equity Interests and Ownership. The Equity Interests of each Group Member have been duly authorized and validly issued and are fully paid and non-assessable. Except as set forth on Schedule 4.02, as of the Closing Date, there is no existing option, warrant, call, right, commitment or other agreement to which any Group Member is a party requiring, and there is no membership interest or other Equity Interests of any Group Member outstanding which upon conversion or exchange would require, the issuance by any Group Member of any additional membership interests or other Equity Interests of any Group Member or other Securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, a membership interest or other Equity Interests of any Group Member. Schedule II.A.1 of the Perfection Certificate delivered on the Closing Date sets forth the ownership interest of each Group Member in its respective Subsidiaries as of the Closing Date after giving effect to the Acquisition.

Section 4.03 Due Authorization. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party have been duly authorized by all necessary action on the part of each such Loan Party.

Section 4.04 No Conflict. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party and the consummation of the transactions contemplated by the Loan Documents do not and will not (a) violate (i) any provision of any law or any governmental rule or regulation applicable to any such Loan Party, (ii) any of the Organizational Documents of any such Loan Party or (iii) any order, judgment or decree of any court or other agency of government binding on such Loan Party, except in the case of each of clauses (a)(i) and (a)(iii) to the extent any such violation would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any Contractual Obligation of such Loan Party except to the extent such conflict, breach or default would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets of such Loan Party (other than any Permitted Liens); or (d) require any approval or consent of the stockholders, members or partners, except for such approvals or consents which have been obtained and except for any such approvals or consents the failure of which to obtain would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 4.05 Governmental Consents. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party and the incurrence by the Loan Parties of their Obligations thereunder, the issuance of Letters of Credit and the granting of security with respect to their Obligations thereunder do not and will not require any registration with, consent or

approval of, or notice to, or other action to, with or by, any Governmental Authority except for (i) filings and recordings with respect to the Collateral to be made, or otherwise delivered to the Collateral Agent for filing and/or recordation, as of or after the Closing Date, (ii) those that have been obtained or made and are in full force and effect and (iii) those the failure of which to obtain or make, would not individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 4.06 Binding Obligation. Each Loan Document has been duly executed and delivered by each Loan Party that is a party thereto and, assuming due execution by each of the other parties to such Loan Document, is the legally valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its respective terms, except as may be limited by (i) public policy or bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally, (ii) equitable principles relating to enforceability (whether considered at a proceeding in law or in equity) or (iii) any general rules of law referred to in any legal opinion provided to any Agent or any Lender (or its respective counsel) with respect to such Loan Document pursuant to this Agreement or any other Loan Document.

Section 4.07 Historical Financial Statements. The Historical Financial Statements of the U.S. Borrower (and, to the knowledge of any Authorized Officer of the U.S. Borrower, the Historical Financial Statements of the Acquired Business) were prepared in conformity with GAAP and fairly present, in all material respects, the consolidated financial position, of the U.S. Borrower and its consolidated Subsidiaries and the Acquired Business and its consolidated Subsidiaries, respectively, as of the dates thereof and their consolidated results of operations and cash flows, for the periods then ended. As of the Closing Date, no Group Member has any contingent liability or liability for Taxes, long-term lease or unusual forward or long-term commitment that is not reflected in the Historical Financial Statements of the U.S. Borrower or the Historical Financial Statements of the Acquired Business, respectively, or the notes thereto and which in any such case is material in relation to the business, operations, properties, assets, or financial condition of the Group taken as a whole.

Section 4.08 Projections. On and as of the Closing Date, the projections of the Group for Fiscal Year 2013 and each Fiscal Year thereafter through and including Fiscal Year 2018 provided to the Lenders in the Confidential Information Memorandum (or supplement thereto) (the "Projections") are based on good faith estimates by the management of the U.S. Borrower and the assumptions set forth therein; provided, that the Projections are not to be viewed as facts and that actual results during the period or periods covered by the Projections may differ from such Projections and that the differences may be material.

Section 4.09 No Material Adverse Change. Since February 3, 2013, no event, circumstance or change has occurred that has caused, either individually or in the aggregate, a Material Adverse Effect.

Section 4.10 Adverse Proceedings, Etc. There are no Adverse Proceedings pending or, to the knowledge of any Authorized Officer of any Borrower, threatened in writing, individually or in the aggregate, that would reasonably be expected to have a Material Adverse Effect. No Group

Member (a) is in violation of any applicable laws (but excluding any Environmental Laws, which are subject to Section 4.13) that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect or (b) is in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any court or any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

Section 4.11 Payment of Taxes. Except as permitted by this Agreement, all such properties and assets are free and clear of Liens other than Permitted Liens.

(b) Real Estate. As of the Closing Date, Schedule 4.12 contains a true and complete list of all Material Real Estate Assets (other than retail store locations) and a description of each material lease or sublease affecting each Closing Date Mortgaged Property of any Loan Party, of which such Loan Party is the landlord.

(c) Flood Zone Properties. As of the Restatement Date, no Mortgage in effect as of the Restatement Date encumbers improved real property that is, as of the Restatement Date, located in a Flood Zone (except any such property as to which flood insurance has been obtained and is in full force and effect as required by this Agreement).

Section 4.13 Environmental Matters. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect: (a) each Group Member is in

compliance with all applicable Environmental Laws; (b) each Group Member has obtained and maintained in full force and effect all Governmental Authorizations required pursuant to Environmental Laws for the operation of their respective business; (c) there are no conditions, occurrences, violations of Environmental Law, or presence or Releases of Hazardous Materials which would reasonably be expected to form the basis of an Environmental Claim against any Group Member or related to any Real Estate Assets; (d) there are no pending Environmental Claims against any Group Member, and no Group Member has received any written notification of any alleged violation of, or liability pursuant to, Environmental Law or responsibility for the Release or threatened Release of, or exposure to, any Hazardous Materials; and (e) no Lien (other than a Permitted Lien) imposed pursuant to any Environmental Law has attached to any Collateral and, to the knowledge of any Authorized Officer of any Borrower, no conditions exist that would reasonably be expected to result in the imposition of such a Lien on any Collateral.

Section 4.14 No Defaults. No Group Member is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its Contractual Obligations, except where the consequences, direct or indirect, of such default or defaults, if any, would not reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing or would reasonably be expected to occur as a result of any Credit Extension or performance of any transaction under the Loan Documents.

Section 4.15 Governmental Regulation. No Group Member is subject to regulation under the Investment Company Act of 1940. No Group Member is a “registered investment company” or a company “controlled” by a “registered investment company” or a “principal underwriter” of a “registered investment company” as such terms are defined in the Investment Company Act of 1940.

Section 4.16 Margin Stock. No Group Member is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No part of the proceeds of the Loans will be used to purchase or carry any Margin Stock or to extend credit to others for the purpose of purchasing or carrying any Margin Stock or for any purpose that violates, or is inconsistent with, the provisions of Regulation T, U or X of the Board of Governors.

Section 4.17 Employee Benefit Plans. Each Group Member and each of their respective ERISA Affiliates are in compliance with all applicable provisions and requirements of ERISA and the Internal Revenue Code and the regulations and published interpretations thereunder with respect to each Employee Benefit Plan, and have performed all their obligations under each Employee Benefit Plan, other than as would not reasonably be expected to have a Material Adverse Effect. Each Employee Benefit Plan which is intended to qualify under Section 401(a) of the Internal Revenue Code has received a favorable determination letter from the Internal Revenue Service indicating that such Employee Benefit Plan is so qualified and nothing has occurred subsequent to the issuance of such determination letter which would cause such Employee Benefit Plan to lose its qualified status, in each case, other than as would not reasonably be expected to have a Material Adverse Effect. No material liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Employee Benefit Plan (other than in the ordinary course) or any

trust established under Title IV of ERISA has been or is expected to be incurred by any Group Member or any of their respective ERISA Affiliates with respect to any Employee Benefit Plan. No ERISA Event or Foreign Plan Event has occurred or is reasonably expected to occur where such ERISA Event or Foreign Plan Event would reasonably be expected to have a Material Adverse Effect. The present value of the aggregate benefit liabilities under each Pension Plan sponsored, maintained or contributed to by any Group Member or any of their respective ERISA Affiliates (determined as of the end of the most recent plan year on the basis of the actuarial assumptions specified for funding purposes in the most recent actuarial valuation for such Pension Plan) did not exceed the aggregate current fair market value of the assets of such Pension Plan, where such circumstance would reasonably be expected to have a Material Adverse Effect. As of the most recent valuation date for each Multiemployer Plan, the potential liability of the Group and its ERISA Affiliates for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 or Section 4205 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, does not exceed \$25,000,000. Each Group Member and each of their ERISA Affiliates have materially complied with the requirements of Section 515 of ERISA with respect to each Multiemployer Plan and are not in material “default” (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan. To the extent applicable, each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable laws, rules, regulations and orders of any Governmental Authority and has been maintained, where required, in good standing with applicable regulatory authorities, other than as would reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 4.17(a), each Foreign Plan which is required under all applicable laws, rules, regulations and orders of any Governmental Authority to be funded satisfies in all material respects any applicable funding standard under all applicable laws, rules, regulations and orders of any Governmental Authority. For each Foreign Plan which is not funded or which is not required to be fully funded under all applicable laws, rules regulations and orders of any Governmental Authority, the unfunded obligations of such Foreign Plan are properly accrued in all material respects. Except as set forth on Schedule 4.17(b), neither any Loan Party nor any of its Subsidiaries is or has at any time been the employer, or connected or associated with the employer (as those terms are used in the UK Pensions Act 2004) in relation to a UK defined benefit pension plan.

Section 4.18 Solvency. On the Restatement Date, the U.S. Borrower and each of its Subsidiaries are, on a consolidated basis, Solvent.

To the extent applicable, each Loan Party is in compliance, in all material respects, with (a) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto and (b) the PATRIOT Act. No part of the proceeds of the Loans shall be used, directly or indirectly, for any

payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

Section 4.20 Disclosure. No representation or warranty of any Loan Party contained in any Loan Document or in any other documents, certificates or written statements furnished to any Agent or Lender by any Group Member (or by its agents on its behalf) for use in connection with the transactions contemplated hereby contains, when considered together with the information in the U.S. Borrower's Annual Report on Form 10-K for Fiscal Year 2012 and the Acquired Business's Annual Report on Form 10-K for fiscal year 2011 and their respective Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, in each case as filed with the SEC (in the case of Forms 10-Q and 8-K, after the date of the applicable Form 10-K and prior to the Restatement Date)), at the time furnished any untrue statement of a material fact or omits to state a material fact (known to it, or to the Borrower Representative in the case of any document not furnished by it) necessary in order to make the statements contained herein or therein (when furnished and taken as a whole) not materially misleading in light of the circumstances in which the same were made; provided, that this representation with respect to information regarding the Acquired Business provided prior to the Closing Date is made to the best of each Loan Party's knowledge. Any projections and *pro forma* financial information contained in such materials are based upon good faith estimates and assumptions believed by the U.S. Borrower to be reasonable at the time made, it being recognized by Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections may differ from the projected results and such differences may be material.

Section 4.21 Intellectual Property.

(a) Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or except where the failure to do so is a result of a transaction or transactions permitted by this Agreement, each of the Loan Parties (i) as of the later of the date of the Perfection Certificate and the date of the then-most-recent amendment of or supplement to such Perfection Certificate pursuant to a Counterpart Agreement or pursuant to Section 5.01(j)(ii), 5.13 or otherwise, is the sole and exclusive owner of the entire right, title, and interest in and to all of the Intellectual Property then listed on Schedule II.B of the Perfection Certificate (including Exhibits B-1, B-2 and B-3 thereto) (as such Schedule and such Exhibits may be amended or supplemented from time to time after the Closing Date pursuant to a Counterpart Agreement or pursuant to Section 5.01(j)(ii), 5.13 or otherwise), and possesses all rights to sue at law or in equity for any infringement, misappropriation or other impairment thereof, including the right to receive all royalties, license fees, proceeds and damages therefrom, free and clear of all Liens, claims and licenses, except for Permitted Liens and (ii) owns or, pursuant to written agreement, has the valid right to use and, where such Loan Party does so, sublicense others to use, all other Intellectual Property used in or necessary to conduct its business (including granting of outbound licenses of such rights). has performed all acts and has paid all renewal, maintenance, and other fees and taxes required to maintain each and every registration and application of Copyrights, Patents and Trademarks of such Loan Party constituting Material Intellectual Property in full force and effect. No holding, decision, ruling, or judgment has been rendered in any action or proceeding before any court or administrative authority challenging the validity, enforceability, or scope of, or any Loan Party's right to register, own or use, any Material Intellectual Property of such Loan Party, and no such action or proceeding is pending or, to the knowledge of any Authorized Officer of any Borrower, threatened, nor does any Loan Party know of any valid basis for any such action, except as would not reasonably be expected to have a Material Adverse Effect. Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) all registrations, issuances and applications for Copyrights, Patents and Trademarks of each Loan Party are standing in the name of such Loan Party (or the CKI Trust), and (ii) all exclusive Copyright Licenses constituting Material Intellectual Property in respect of registered Copyrights, if any, have been properly recorded in the United States Copyright Office or, where appropriate, any foreign counterpart. To the knowledge of any Authorized Officer of any Borrower, the use of Material Intellectual Property by such Loan Party does not infringe or misappropriate the rights of any person, except as would not reasonably be expected to have a Material Adverse Effect.

(b) Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Loan Party has been using appropriate statutory notice of registration in connection with its use of registered Trademarks, proper marking practices in connection with its use of Patents, and appropriate notice of copyright in connection with the publication of Copyrights. Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Loan Party has taken commercially reasonable steps to protect the confidentiality of its Trade Secrets in accordance with industry standards. Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Loan Party controls the nature and quality of all products sold and all services rendered by it under or in connection with its Trademarks, in each case consistent with industry practices, and has taken all commercially reasonable actions necessary to ensure that all licensees of the Trademarks owned by such Loan Party comply with such Loan Party's standards of quality, in each case, to the extent such Trademarks constitute Material Intellectual Property.

(c) To the knowledge of any Authorized Officer of any Borrower, (i) the conduct of such Loan Party's business does not infringe, misappropriate, dilute or otherwise violate any Intellectual Property right of any other Person, except where such infringement, misappropriation, dilution or other violation would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and (ii) no claim exists that the use of any Material Intellectual Property owned or used by any Loan Party (or any of its respective licensees) infringes, misappropriates, dilutes or otherwise violates the asserted rights of any other Person. To the knowledge of any Authorized Officer of any Borrower, no Person is infringing, misappropriating, diluting or otherwise violating any rights in any Intellectual Property owned, licensed or used by such Loan Party, or any of its respective licensees, except where such infringement, misappropriation, dilution or other violation would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No settlement or consents, covenants not to sue, co-existence agreements, non-assertion

assurances, or releases have been entered into by any Loan Party or bind any Loan Party in a manner that could adversely affect such Loan Party's rights to own, license, transfer, or use any of the Material Intellectual Property in a manner consistent with the way such Loan Party conducts its business as of the Closing Date.

(d) Neither the execution, delivery or performance of this Agreement and the other Loan Documents, nor the consummation of the Closing Date Transactions and the other transactions contemplated hereby and thereby, will alter, impair or otherwise affect or require the consent, approval or other authorization of any other person in respect of any ownership, contractual or other right of any Loan Party in any Material Intellectual Property.

(e) Except where the failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Loan Party has taken commercially reasonable actions to maintain the secrecy and security of its and its Subsidiaries material Software, networks and databases, and to the knowledge of any Authorized Officer of any Borrower, none of the Software owned by the Loan Party or its Subsidiaries and material to their businesses contains any open source code where the consequences of containing such code would reasonably be expected to have a Material Adverse Effect.

Section 4.22 Ranking; Security.

(a) Each Loan Party's obligations under the Loan Documents ranks at least equally in right of payment with all of its unsecured and unsubordinated obligations, other than those that are mandatorily preferred by law applying to companies generally and other than with respect to the CKI Obligations and the 2023 Debentures Obligations to the extent set forth in the CKI Intercreditor Agreement.

(b) Each Security Document creates the security interest that it purports to create and such security interests are valid and effective in all material respects to the extent required therein.

Section 4.23 Centre of Main Interests and Establishments. Each Loan Party whose jurisdiction of incorporation is in a member state of the European Union has its "centre of main interest" (as that term is used in Article 3(1) of The Council of the European Union Regulation No. 1346/2000 on Insolvency Proceedings (the "Regulation")) in its jurisdiction of incorporation and has no "establishment" (as that term is used in Article 2(h) of the Regulation) in any other jurisdiction.

(d) In the event that any Material Intellectual Property owned by any Loan Party is infringed, misappropriated, diluted or otherwise violated by a third party and such infringement, misappropriation, dilution or other violation would reasonably be expected to have a Material Adverse Effect, such Loan Party shall promptly take all commercially reasonable actions to stop such infringement, misappropriation, dilution or other violation and protect its rights in such Material Intellectual Property including, but not limited to, the initiation of a suit for injunctive relief and to recover damages.

ARTICLE VII.
GUARANTY

Section 7.01 Guaranty of the Obligations.

(a) Subject to the provisions of Section 7.02, each Guarantor (which, for purposes of this Article VII, shall include the U.S. Borrower) other than the European Guarantor jointly and severally hereby irrevocably and unconditionally guaranties to the Administrative Agent for the ratable benefit of the Secured Parties the due and punctual payment in full of all Obligations of the Borrowers and each other Guarantor (and, in the case of the U.S. Borrower, all Obligations of any Restricted Subsidiary arising under any Hedge Agreement, Cash Management Agreement or Treasury Transaction) when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) or any comparable provision of any other Debtor Relief Law) (the “U.S. Guaranteed Obligations”).

(b) Subject to the provisions of Sections 7.02 and 7.13, the European Guarantor hereby irrevocably and unconditionally guaranties to the Administrative Agent for the ratable benefit of the Secured Parties the due and punctual payment in full of all Obligations of the Ancillary Borrowers and the European Borrower when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (the “European Guaranteed Obligations” and, together with the U.S. Guaranteed Obligations, the “Guaranteed Obligations”).

Section 7.02 Limitation on Liability; Contribution by Guarantors.

(a) Notwithstanding the foregoing, each Guarantor, and by acceptance of the benefits hereof, the Administrative Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that each Guaranty and the Guaranteed Obligations of each Guarantor hereunder not constitute a fraudulent conveyance for purposes of the Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to each Guaranty and the Guaranteed Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent and the Secured Parties hereby irrevocably agree that the Guaranteed Obligations of each Guarantor hereunder at any time shall be limited to the maximum amount as will result in the Guaranteed Obligations of such Guarantor hereunder not constituting a fraudulent transfer or conveyance.

(b) The U.S. Borrower and each U.S. Guarantor (the “U.S. Contributing Guarantors”) and the European Guarantor (together with the U.S. Contributing Guarantors, the “Contributing Guarantors”) desire to allocate among themselves, in a fair and equitable manner, the U.S. Guaranteed Obligations and European Guaranteed Obligations, respectively, arising under this Guaranty; provided that nothing in this Section 7.02 shall operate or be construed to allocate to the European Guarantor or the European Borrower any Obligation of the U.S. Borrower or the U.S.

Guarantors or to permit any payment by the European Guarantor, the European Borrower or any Ancillary Borrower to reduce any Obligations of the U.S. Borrower or the U.S. Guarantors (other than the U.S. Borrower's or any U.S. Guarantor's Guaranty hereunder of the Obligations of the European Borrower or any Ancillary Borrower). Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "Funding Guarantor") under this Guaranty such that its Aggregate Payments exceed its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other applicable Contributing Guarantors in an amount sufficient to cause each such Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the U.S. Guaranteed Obligations or European Guaranteed Obligations, as applicable. "Fair Share Contribution Amount" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of any Debtor Relief Law; provided, that solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 7.02, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "Aggregate Payments" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.02), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other applicable Contributing Guarantors as contributions under this Section 7.02. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among the applicable Contributing Guarantors of their obligations as set forth in this Section 7.02 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.02.

(c) In addition to the foregoing, the Guaranteed Obligations of CKI and the CKI Affiliates shall be limited to the amount permitted to be guaranteed (and secured) thereby pursuant to the CKI Security Agreement, as in effect on the Closing Date.

Section 7.03 Payment by Guarantors.

(a) Subject to Sections 7.02 and 7.14, the U.S. Borrower and the U.S. Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Secured Party may have at law or in equity against any of them by virtue hereof, that upon the failure of any Borrower to pay any of the U.S. Guaranteed Obligations when and as the

same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a), or any comparable provision of any other Debtor Relief Law), the U.S. Borrower and the U.S. Guarantors, as applicable, shall upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of the Secured Parties, an amount equal to the sum of the unpaid principal amount of all U.S. Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such U.S. Guaranteed Obligations (including interest which, but for any Borrower's becoming the subject of a case under the Bankruptcy Code or any other Debtor Relief Law, would have accrued on such U.S. Guaranteed Obligations, whether or not a claim is allowed against such Borrower for such interest in the related bankruptcy case or analogous proceeding under any Debtor Relief Law) and all other U.S. Guaranteed Obligations then owed to the Secured Parties as aforesaid.

(b) Subject to Sections 7.02, 7.13 and 7.14, the European Guarantor hereby agrees, in furtherance of the foregoing and not in limitation of any other right which any Secured Party may have at law or in equity against the European Guarantor by virtue hereof, that upon the failure of the European Borrower or any Ancillary Borrower to pay any of the European Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a), or any comparable provision of any other Debtor Relief Law), the European Guarantor shall upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of the Secured Parties, an amount equal to the sum of the unpaid principal amount of all European Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such European Guaranteed Obligations (including interest which, but for the European Borrower's or any Ancillary Borrower's becoming the subject of a case under the Bankruptcy Code or any other Debtor Relief Law, would have accrued on such European Guaranteed Obligations, whether or not a claim is allowed against the European Borrower of such Ancillary Borrower for such interest in the related bankruptcy case or analogous proceeding under any Debtor Relief Law) and all other European Guaranteed Obligations then owed to the Secured Parties as aforesaid.

Section 7.04 Liability of Guarantors Absolute. Each Guarantor agrees that, to the maximum extent permitted by applicable law, its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a Guarantor or surety other than Payment in Full of the applicable Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees, to the maximum extent permitted by applicable law, as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability;

(b) this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(c) the Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between any Borrower and any Secured Party with respect to the existence of such Event of Default;

(d) the obligations of each Guarantor hereunder are independent of the obligations of each Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of each Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against such Borrower or any of such other guarantors and whether or not such Borrower is joined in any such action or actions;

(e) payment by any Guarantor of a portion, but not all, of the applicable Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the applicable Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the applicable Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the applicable Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the applicable Guaranteed Obligations;

(f) any Secured Party, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Secured Party in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Secured Party may have against any such security, in each case as such Secured Party in its discretion may determine consistent herewith, the applicable Hedge Agreement, Cash Management Agreement or Treasury Transaction and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any Borrower or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Loan Documents or any Hedge Agreements, Cash Management Agreements or Treasury Transactions; and

(g) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than Payment in Full of the applicable Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice

or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Loan Documents, any Hedge Agreements, any Cash Management Agreements or any Treasury Transactions, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents, any of the Hedge Agreements, Cash Management Agreements or Treasury Transactions or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Loan Document, such Hedge Agreement, such Cash Management Agreement, such Treasury Transaction or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect (other than with respect to defense of payment or performance in full); (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents, any of the Hedge Agreements, any of the Cash Management Agreements, any Treasury Transaction or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as Collateral for Indebtedness other than the Guaranteed Obligations) to the payment of Indebtedness other than the Guaranteed Obligations, even though any Secured Party might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Secured Party's consent to the change, reorganization or termination of the corporate structure or existence of any Group Member and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses (other than defense of payment or performance in full), set-offs or counterclaims which any Borrower may allege or assert against any Secured Party in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or omission, or delay to do any other act, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

Section 7.05 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Secured Parties: (a) any right to require any Secured Party, as a condition of payment or performance by such Guarantor, to (i) proceed against any Borrower, any other guarantor (including any other Guarantor) of the applicable Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from any Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Secured Party in favor of any Borrower, any such other guarantor or any other Person, or (iv) pursue any other remedy in the power of any Secured Party whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any Borrower or any other guarantor (including any other Guarantor) including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any Borrower or any such other guarantor from any cause other than Payment in Full of the applicable Guaranteed

Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Secured Party's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, or under any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to any Borrower and notices of any of the matters referred to in Section 7.04 and any right to consent to any thereof; and (g) any defenses (other than defense of payment or performance in full) or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

Section 7.06 Guarantors' Rights of Subrogation, Contribution, Etc. Until the applicable Guaranteed Obligations shall have been Paid in Full, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any applicable Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any applicable Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Secured Party now has or may hereafter have against any Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Secured Party. In addition, until the applicable Guaranteed Obligations shall have been Paid in Full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the applicable Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.02. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Secured Party may have against any Borrower, to all right, title and interest any Secured Party may have in any such collateral or security, and to any right any Secured Party may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all applicable Guaranteed Obligations shall not have been Paid in Full, such amount shall be held in trust for the Administrative Agent on behalf of the Secured Parties and shall forthwith be paid over to the Administrative Agent for the benefit of the Secured Parties to be credited and applied

against the applicable Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

Section 7.07 Subordination of Certain Intercompany Obligations. Each European Loan Party and each Ancillary Borrower hereby subordinates any and all debts, liabilities and other obligations owed to it by any U.S. Loan Party (the “Subordinated European Intercompany Obligations”) to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 7.07:

(a) Prohibited Payments, Etc. So long as no Event of Default shall have occurred and be continuing, such European Loan Party or such Ancillary Borrower, as applicable, may receive payments from any U.S. Loan Party on account of the Subordinated European Intercompany Obligations (provided that the making of such payments by the applicable obligor are not prohibited by the terms of this Agreement) and demand, accept or take any action to collect any payment on account of the Subordinated European Intercompany Obligations.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under the Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law relating to any other Loan Party, each European Loan Party and each Ancillary Borrower agrees that the Secured Parties shall be entitled to receive Payment in Full in cash of all Guaranteed Obligations before such European Loan Party or such Ancillary Borrower, as applicable, receives payment of any Subordinated European Intercompany Obligations.

(c) Turn-Over. After the occurrence and during the continuation of any Event of Default, each European Loan Party or Ancillary Borrower, as applicable, shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated European Intercompany Obligations as trustee for the Secured Parties and deliver such payments to the Administrative Agent (for the benefit of the applicable Secured Parties) on account of the Guaranteed Obligations, together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such European Loan Party or such Ancillary Borrower (if any) under the other provisions of this Agreement.

(d) Administrative Agent Authorization. After the occurrence and during the continuation of any Event of Default, the Administrative Agent is authorized and empowered (but under no obligation), in its discretion, (i) in the name of each European Loan Party and each Ancillary Borrower, to collect and enforce, and to submit claims in respect of, the Subordinated European Intercompany Obligations and to apply any amounts received thereon to the Guaranteed Obligations, and (ii) to require each European Loan Party and each Ancillary Borrower to (A) collect and enforce, and to submit claims in respect of, the Subordinated European Intercompany Obligations and (B) pay any amounts received on such Subordinated European Intercompany Obligations to the Administrative Agent for application to the Guaranteed Obligations.

Section 7.08 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the U.S. Guaranteed Obligations and European Guaranteed Obligations, respectively, shall have been Paid in Full. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

Section 7.09 Authority of Guarantors or the Borrowers. It is not necessary for any Secured Party to inquire into the capacity or powers of any Guarantor or any Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

Section 7.10 Financial Condition of the Borrowers. Any Credit Extension may be made to any Borrower or continued from time to time, and any Hedge Agreements, Cash Management Agreements and Treasury Transactions may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of such Borrower or, with respect to any Hedge Agreements, Cash Management Agreements and Treasury Agreements, the U.S. Borrower or any of its Subsidiaries party thereto, at the time of any such grant or continuation or at the time such Hedge Agreement, Cash Management Agreement or Treasury Agreement is entered into, as the case may be. No Secured Party shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of such obligor. Each Guarantor has adequate means to obtain information from each such obligor on a continuing basis concerning the financial condition of each such obligor and its ability to perform its obligations under the Loan Documents, any Hedge Agreements, any Cash Management Agreements or any Treasury Transactions, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of each such obligor and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Secured Party to disclose any matter, fact or thing relating to the business, operations or conditions of any such obligor now known or hereafter known by any Secured Party.

Section 7.11 Bankruptcy, Etc.

(a) The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding (or analogous proceeding under any Debtor Relief Law), voluntary or involuntary, involving the bankruptcy, insolvency, examinership, receivership, reorganization, liquidation or arrangement of any Borrower or any other Guarantor or by any defense which any Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the applicable Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in Section 7.11(a) (or, if interest on any portion of the applicable Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the applicable Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the applicable Guaranteed Obligations because it is the intention of the Guarantors and Secured Parties that the Guaranteed Obligations which are guaranteed by the Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve any Borrower of any portion of such Guaranteed Obligations. The Guarantors shall permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person under any Debtor Relief Law to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by any Borrower, the obligations of the Guarantors with respect to such amounts hereunder shall be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Secured Party as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

Section 7.12 Discharge of Guaranty Upon Sale of Guarantor. If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of or such Guarantor ceases to be a Restricted Subsidiary, in each case in accordance with the terms hereof or as otherwise consented to by the Required Lenders (or such other Lenders as may be required to give such consent under Section 10.05), the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder and all security interests granted in the Collateral by such Guarantor to secure such Guaranty shall automatically be discharged and released without any further action by any Secured Party or any other Person effective as of the time of such transaction. Upon request of the Borrower Representative, the Administrative Agent and the Collateral Agent shall take, and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to take, such actions as shall be reasonably requested to evidence the termination and release of such Guaranty and such security interests in the Collateral.

Section 7.13 European Guarantor Limitations. In respect of the European Guarantor, the guarantee under this Article VII (including the contribution requirements under Section 7.02) does not apply to (or, in the case of Section 7.02, will not create) any liability to the extent that it would result in this guarantee constituting unlawful financial assistance prohibited by section 2:98c of the Dutch Civil Code.

Section 7.14 Subordination of the Guaranteed Obligations. Notwithstanding anything herein or in any other Loan Document to the contrary, the Collateral Agent, for itself and on behalf of each Secured Party, and each Guarantor hereby agrees that the Guaranteed Obligations of CKI and the CKI Affiliates shall be subordinated in right of payment to the CKI Obligations and 2023 Debentures Obligations to the extent set forth in Section 2.3 of the CKI Intercreditor Agreement.

ARTICLE IX. AGENTS

Section 9.01 Appointment of Agents. Each of MLPFS and CGMI are hereby appointed as a Co-Syndication Agent hereunder, and each Lender hereby authorizes MLPFS and CGMI to act as the Co-Syndication Agents in accordance with the terms hereof and the other Loan Documents. Barclays is hereby appointed as the Administrative Agent and the Collateral Agent hereunder and

under the other Loan Documents and each Lender hereby authorizes Barclays to act as the Administrative Agent and the Collateral Agent in accordance with the terms hereof and the other Loan Documents. Royal Bank is hereby appointed as the Documentation Agent hereunder, and each Lender hereby authorizes Royal Bank to act as the Documentation Agent in accordance with the terms hereof and the other Loan Documents. Each Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Article IX (other than as expressly provided herein) are solely for the benefit of the Agents and the Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions of this Article IX (other than as expressly provided herein). In performing its functions and duties hereunder, each Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Group Member. Each Syndication Agent and the Documentation Agent, without consent of or notice to any party hereto, may assign any and all of its rights or obligations hereunder to any of its Affiliates. Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the Arrangers, the Bookrunners, the Co-Syndication Agents and the Documentation Agent are named as such for recognition purposes only, and in their respective capacities as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that each of the Arrangers, the Bookrunners, the Co-Syndication Agents and the Documentation Agent shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents and all of the other benefits of this Article IX.

Section 9.02 Powers and Duties. Each Lender irrevocably authorizes each Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Loan Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. In the event that any obligations (other than the Obligations) are permitted to be incurred hereunder and secured by Liens permitted to be incurred hereunder on all or a portion of the Collateral, each Lender authorizes the Administrative Agent and the Collateral Agent to enter into intercreditor agreements, subordination agreements and amendments to the Security Documents to reflect such arrangements on terms acceptable to the Administrative Agent and Collateral Agent. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Loan Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Loan Documents, a fiduciary relationship or other implied duties in respect of any Lender, any Loan Party or any other Person; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under the agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 9.03 General Immunity.

(a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Loan Document, or for the creation, perfection or priority of any Lien, or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to the Lenders or by or on behalf of any Loan Party or to any Agent or Lender in connection with the Loan Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Loan Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or as to the value or sufficiency of any Collateral or as to the satisfaction of any condition set forth in Article III or elsewhere herein (other than confirm receipt of items expressly required to be delivered to such Agent) or to inspect the properties, books or records of any Group Member or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, the Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the Letter of Credit Usage or the component amounts thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, employees or agents shall be liable to the Lenders (i) for any action taken or omitted by any Agent (A) under or in connection with any of the Loan Documents or (B) with the consent or at the request of the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement) except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction or (ii) for any failure of any Loan Party to perform its obligations under this Agreement or any other Loan Document. No Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose or be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Loan Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.05) and, upon receipt of such instructions from Required Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions and shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys

(who may be attorneys for a Group Member), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Loan Documents in accordance with the instructions of Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.05).

(c) Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Loan Document by or through any one or more sub-agents appointed by it. Each of the Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 9.03 and of Section 9.06 shall apply to any of the Affiliates of the Administrative Agent or the Collateral Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent or Collateral Agent, as applicable. All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 9.03 and of Section 9.06 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Administrative Agent or the Collateral Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of Loan Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to the Administrative Agent and not to any Loan Party, Lender or any other Person and no Loan Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent; provided, that the Administrative Agent and Collateral Agent shall be responsible for all acts of each of their respective sub-agents, and each Loan Party, Secured Party and other Person shall have the same rights against the Administrative Agent or Collateral Agent, as applicable, as if the Administrative Agent or Collateral Agent, as applicable, had performed the duties and exercised the rights and powers under this Agreement or any other Loan Document that its sub-agent performed or exercised.

(d) Notice of Default or Event of Default. No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent by a Loan Party or a Lender. In the event that the Administrative Agent shall receive such a notice, the Administrative Agent shall give notice thereof to the Lenders, provided that failure to give such notice shall not result in any liability on the part of the Administrative Agent.

Section 9.04 Agents Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any

Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans and the Letters of Credit, each Agent shall have the same rights and powers hereunder in its capacity as a Lender as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term “Lender” shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with the U.S. Borrower or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the U.S. Borrower for services in connection herewith and otherwise without having to account for the same to Lenders. The Lenders acknowledge that pursuant to such activities, the Agents or their Affiliates may receive information regarding any Loan Party or any Affiliate of any Loan Party (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Agents and their Affiliates shall be under no obligation to provide such information to them.

Section 9.05 Lenders’ Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of the Group in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of the Group. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to the Original Credit Agreement (or, if applicable, the First Amendment), an Assignment Agreement or a Joinder Agreement and funding its Tranche A Term Loans, Tranche B Term Loans, Revolving Commitments and/or Revolving Loans on the Closing Date, the Restatement Date or thereafter or by the funding of any Incremental Term Loans or Incremental Revolving Loans, as the case may be, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by any Agent, Required Lenders or Lenders, as applicable on the Closing Date, the Restatement Date or as of the date of funding of such Loans.

Section 9.06 Right to Indemnity. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent to the extent that such Agent shall not have been reimbursed by any Loan Party (and without limiting its obligation to do so), for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Loan Documents or otherwise in its capacity as Agent in any way relating to or arising out of this Agreement or the other Loan Documents; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages,

penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, that in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided, further, that this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

Section 9.07 Successor Administrative Agent, Collateral Agent and Swing Line Lender.

(a) The Administrative Agent shall have the right to resign at any time by giving prior written notice thereof to the Lenders and the Borrower Representative. The Administrative Agent shall have the right to appoint a financial institution to act as the Administrative Agent and/or the Collateral Agent hereunder, subject to the reasonable satisfaction of the Borrower Representative and the Required Lenders, and the Administrative Agent's resignation shall become effective on the earlier of (i) the acceptance of such successor Administrative Agent by the Borrower Representative and the Required Lenders or (ii) the thirtieth day after such notice of resignation. Upon any such notice of resignation, if a successor Administrative Agent has not already been appointed by the retiring Administrative Agent, Required Lenders shall have the right, upon five Business Days' notice to the Borrower Representative, to appoint a successor Administrative Agent. If neither Required Lenders nor the Administrative Agent have appointed a successor Administrative Agent, then the Required Lenders shall be deemed to have succeeded to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided, that until a successor Administrative Agent is so appointed by Required Lenders or the Administrative Agent, the Administrative Agent, by notice to the Borrower Representative and Required Lenders, may retain its role as the Collateral Agent under any Security Document. Except as provided in the preceding sentence, any resignation of Barclays or its successor as the Administrative Agent pursuant to this Section 9.07 shall also constitute the resignation of Barclays or its successor as the Collateral Agent. After any retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Section 9.07 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent hereunder. Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent and the retiring Administrative Agent shall promptly (i) transfer to such successor Administrative Agent all sums, Securities and other items of Collateral held under the Security Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Loan Documents, and (ii) execute and deliver to such successor Administrative Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative

Agent of the security interests created under the Security Documents, whereupon such retiring Administrative Agent shall be discharged from its duties and obligations hereunder. If the Administrative Agent is retaining its role as Collateral Agent, the actions enumerated in the preceding sentence will be modified to account for such retained role. Any successor Administrative Agent appointed pursuant to this Section 9.07 shall, upon its acceptance of such appointment, become the successor Collateral Agent for all purposes hereunder. If Barclays or its successor as the Administrative Agent pursuant to this Section 9.07 has resigned as the Administrative Agent but retained its role as the Collateral Agent and no successor Collateral Agent has become the Collateral Agent pursuant to the immediately preceding sentence, Barclays or its successor may resign as the Collateral Agent upon notice to the Borrower Representative and Required Lenders at any time.

(b) In addition to the foregoing, the Collateral Agent may resign at any time by giving 30 days' prior written notice thereof to Lenders and the Loan Parties. The Administrative Agent shall have the right to appoint a financial institution as the Collateral Agent hereunder, subject to the reasonable satisfaction of the Borrower Representative and the Required Lenders and the Collateral Agent's resignation shall become effective on the earlier of (i) the acceptance of such successor Collateral Agent by the Borrower Representative and the Required Lenders or (ii) the thirtieth day after such notice of resignation. Upon any such notice of resignation, if a successor Collateral Agent has not already been appointed by the retiring Collateral Agent, Required Lenders shall have the right, upon five Business Days' notice to the Administrative Agent, to appoint a successor Collateral Agent. Upon the acceptance of any appointment as the Collateral Agent hereunder by a successor Collateral Agent, the successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement and the Security Documents, and the retiring Collateral Agent under this Agreement shall promptly (i) transfer to such successor Collateral Agent all sums, Securities and other items of Collateral held hereunder or under the Security Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Agent under this Agreement and the Security Documents, and (ii) execute and deliver to such successor Collateral Agent or otherwise authorize the filing of such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Collateral Agent of the security interests created under the Security Documents, whereupon such retiring Collateral Agent shall be discharged from its duties and obligations under this Agreement and the Security Documents. After any retiring Collateral Agent's resignation hereunder as the Collateral Agent, the provisions of this Agreement and the Security Documents shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement or the Security Documents while it was the Collateral Agent hereunder.

(c) Any resignation of Barclays or its successor as the Administrative Agent pursuant to this Section shall also constitute the resignation of Barclays or its successor as the Swing Line Lender and Issuing Bank, and any successor Administrative Agent appointed pursuant to this Section 9.07 shall, upon its acceptance of such appointment, become the successor to the Swing Line Lender and an Issuing Bank (in accordance with Section 2.04(h)) for all purposes hereunder. In such event (i) the U.S. Borrower shall prepay any outstanding Swing Line Loans made by the retiring Administrative Agent in its capacity as Swing Line Lender, (ii) upon such prepayment, the retiring Administrative Agent and Swing Line Lender shall surrender any Swing Line Note held by

it to the U.S. Borrower for cancellation and (iii) the U.S. Borrower shall issue, if so requested by the successor Administrative Agent and the Swing Line Lender, a new Swing Line Note to the successor Administrative Agent and the successor Swing Line Lender, in the principal amount of the Swing Line Sublimit then in effect and with other appropriate insertions.

Section 9.08 Security Documents and Guaranty.

(a) Agents under Security Documents and Guaranty. Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Guaranty, the Collateral and the Security Documents; provided, that, except as expressly set forth herein, neither the Administrative Agent nor the Collateral Agent shall owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure or any other obligation whatsoever to any holder of Obligations. Subject to Section 10.05, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable may execute any documents or instruments necessary (i) in connection with a sale or disposition of assets permitted by this Agreement, to release any Lien encumbering any item of Collateral that is the subject of such sale or other disposition of assets or to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.05) have otherwise consented or (ii) to release any Guarantor from the Guaranty pursuant to Section 7.12 or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.05) have otherwise consented.

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrowers, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

(c) Rights under Hedge Agreements. No Hedge Agreement shall create (or be deemed to create) in favor of any Lender Counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Loan Documents except as expressly provided in Sections 2.15(f) and 10.05(c)(v) of this Agreement. By accepting the benefits of the Collateral, such Lender Counterparty shall be deemed to have appointed

the Collateral Agent as its agent and agreed to be bound by the Loan Documents as a Secured Party, subject to the limitations set forth in this Section 9.08(c).

(d) Release of Collateral and Guarantees, Termination of Loan Documents.

(i) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations have been Paid in Full, this Agreement and all other Loan Documents, all guarantee obligations provided for in any Loan Document and all security interests granted pursuant to any Loan Document shall automatically terminate, and upon request of the Borrower Representative, the Administrative Agent and the Collateral Agent shall (without notice to, or vote or consent of, any Lender or any Lender Counterparty) take such actions as shall be reasonably requested to evidence the release of its security interest in all Collateral, and to evidence the release of all guarantee obligations provided for in any Loan Document. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation, examinership, receivership or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor, liquidator, examiner or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(ii) Upon any disposition of property permitted by this Agreement, any security interest in such property provided for in any Security Document shall be deemed to be automatically released and such property shall automatically revert to the applicable Loan Party with no further action on the part of any Person. The Collateral Agent shall, at the applicable Loan Party's expense, execute and deliver or otherwise authorize the filing of such documents as such Loan Party shall reasonably request, in form and substance reasonably satisfactory to the Collateral Agent, including financing statement amendments to evidence such release.

(iii) Notwithstanding anything to the contrary contained in any Security Document or any other Loan Document, in the event that the Collateral Agent exercises any of its rights or remedies under the Loan Documents with respect to Collateral that is the subject of a Trademark license agreement entered into by the U.S. Borrower or any of its Subsidiaries, the Lenders hereby agree that the Collateral Agent shall, and the Collateral Agent hereby agrees that it shall, exercise such rights and remedies subject to the obligation to pay royalties and the restrictions on the marketing, sale and distribution of such goods, in each case, that are contained in the applicable licensing agreement; provided that such restrictions are in the nature of customary restrictions intended to preserve the rights of the applicable licensors in the licensed Intellectual Property, preserve the prestige, image and goodwill of the licensed Intellectual Property and the licensor and/or avoid the infringement of the rights of any third party, including, without limitation, any other licensee of the applicable licensor. At the request of the U.S. Borrower or any of its Subsidiaries from time to time, the Lenders hereby agree that the Collateral Agent shall be authorized to, and the

Collateral Agent hereby agrees that it shall, execute and deliver to the U.S. Borrower acknowledgments of the Lenders' and the Collateral Agent's agreements pursuant to the foregoing sentence, for the benefit of the applicable licensor.

Section 9.09 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If any payment has been made to any Lender by the Administrative Agent without the applicable withholding Tax being withheld from such payment and the Administrative Agent has paid over the applicable withholding Tax to the Internal Revenue Service or any other Governmental Authority, or the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, provided that nothing in this Section 9.09 shall impose any obligation on any Loan Party.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under the Bankruptcy Code or other applicable law or any other judicial proceeding relative to any Borrower, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the other Secured Parties (including fees, disbursements and other expenses of counsel) allowed in such judicial proceeding and (b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and other Secured Party to make such payments to the Administrative Agent. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or other Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or other Secured Party to authorize the Administrative Agent to vote in respect of the claim of such Person or in any such proceeding.

Section 9.11 Administrative Agent's "Know Your Customer" Requirements. Each Lender shall promptly, upon the request of the Administrative Agent, provide such documentation and other evidence as is reasonably requested by the Administrative Agent (for itself) in order for the Administrative Agent to carry out and be satisfied it has complied with all necessary "know

your customer” or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in the Loan Documents.

ARTICLE X. MISCELLANEOUS

Except as otherwise set forth in Section 10.01(b) below, each notice hereunder shall be in writing and may be personally served or sent by telefacsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of telefacsimile, ordinary or registered post, or three Business Days after depositing it in the ordinary or prepaid post or United States mail with postage prepaid and properly addressed; provided, that no notice to any Agent shall be effective until received by such Agent; provided, further, that any such notice or other communication shall at the request of the Administrative Agent be provided to any sub-agent appointed pursuant to Section 9.03(c) hereto as designated by the Administrative Agent from time to time.

(b) Electronic Communications.

The Administrative Agent, each other Agent and the Borrower Representative hereby agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that any Borrowing Notice or notice of an Event of Default shall be promptly confirmed by facsimile. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement); provided, that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient and (ii) notices or communications posted to an internet or intranet website shall be deemed

received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(ii) Each Loan Party understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(iii) The Platform and any Approved Electronic Communications are provided “as is” and “as available”. None of the Agents nor any of their respective officers, directors, employees, agents, advisors or representatives (the “Agent Affiliates”) warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by the Agent Affiliates in connection with the Platform or the Approved Electronic Communications. Each party hereto agrees that no Agent has any responsibility for maintaining or providing any equipment, Software, services or any testing required in connection with any Approved Electronic Communication or otherwise required for the Platform. In no event shall any Agent nor any of the Agent Affiliates have any liability to any Loan Party, any Lender or any other Person for damages of any kind, whether or not based on strict liability and including (A) direct damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party’s or any Agent’s transmission of communications through the internet, except to the extent the liability of any such Person if found in a final ruling by a court of competent jurisdiction to have resulted from such Person’s gross negligence or willful misconduct or (B) indirect, special, incidental or consequential damages.

(iv) Each Loan Party, each Lender, the Issuing Bank and each Agent agrees that the Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with the Administrative Agent’s customary document retention procedures and policies.

(v) All uses of the Platform shall be governed by and subject to, in addition to this Section 10.01, separate terms and conditions posted or referenced in such Platform and related agreements executed by the Lenders and their Affiliates in connection with the use of such Platform.

(c) Change of Address. Any party hereto may changes its address or telecopy number for notices and other communications hereunder by written notice to the other parties hereto.

Section 10.02 Expenses. Whether or not the transactions contemplated hereby are consummated, each Borrower agrees to pay promptly (a) all the actual and reasonable out-of-pocket

costs and expenses incurred by the Agents and the Arranger in connection with the negotiation, preparation and execution of the Loan Documents and any consents, amendments, supplements, waivers or other modifications thereto; (b) the reasonable fees, expenses and disbursements of counsel to the Agents (in each case including allocated costs of internal counsel) in connection with the negotiation, preparation, execution and administration of the Loan Documents and any consents, amendments, supplements, waivers or other modifications thereto and any other documents or matters requested by any Borrower; provided that reasonable attorney's fees shall be limited to one primary counsel and, if reasonably required by the Administrative Agent, one local counsel per jurisdiction and one specialist counsel per specialty, provided, further, that no such limitation shall apply if counsel for the Administrative Agent determines in good faith that there is a conflict of interest that requires separate representation for any Agent or Lender; (c) all the actual costs and reasonable out-of-pocket expenses of creating, perfecting, recording, maintaining and preserving Liens in favor of the Collateral Agent, for the benefit of Secured Parties, including filing and recording fees, expenses and Taxes, stamp or documentary Taxes, search fees, title insurance premiums and reasonable fees, expenses and disbursements of counsel to the Collateral Agent and the Administrative Agent; (d) all the actual costs and reasonable out-of-pocket expenses (including the reasonable fees, expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by the Collateral Agent and its counsel) in connection with the custody or preservation of any of the Collateral; (e) all other actual costs and reasonable out-of-pocket expenses incurred by each Agent in connection with the syndication of the Loans and Commitments and the transactions contemplated by the Loan Documents and any consents, amendments, supplements, waivers or other modifications thereto; and (f) all actual costs and reasonable out-of-pocket expenses, including reasonable attorneys' fees (including allocated costs of internal counsel) and costs of settlement, incurred by any Agent or any Lender in enforcing any Obligations of or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents (including in connection with the sale, lease or license of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work-out" or pursuant to any insolvency or bankruptcy cases or proceedings. All amounts due under this Section 10.02 shall be due and payable promptly after demand therefor.

Section 10.03 Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.02, whether or not the transactions contemplated hereby are consummated, each Loan Party agrees to defend (subject to Indemnitees' rights to selection of counsel), indemnify, pay and hold harmless, each Agent, Arranger, Bookrunner, any other agent or co-agent (if any) designated by the Bookrunners with respect to the credit facilities hereunder, Issuing Bank, Swing Line Lender and Lender and the officers, partners, members, directors, trustees, shareholders, advisors, employees, representatives, attorneys, controlling persons, agents and Affiliates of each Agent, Arranger, Bookrunner, other agent or co-agent (if any) designated by the Bookrunners with respect to the credit facilities hereunder, Issuing Bank, Swing Line Lender and Lender (each, an "Indemnitee"), from and against any and all Indemnified Liabilities; provided, that no Loan Party shall have any obligation to any Indemnitee hereunder with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities (a) arise from (i) the gross negligence or willful misconduct of such Indemnitee or any

of such Indemnitee's Affiliates or any of its or their respective partners, trustees, shareholders, officers, directors, employees, advisors, representatives, agents, attorneys, controlling persons or members or (ii) a material breach of such Indemnitee's (or any of its Affiliates, partners, trustees, shareholders, officers, directors, employees, advisors, representatives, agents, attorneys, controlling persons and members) obligations under the Loan Documents, in each case, as determined by a final, non-appealable judgment of a court of competent jurisdiction, (b) arise out of any dispute among Indemnitees (other than a dispute involving claims against the Administrative Agent, the Collateral Agent, an Arranger or a Bookrunner, in each case in their respective capacities as such) that did not involve actions or omissions of the Loan Parties or their Affiliates or (c) arise in connection with any settlement entered into by such Indemnitee without the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of the Loan Parties (provided, however, that the foregoing indemnity will apply to any such settlement in the event the Loan Parties were offered the ability to assume the defense of the action that was the subject matter of such settlement and elected not to assume the defense); provided, further, that in connection therewith, the Loan Parties shall only be responsible for the fees, charges and disbursements of a single counsel selected by the Administrative Agent for all Indemnitees and of such special and local counsel as the Administrative Agent may deem appropriate in its good faith discretion, except that if any Indemnitee reasonably concludes that its interests conflict or are reasonably likely to conflict with those of other Indemnitees and notifies the Loan Parties of such conflict, the Loan Parties shall also be responsible for the fees, charges and disbursements of one separate counsel for such conflicted Indemnitees; provided, further, that in respect of a European Loan Party, the Guaranty of the European Guarantor (including the contribution requirements in respect of the indemnity in this Section 10.03) does not apply to any Indemnified Liability to the extent that it would result in this indemnity constituting unlawful financial assistance prohibited by section 2:98c of the Dutch Civil Code. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.03 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Loan Party shall to the extent permitted by law contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them.

(b) To the extent permitted by applicable law, no Loan Party or Indemnitee shall be responsible or liable to any Person for any special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) alleged as arising out of, in connection with, as a result of or in any way related to this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, the transmission of information through the Internet, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith; provided that the foregoing does not otherwise modify the obligations of the Loan Parties set forth in this Section 10.03. Each Loan Party and each Indemnitee, as applicable, hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(c) All amounts due under this Section 10.03 shall be due and payable within five days after demand therefor.

Section 10.04 Set-Off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuation of any Event of Default each Lender is hereby authorized by each Loan Party at any time or from time to time to the fullest extent permitted by law and subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived to the fullest extent permitted by applicable law, to set-off and to appropriate and to apply any and all deposits (time or demand, provisional or final, general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, the Letters of Credit and participations therein and under the other Loan Documents, including all claims of any nature or description arising out of or connected hereto, the Letters of Credit and participations therein or with any other Loan Document, irrespective of whether or not (i) such Lender shall have made any demand hereunder or (ii) such obligations and liabilities, or any of them, may be contingent or unmatured.

Section 10.05 Amendments and Waivers.

(a) Required Lenders' Consent. Subject to the additional requirements of Sections 10.05(b) and 10.05(c), no amendment, supplement, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of the Required Lenders and the U.S. Borrower (it being understood that delivery of an executed counterpart of a signature page to the applicable amendment, supplement, modification, termination or waiver by facsimile or other electronic transmission will be effective as delivery of an original executed counterpart thereof); provided that (x) any Defaulting Lender shall be deemed not to be a "Lender" for purposes of calculating the Required Lenders (including the granting of any consents or waivers) with respect to any of the Loan Documents and (y) the Administrative Agent and the Borrower Representative may amend, modify or supplement this Agreement to cure any error (including, but not limited to, typographical error, incorrect cross-reference or incorrectly-named defined term), defect, ambiguity, inconsistency or any other error or omission of a technical nature, and such amendment, modification or supplement shall become effective without any further action or consent of any other Lender if the same is not objected to in writing by the Required Lenders to the Administrative Agent within 10 Business Days following receipt of notice thereof.

(b) Affected Lenders' Consent. Without the written consent of each Lender (other than a Defaulting Lender) that would be directly and adversely affected thereby, no amendment, supplement, modification, termination, or consent shall be effective if the effect thereof would:

- (i) extend the scheduled final maturity of any Loan or Note;
- (ii) waive, reduce or postpone any scheduled repayment (but not prepayment) of principal;
- (iii) [reserved];

(iv) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.10) or any fee or any premium payable hereunder (it being understood that any change to the definition of Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction in the rate of interest); provided, further, that only the consent of the Required Lenders shall be necessary to amend the Default Rate in Section 2.10 or to waive any obligation of any Borrower to pay interest at the Default Rate;

(v) waive or extend the time for payment of any such interest, fees or premiums, it being understood that only the consent of the Required Lenders shall be necessary to rescind an acceleration of Obligations after acceleration thereof pursuant to Section 8.01 hereof;

(vi) reduce or forgive the principal amount of any Loan or any reimbursement Obligation in respect of any Letter of Credit;

(vii) amend, modify, terminate or waive any provision of Section 2.13(b)(ii), Section 2.13(c)(i) to the extent relating to the requirement to make Offers to all Lenders in a Class, Section 2.15 (except to the extent provided for in Section 10.05(c)(iii)), Section 2.16(c), Section 2.17, this Section 10.05(b), Section 10.05(c) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required;

(viii) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under any Loan Document except as expressly provided in any Loan Document;

(ix) amend the definition of "Required Lenders" or amend Section 10.05(a) in a manner that has the same effect as an amendment to such definition or the definition of "Pro Rata Share"; provided that with the consent of Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Required Lenders" or "Pro Rata Share" on substantially the same basis as the Term Loan Commitments, the Term Loans, the Revolving Commitments and the Revolving Loans are included on the Closing Date;

(x) release all or substantially all of the Collateral or all or substantially all of the Guarantors (by value) from the Guaranty except as expressly provided in the Loan Documents or any Intercreditor Agreement;

(xi) amend or modify any provision of Section 10.06 in a manner that further restricts assignments thereunder;

(xii) amend or modify any Intercreditor Agreement in a manner that would adversely affect the priority of the Liens of the Collateral Agent or the Subordination of any Indebtedness to the Obligations; or

(xiii) change the stated currency in which any Borrower is required to make payments of principal, interest, fees or other amounts hereunder or under any other Loan Document;

provided that, for the avoidance of doubt, all Lenders shall be deemed directly and adversely affected thereby with respect to any amendment described in clauses (vii), (viii), (ix), (x) and (xii).

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall:

(i) increase any Commitment of any Lender over the amount thereof then in effect or extend the outside date for such Commitment without the consent of such Lender; provided that no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall be deemed to constitute an increase in any Commitment of any Lender;

(ii) amend, modify, terminate or waive any provision hereof relating to (x) the U.S. Swing Line Sublimit or the U.S. Swing Line Loans without the consent of the U.S. Swing Line Lender, or (y) the Canadian Swing Line Sublimit or the Canadian Swing Line Loans without the consent of the Canadian Swing Line Lender;

(iii) alter the required application of any repayments or prepayments as between Classes pursuant to Section 2.15 without the consent of Lenders holding more than 50.0% of the aggregate Tranche A Term Loan Exposure of all Lenders, Tranche B Term Loan Exposure of all Lenders, Revolving Exposure of all Lenders or Incremental Term Loan Exposure of all Lenders, as applicable, of each Class which is being allocated a lesser repayment or prepayment as a result thereof; provided, that Required Lenders may waive, in whole or in part, any prepayment so long as the application, as between Classes, of any portion of such prepayment which is still required to be made is not altered;

(iv) amend, modify, terminate or waive any obligation of Lenders relating to the purchase of participations in Letters of Credit as provided in Section 2.04(e) without the written consent of the Administrative Agent and of the Issuing Bank;

(v) amend, modify or waive this Agreement or any Security Document so as to alter the ratable treatment of Obligations arising under the Loan Documents and Obligations arising under Hedge Agreements or the definition of "Lender Counterparty," "Hedge Agreement," "Obligations," or "Secured Obligations" (as defined in any applicable Security Document) in each case in a manner adverse to any Lender Counterparty with Obligations then outstanding without the written consent of any such Lender Counterparty;

(vi) amend, modify, terminate or waive any provision of Article IX as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such Agent;

(vii) amend any condition for Credit Extensions set forth in Section 3.02 without the consent of applicable Lenders holding more than 50% of the aggregate U.S. Revolving Exposure, 50% of the aggregate Canadian Revolving Exposure or 50% of the aggregate European Revolving Exposures, as applicable;

(viii) without limiting the provisions of Section 10.05(b), amend, modify, terminate or waive any provision hereof that would materially, disproportionately and adversely affect the obligation of any Borrower to make any payment of Revolving Loans without the consent of Lenders holding more than 50% of the aggregate Revolving Exposure of all Lenders (or if such amendment, modification or waiver affects only the European Revolving Loans, only the Canadian Revolving Loans or only the U.S. Revolving Loans, 50% of the aggregate Revolving Exposure of the relevant Class);

(ix) without limiting the provisions of Section 10.05(b), amend, modify, terminate or waive any provision hereof that would materially, disproportionately and adversely affect the obligation of any Borrower to make payment of Term Loans without the consent of Lenders holding more than 50.0% of the aggregate Term Loans of all Lenders (or if such amendment, modification or waiver affects only a specific Class of Term Loans, 50% of the aggregate Term Loans of the relevant Class); and

(x) (i) the Commitment or Loan of any Defaulting Lender may not be increased or extended and the principal of any Loan of a Defaulting Lender may not be reduced, in each case without the consent of such Lender and (ii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of each such Defaulting Lender.

(d) Execution of Amendments, Etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, supplements, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. In the case of any waiver, subject to any conditions or qualifications set forth therein, the parties hereto shall be restored to their former positions and rights hereunder and under the other Loan Documents, and, subject to any conditions or qualifications set forth therein, any Default or Event of Default waived shall be deemed to be cured and not continuing, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right or consequence in respect thereof. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.05 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

Notwithstanding anything to the contrary provided herein, no consent of any Lender shall be required in connection with the making of any amendment to any Loan Document of the type described in Section 2.24 hereof which states in such Section that no consent of any Lender, other than the applicable Incremental Revolving Loan Lender or Incremental Term Loan Lender, is required.

Section 10.06 Successors and Assigns; Participations.

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the respective successors and assigns. No Loan Party's rights or obligations hereunder nor any interest therein may be assigned or delegated by any Loan Party without the prior written consent of all Lenders (and any purported assignment or delegation without such consent shall be null and void) and no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.06.

(b) Register. Each Borrower, each Guarantor, the Administrative Agent and Lenders shall deem and treat the Persons listed as Lenders in the Register as the holders and owners of the corresponding Commitments and Loans listed therein for all purposes hereof, and no assignment or transfer of any such Commitment or Loan shall be effective, in each case, unless and until recorded in the Register following receipt of a fully executed Assignment Agreement effecting the assignment or transfer thereof, together with the required forms and certificates regarding Tax matters and any fees payable in connection with such assignment, in each case, as provided in Section 10.06(d). Each assignment shall be recorded in the Register promptly following receipt by the Administrative Agent of the fully executed Assignment Agreement and all other necessary documents and approvals, prompt notice thereof shall be provided to the Borrower and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the "Assignment Effective Date." Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Commitments or Loans.

(c) Right to Assign. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment or Loans owing to it or other Obligations (provided, that *pro rata* assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and any related Commitments):

(i) to any Person meeting the criteria of clause (i) of the definition of the term of "Eligible Assignee" upon the giving of notice to the Administrative Agent; and

(ii) to any Person meeting the criteria of clause (ii) of the definition of the term of "Eligible Assignee" upon giving of notice to the Borrower Representative and the Administrative Agent and, in the case of assignments of Revolving Loans or Revolving Commitments to any such Person, consented to by the Borrower Representative (provided that the Borrower Representative shall be deemed to have consented to assignments made during the initial syndication of the Revolving Commitments to Lenders previously approved by the Borrower Representative and to any other such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof), the Administrative Agent, the applicable Issuing Bank and the applicable Swing Line Lender (each such consent not to be (x) unreasonably withheld or delayed or (y) in the case of the Borrower Representative, required at any time an Event of

Default described in Section 8.01(a), 8.01(f), 8.01(g) or 8.01(h) has occurred and is continuing); provided, that each such assignment pursuant to this Section 10.06(c)(ii) shall be in an aggregate amount of not less than (A) \$5,000,000 (or such lesser amount as may be agreed to by the Borrower Representative and the Administrative Agent or as shall constitute the aggregate amount of the Revolving Commitments and Revolving Loans of the assigning Lender) with respect to the assignment of the Revolving Commitments and Revolving Loans and (B) \$500,000 (or such lesser amount as may be agreed to by the Borrower Representative and the Administrative Agent or as shall constitute the aggregate amount of the Tranche A Term Loan, Tranche B Term Loan or Incremental Term Loans of a Series of the assigning Lender) with respect to the assignment of Term Loans; provided, that the Related Funds of any individual Lender may aggregate their Loans for purposes of determining compliance with such minimum assignment amounts.

(d) Mechanics. Assignments and assumptions of Loans and Commitments by Lenders shall be effected by manual execution and delivery to the Administrative Agent of an Assignment Agreement. Assignments made pursuant to the foregoing provision shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to the Administrative Agent such forms, certificates or other evidence, if any, with respect to United States federal income Tax withholding matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.20(c), together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (except that no such registration and processing fee shall be payable (x) in connection with an assignment elected or caused by a Borrower pursuant to Section 2.23, (y) in connection with an assignment by or to Barclays or any Affiliate thereof or (z) in the case of an assignee which is already a Lender or is an Affiliate or Related Fund of a Lender or a Person under common management with a Lender).

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be; and (iii) it shall make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.06, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control).

(f) Effect of Assignment. Subject to the terms and conditions of this Section 10.06, as of the “Assignment Effective Date” (i) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder to the extent of its interest in the Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which survive the termination hereof, including under Section 10.08) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender’s rights and

obligations hereunder, such Lender shall cease to be a party hereto on the Assignment Effective Date; provided, that anything contained in any of the Loan Documents to the contrary notwithstanding, (y) the Issuing Bank shall continue to have all rights and obligations thereof with respect to such Letters of Credit until the cancellation or expiration of such Letters of Credit and the reimbursement of any amounts drawn thereunder and (z) such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (iii) the Commitments shall be modified to reflect any Commitment of such assignee and any Revolving Commitment of such assigning Lender, if any; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Administrative Agent for cancellation, and thereupon the applicable Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Revolving Commitments and/or outstanding Loans of the assignee and/or the assigning Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with the requirements of this Section 10.06 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(g). Any assignment by a Lender pursuant to this Section 10.06 shall not in any way constitute or be deemed to constitute a novation, discharge, rescission, extinguishment or substitution of the Indebtedness hereunder, and any Indebtedness so assigned shall continue to be the same obligation and not a new obligation.

(g) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations to any Person (other than any Group Member or any of their respective Affiliates) in all or any part of its Commitments, Loans or in any other Obligation: provided, that (A) such Lender's obligations shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) each Borrower, the Administrative Agent, each Issuing Bank and each of the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's agreements and obligations.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any Loan, Note or Letter of Credit (unless such Letter of Credit is not extended beyond the Revolving Commitment Termination Date) in which such participant is participating or the amortization schedule therefor, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be

permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Guarantors or the Collateral under the Security Documents (except as expressly provided in the Loan Documents) supporting the Loans hereunder in which such participant is participating.

(iii) Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.18(c), 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.06(c); provided, that such participant agrees to be subject to Sections 2.19 and 2.20 as if it were a Lender; provided, further, that (x) a participant shall not be entitled to receive any greater payment under Section 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, unless the sale of the participation to such participant is made with the Borrower Representative's prior written consent and (y) a participant shall not be entitled to the benefits of Section 2.20 unless such participant agrees, for the benefit of the Borrowers, to comply with Section 2.20 as though it were a Lender; provided, further, that, except as specifically set forth in clause (x) of this sentence, nothing herein shall require any notice to the Borrower Representative or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.04 as though it were a Lender; provided, that such participant agrees to be subject to Section 2.17 as though it were a Lender. A participant shall not be entitled to the benefits of Section 2.20 to the extent such participant fails to comply with Section 2.20(c).

(iv) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts of each participant's interest in the Commitments, Loans and other Obligations held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Commitments, Loans and other Obligations as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 10.06 any Lender may pledge (without the consent of any Borrower or the Administrative Agent) all or any portion of its Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender including to any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors

and any operating circular issued by such Federal Reserve Bank; provided, that no Lender, as between any Borrower and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge; provided, further, that in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a “Lender” or be entitled to require the assigning Lender to take or omit to take any action hereunder.

(i) Act on the Financial Supervision. In order to comply with the Dutch Financial Supervision Act (*Wet op het financieel toezicht*), the amount transferred under this Section 10.06 shall include a portion outstanding from the European Borrower of at least €100,000 (or its equivalent in other currencies) or such other amount as may be required from time to time under the Dutch Financial Supervision Act (or implementing legislation) or if less, the new Lender shall confirm in writing to the Loan Parties that it is a professional market party (*professionele marktpartij*) within the meaning of the Dutch Financial Supervision Act.

Section 10.07 Independence of Covenants, Etc. All covenants, conditions and other terms hereunder and under the other Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, conditions or other terms, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant, condition or other term shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.08 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 2.18(c), 2.19, 2.20, 10.02 and 10.03 and the agreements of Lenders set forth in Sections 2.17, 9.03(b), 9.06 and 9.09 shall survive the payment of the Loans, the cancellation or expiration of the Letters of Credit and the reimbursement of any amounts drawn thereunder, and the termination hereof.

Section 10.09 No Waiver; Remedies Cumulative. No failure or delay or course of dealing on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents or any of the Hedge Agreements. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy. Without limiting the generality of the foregoing, the making of any Credit Extension shall not be construed as a waiver of any Default or Event of Default, regardless of whether any Agent, Issuing Bank or Lender may have had notice or knowledge of such Default or Event of Default at the time of the making of any such Credit Extension.

Section 10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or Lenders (or to the Administrative Agent, on behalf of Lenders), or any Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 10.11 Severability. In case any provision in or obligation hereunder or under any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby (it being understood that the invalidity, illegality or unenforceability of a particular provision in a particular jurisdiction shall not in and of itself affect the validity, legality or enforceability of such provision in any other jurisdiction). The parties hereto shall endeavor in good faith negotiations to replace any invalid, illegal or unenforceable provisions with valid, legal and enforceable provisions the economic effect of which comes as close as reasonably possible to that of the invalid, illegal or unenforceable provisions.

Section 10.12 Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out of this Agreement and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 10.13 Table of Contents and Headings. The Table of Contents hereof and Article and Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose, modify or amend the terms or conditions hereof, be used in connection with the interpretation of any term or condition hereof or be given any substantive effect.

Section 10.14 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES THAT WOULD

RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

Section 10.15 CONSENT TO JURISDICTION. SUBJECT TO CLAUSE (E) OF THE FOLLOWING SENTENCE, ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY PARTY ARISING OUT OF OR RELATING HERETO OR ANY OTHER LOAN DOCUMENT, OR ANY OF THE OBLIGATIONS, SHALL BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH LOAN PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, HEREBY EXPRESSLY AND IRREVOCABLY (A) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS (OTHER THAN WITH RESPECT TO ACTIONS BY ANY AGENT IN RESPECT OF RIGHTS UNDER ANY SECURITY AGREEMENT GOVERNED BY LAWS OTHER THAN THE LAWS OF THE STATE OF NEW YORK OR WITH RESPECT TO ANY COLLATERAL SUBJECT THERETO); (B) WAIVES (i) JURISDICTION AND VENUE OF COURTS IN ANY OTHER JURISDICTION IN WHICH IT MAY BE ENTITLED TO BRING SUIT BY REASON OF ITS PRESENT OR FUTURE DOMICILE OR OTHERWISE AND (ii) ANY DEFENSE OF FORUM NON CONVENIENS; (C) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE LOAN PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.01; (D) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (C) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE LOAN PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (E) AGREES THAT THE AGENTS AND THE LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY SECURITY DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

Section 10.16 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON

THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER WILL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Section 10.17 Confidentiality. Each Agent and each Lender (which term shall for the purposes of this Section 10.17 include the Issuing Bank) shall hold all non-public information regarding the Group and their businesses identified as such by the Borrower Representative and obtained by such Agent or such Lender pursuant to the requirements hereof in accordance with such Agent's and such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by the Borrower Representative that, in any event, the Administrative Agent may not disclose such information other than to the Lenders and each Agent, provided, that each Lender may make (i) disclosures of such information to Affiliates or Related Funds of such Lender or Agent and to its and their respective officers, directors, employees, representatives, agents and advisors (and to other Persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17); provided, that, prior to any disclosure, such Affiliates, Related Funds, officers, directors, employees, representatives, agents and advisors and other persons be instructed to preserve the confidentiality of any confidential information relating to the Loan Parties received by it from any Agent or any Lender, (ii) disclosures of such information reasonably required by (A) any pledgee referred to in Section 10.06(h), (B) any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein, (C) any bona fide or potential direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to any Borrower and its obligations or (D) any direct or indirect investor or prospective investor in a Related Fund; provided, that such pledgees, assignees, transferees, participants, counterparties, advisors and investors are advised of and agree to be bound by either the provisions of this Section 10.17 or other provisions at least as restrictive as this Section 10.17, (iii) disclosure to any rating agency when required by it; provided, that, prior to any disclosure, such rating agency be instructed to preserve the confidentiality of any confidential information relating to the Loan Parties received by it from any Agent or any Lender, (iv) disclosures in connection with the exercise of any remedies hereunder or under any other Loan Document and (v) disclosures required or requested by any governmental agency or representative thereof or by the NAIC or pursuant to legal or judicial process; provided, that unless specifically prohibited by applicable law or court order, each Lender and each Agent shall make reasonable efforts to notify the Borrower Representative of any request by any governmental agency or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender by

such governmental agency) for disclosure of any such non-public information prior to disclosure of such information. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents.

Section 10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law, shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect; provided, that in no event shall the amount paid pursuant hereto be in excess of the amount of interest that would have been due if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, such Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and each Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the applicable Borrower.

Section 10.19 Counterparts. This Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission will be effective as delivery of an original executed counterpart thereof.

Section 10.20 Effectiveness; Entire Agreement; No Third Party Beneficiaries. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Borrowers and the Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement, the other Loan Documents, the Engagement Letter and any fee letter entered into in connection with the Engagement Letter or this Agreement represent the entire agreement of the Group, the Agents, the Issuing Bank, the Swing Line Lender, the Arrangers, the Bookrunners and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Agent, Issuing Bank, Swing Line Lender, Arranger, Bookrunner or Lender relative to the subject matter hereof or thereof not expressly set forth or referred to herein or in the other Loan Documents.

Nothing in this Agreement or in the other Loan Documents, express or implied, shall be construed to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, Affiliates of each of the Agents and Lenders, holders of participations in all or any part of a Lender's Commitments, Loans or in any other Obligations, and the Indemnitees) any rights, remedies, obligations, claims or liabilities under or by reason of this Agreement or the other Loan Documents. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of any Agent, the Issuing Bank or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement.

Section 10.21 PATRIOT Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that shall allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the PATRIOT Act.

Section 10.22 "Know Your Customer" Checks. If in connection with (a) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation made after the date hereof, (b) any change in the status of a Loan Party after the date hereof, (c) the addition of any Guarantor pursuant to Section 5.11 or (d) any proposed assignment or transfer by a Lender of any of its rights and obligations under this Agreement to a party that was not previously a Lender hereunder, the Administrative Agent or any Lender (or, in the case of clause (d) above, any prospective Lender) requires additional information in order to comply with "know your customer" or similar identification procedures, each Loan Party shall, promptly upon the request of the Administrative Agent or such Lender, provide such documentation and other evidence as is reasonably requested by the Administrative Agent (for itself or on behalf of any Lender) or such Lender (for itself or, in the case of the event described in clause (d) above, on behalf of any prospective Lender) in order for the Administrative Agent, such Lender or such prospective Lender to carry out and be satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in the Loan Documents.

Section 10.23 Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.24 No Fiduciary Duty. Each Agent, each Lender, each Arranger, each Bookrunner, each Issuing Bank, the Swing Line Lender and their respective Affiliates (collectively,

solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of each Borrower, its stockholders and/or its Affiliates. Each Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Borrower, its stockholders or its Affiliates, on the other; provided that each Loan Party acknowledges that one or more Affiliates of Barclays, MLPFS and CGMI (collectively, the “Borrower Financial Advisor”) were retained by the Borrowers as a buy-side financial advisor in connection with the Acquisition. The Borrowers, on behalf of themselves and their respective Subsidiaries and Affiliates, agree not to assert any claim that the Borrowers and their respective Subsidiaries and Affiliates might allege based on any actual or potential conflict of interest that might be asserted to arise or result from, on the one hand, the engagement of the Borrower Financial Advisor and, on the other hand, Barclays’, MLPFS’ or CGMI’s or their respective Affiliates’ respective relationships as Agent, Lender, Arranger, Bookrunner, Issuing Bank or Swing Line Lender, as applicable, described herein. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrowers, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Borrower, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Borrower, its stockholders or its Affiliates on other matters) or any other obligation to any Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Borrower, its management, stockholders, creditors or any other Person. Each Borrower acknowledges and agrees that such Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto.

Section 10.25 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Borrower or Guarantor in respect of such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the applicable Borrower or Guarantor in the Agreement Currency, such

Borrower or Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrower or Guarantor (or to any other Person who may be entitled thereto under applicable Law).

Section 10.26 Ancillary Borrowers. Subject to the terms of this Agreement, any Foreign Subsidiary may, with the approval of any relevant Ancillary Lender, become a borrower with respect to an Ancillary Facility. The Borrower Representative shall specify the relevant Foreign Subsidiary in a written notice delivered by it to the Administrative Agent pursuant to Section 2.26. Such Foreign Subsidiary shall become an Ancillary Borrower when such Foreign Subsidiary has delivered the following to the Administrative Agent and the relevant Ancillary Lender: (i) a Counterpart Agreement in the form of Exhibit F-2, (ii) all such information required by the Administrative Agent or the relevant Lender with respect to the regulations described in Section 10.21 or 10.22 and (iii) such documentation and certificates as are similar to those described in Section 3.01(b) and such customary legal opinions as the Administrative Agent or the relevant Ancillary Lender may reasonably request.
